

Tuesday Bookclub

May — Oct 2017

What is the Tuesday Book Club all about?

Good books, conversation & people who enjoy books...
... what more can you want in life?

All are welcome to join in—the book list is set every 6 months, which gives everyone the opportunity to choose books.

Informal chat about the book of the month (& do not be afraid to not like the book—many will agree with you)

Books are supplied.

Take time out to read—it is good for your blood pressure & mental health. Book Clubs are great ways to meet interesting people, stimulate the mind, express yourself & spend time with others.

*All information about the books in this flyer taken from the Goodreading website <https://www.goodreads.com>
