- NOTES:**
- This document is intended as a guide to assist in your application. Please refer to the Shire’s information sheet for more information. You as the applicant are responsible for providing the correct information in your application.
 - Please be advised that some unauthorised structures may also require retrospective Development approval. Please contact the Shire of Northam’s Planning Department to determine if this is required. Development approvals are required prior to issue of a Building Approval Certificate.
 - Where a new septic system is proposed or changes are required to the existing system a Septic Tank Approval is required. Please contact the Shire’s Health Department for further information.
 - Fees may be subject to change.
