A photograph of the Town Hall building in Sydney, Australia. The building is a grand, ornate structure with a central clock tower. The clock face is visible at the top of the tower. The building features a mix of red brick and light-colored stone or concrete. There are large arched windows and a prominent entrance with a pediment. The sky is blue, and there are some trees and other buildings visible in the background.

- Take an exciting morning balloon flight over the picturesque Avon Valley
- Visit the Northam Heritage Centre and get interactive with the old railway carriage and interesting memorabilia
- Stroll along the river, stop for a photo on Australia's longest pedestrian suspension bridge, and head over to the Swan enclosure to see the White Swans
- Enjoy the local drinks and cuisine at one of our many popular bars, restaurants, and cafes.
