

TECHNICAL QUERY FORM

TQ/RFI Number:	TQ-01	Date:	20/11/2017
Tender Number:	RFQ 5 of NAEIC	Tender Name:	Media Software
Query:	<p>1. The Software spec mentions a studio shoot will be required for the interviews for the Yarning Circle. Will the Shire provide a suitable space for a temporary studio in Northam for this purpose?</p>		
Response:	<p>1. Council does not have a completely suitable studio space. However Council has a number of spaces which may be suitable and could be made available to the producer. It is important to note that these spaces are not soundproof. These spaces can be viewed here: https://www.northam.wa.gov.au/council-business--hiring-a-council-facility.aspx Council would waive usage fees and bond for these spaces for the producer, however public liability and insurance requirements would still apply, usage would be subject to the normal booking procedure, and Council does not guarantee a particular facility can be made available on a particular day.</p>		
	All other terms and conditions remain unchanged
