This book you just have to read!

The series "The New Prophecy" is by far the best series out of all of them. Even though "The New Prophecy" is not the first series. Be warned though! I have not read all the Warriors books yet, so I can't really say it is the best. What I can say though, is it is a good book to read. If you are like me and LOVE cats then this is the right book for you for sure!

I find this book one of the best because it is not as "sad" as some of the other books.

Here is a list of all the great things about this book:

1. Has lots of adventure.

2. It is from a cat's point of view.

3. Tragedy: lots of this!

4. Strong feelings.

5. Slow pace story line which helps you connect to the creatures.

And many more great things! The age group I recommend is 10+.

The story is set in 4 clans that cats live in and yeah, anyway what are you waiting for go get the book!!!!!!!!!!!!!!

The end; thank you for reading.
