 - (c) or the Contractor's Personnel, did not cause the delay, whether by breach of this Contract or otherwise.

- 15.5 The Contractor's claim for an extension to the Date for Completion must:
- (a) be made within 10 Business Days (or any other period agreed in writing by the Parties) after the cause of delay has arisen; and
 - (b) include the facts on which the claim to the extension to the Date for Completion is based.
- 15.6 If the Principal's Representative reasonably considers that:
- (a) the claim for an extension of time under Clause 15.5 relates to an event listed in Clause 15.3; and
 - (b) Clauses 15.4 and 15.5 have been satisfied,
- the Principal must notify the Contractor within 10 Business Days of the claim for an extension of time under Clause 15.5 (or such other time agreed by the Parties) that an extension of time to the Date for Completion is granted. The notice must include the period of extension granted by the Principal, which will be reasonable having regard to the nature of the event specified in Clause 15.3 (as determined by the Principal, acting reasonably).
- 15.7 The Principal may by written notice to the Contractor direct an extension of time to the Date for Completion at:
- (a) any time that the Principal directs a Variation; or
 - (b) at any other time at the absolute discretion of the Principal,
- notwithstanding that the Contractor has not submitted, and/or is not entitled to submit, a claim for an extension to the Date for Completion. The Contractor acknowledges that the mechanism in this Clause 15.7 is a discretionary right of the Principal which may be exercised by the Principal for the sole benefit of the Principal and does not:
- (c) impose any obligations on the Principal;
 - (d) to the maximum extent permitted by Law, give rise to any duty to act in good faith;
 - (e) in any way constitute a waiver or relaxation of any of the requirements under this Clause 15; or
 - (f) entitle the Contractor to claim any Loss of whatever nature arising out of, or in connection with, any extension of time granted by the Principal in accordance with this Clause 15.7.
- 15.8 If the Principal, considers (acting reasonably) that the Contractor is not entitled to an extension of time, the Principal's Representative must notify the Contractor within 10 Business Days (or any other period agreed in writing by the Parties) of receipt of the claim under Clause 15.5 that the Date for Completion remains unchanged.
- 15.9 If the Contractor fails to comply with Clause 15.5 the Contractor will have no entitlement to an extension of time of the Date for Completion.
- 15.10 If an extension of time is granted in accordance with this Clause 15, provided that those costs are not also reimbursable pursuant to Clauses 19 or 20, the Principal will reimburse the Contractor for any costs reasonably incurred and directly attributable to the delay, but without regard to overheads, profit or any other cost, loss, expense or damage.

16. LIQUIDATED DAMAGES

- (b) termination of this Contract.

- 16.2 If an extension of time is granted in accordance with Clause 15.6 after the Contractor has paid or the Principal has set off the Liquidated Damages payable under Clause 16.1, the Principal shall repay to the Contractor such of those Liquidated Damages as represent the days the subject of the extension of time.
- 16.3 The payment of Liquidated Damages will not relieve the Contractor from any of its obligations and liabilities under this Contract.
- 16.4 Liquidated Damages shall become due upon the issue of a notice by the Principal setting out the amount of Liquidated Damages payable by the Contractor to the Principal.
- 16.5 The Principal may recover the amount of Liquidated Damages:
- (a) on demand from the Contractor; or
 - (b) by deducting such amount from any amount owed to the Contractor by the Principal, after the elapse of the Date for Completion.
- 16.6 The Contractor acknowledges that all sums payable by the Contractor to the Principal pursuant to this Clause 16 represent the Principal's genuine pre-estimate of the damages likely to be suffered by it if the Work under the Contract is not supplied and/or completed by the relevant Date for Completion and such sums shall not be construed as a penalty.

17. REOCCURRING SERVICES

- 17.1 If the Services are Reoccurring Services:
- (a) the Contractor must:
 - (i) perform the Reoccurring Services at the times stated in the Contract Specifics (in this respect time shall be of the essence); and

 - (b) Clauses 15.2 to 15.10 (inclusive) and Clause 16 do not apply to the Reoccurring Services; and

- 18.3 The Contractor's Representative is responsible for the quality, timeliness, cost and provision of the Work under the Contract in accordance with this Contract. The Contractor is liable for all acts and omissions of the Contractor's Representative.

19. VARIATION

- 19.1 A direction to the Contractor to perform a Variation may only be effected in accordance with this Clause 19.
- 19.2 If the Principal or the Principal's Representative requests the Contractor must prepare and submit a variation proposal addressing any proposed Variation (**Variation Proposal**). The Principal agrees to provide such further information as reasonably requested by the Contractor to enable the Contractor to prepare the Variation Proposal. The Contractor must submit the Variation Proposal to the Principal within 5 Business Days (or within such other period as the Parties agree) of the Principal's request for the proposal.
- 19.3 If a Variation requires the omission of Work under the Contract, the Principal's Representative may have the omitted Work under the Contract provided by others or not as the Principal sees fit.
- 19.4 The Variation Proposal must specify:
- (a) the effect the Contractor anticipates the proposed Variation will have on the timing of the delivery of the Work under the Contract, including the Date for Completion (if applicable) and the Contract Price (if any); and
 - (b) any other relevant matters that might assist the Principal to make a decision regarding the Variation Proposal.
- 19.5 Following receipt of the Variation Proposal by the Principal, subject to Clause 19.2, the Parties must seek to agree on the price for the Variation and the impact of the Variation on the timing of the delivery of the Work under the Contract, including the relevant Date for Completion (if applicable).
- 19.6 The Principal or the Principal's Representative is not obliged to direct a Variation after receiving the Variation Proposal from the Contractor.
- 19.7 The Contractor acknowledges and agrees that, subject to Clause 19.10, the Principal or the Principal's Representative may direct the Contractor in accordance with Clause 19.13 to perform the Variation even if the Parties are unable to agree on the price for the Variation or the impact of the Variation on the timing of the delivery of the Work under the Contract, including the relevant Date for Completion (if applicable).
- 19.8 The Contractor must not commence performing the proposed Variation unless and until the Principal or the Principal's Representative directs the Contractor in accordance with Clause 19.13.
- 19.9 If the Parties agree on the details in the Variation Form, the Principal will sign and issue the Variation Form and the Contractor will be entitled to be paid the agreed amount set out in the Variation Form once the Variation has been performed.
- 19.10 If the Parties are unable to agree on:
- (a) the price for the Variation within 10 Business Days after the date of receipt of the Variation Proposal from the Contractor, the Variation must be valued by the Principal's Representative as follows:

- (i) if this Contract prescribes rates or prices to be applied in respect of the Work under the Contract, those rates or prices must be used; or
- (ii) if Clause 19.10(a)(i) does not apply, using reasonable rates or prices, having regard to all circumstances which the Principal's Representative (acting reasonably) considers to be relevant; and
- (b) the impact of the Variation on the timing of the delivery of the Work under the Contract, including the Date for Completion (if applicable) ,
- (c) then the Principal's Representative must determine a reasonable impact on the timing of the delivery of the Work under the Contract, and amend (if applicable) the relevant Date for Completion by notice in writing to the Contractor.

19.11 A Variation does not invalidate this Contract.

19.12 The Contractor may request that the Principal direct a Variation and the Principal or the Principal's Representative may, in its absolute discretion, direct a Variation under Clause 19 or elect not to direct a Variation.

19.13 A direction is not a Variation unless a Variation Form has been signed by the Principal.

20. SUSPENDING THIS CONTRACT

20.1 The Principal or the Principal's Representative may, at any time and for any reason, suspend this Contract or any part of this Contract.

20.2 When the Contractor receives a written notice of suspension from the Principal or the Principal's Representative, the Contractor must suspend the performance of its obligations under this Contract until such time that the Principal or the Principal's Representative directs that this Contract is no longer suspended. At such time the Contractor must promptly recommence the performance of the Contractor's obligations under this Contract.

20.3 Where the suspension of this Contract is not a result of any default or action by the Contractor or the Contractor's Personnel, the Principal will reimburse the Contractor for the Contractor's verified reasonable additional costs incurred as a direct consequence of the suspension of this Contract. For the avoidance of doubt, such costs must not include Consequential Losses.

20.4 If the Principal or the Principal's Representative suspends this Contract or any part of it in accordance with Clause 20.1 (other than where such suspension is due to default or action by the Contractor or the Contractor's Personnel), the Date for Completion (if applicable) and the End Date (if applicable) are extended by the period of that suspension.

20.5 The remedies set out in Clauses 20.3 and 20.4 are the Contractor's sole and exclusive remedy in respect of the Principal suspending this Contract.

Any amount paid by the Principal under this Clause will be a debt owed by the Contractor to the Principal.
- 24.3 Within 28 days after receiving a Progress Claim that complies with Clause 24.1, the Principal must, (except in circumstances where the Principal has directed the Contractor to issue an Invoice in accordance with Clause 24.1), give the Contractor a certificate stating the Principal's opinion of the amounts:

 - (b) if applicable, deducting security in accordance with Clause 55.

 - (b) disputes the Invoice, in which case:
 - (i) to the extent permitted by any Legal Requirement, the Principal may withhold payment of the disputed part of the relevant Invoice pending resolution of the Dispute; and
 - (ii) if the resolution of the Dispute determines that the Principal must pay an amount to the Contractor, the Principal must pay that amount upon resolution of that Dispute.
- 24.6 If the setting off referred to in Clause 24.4(a) or Clause 24.5 produces a negative balance, then the Contractor must pay that balance to the Principal within 28 days after receiving notice of it.
- 24.7 Neither a Payment Certificate, nor Invoice nor any payment is evidence that any work has been carried out satisfactorily. Payment is on account only.
- 24.8 Without limiting the Contractor's obligations under Clause 24.1 to submit Progress Claims, within 28 days after each of the following:
 - (a) Completion of the Work under the Contract; and
 - (b) the expiry of the Defects Liability Period (unless there are notified Defects that remain to be rectified, in which case 28 days after the last notified Defect has been rectified),the Contractor may submit a Progress Claim.

- (a) the Confidential Information; or
- (b) other information concerning the Work under the Contract, or this Contract, without the prior written approval of the Principal.

26.3 Any amount referred to in this Contract (other than an amount referred to in Clause 26.8) which is relevant in determining a payment to be made by one of the Parties to the other is, unless indicated otherwise, a reference to that amount expressed on a GST exclusive basis.

26.4 To the extent that GST is payable in respect of any supply made by a Party (**Supplier**) under or in connection with this Contract, the consideration to be provided under this Contract for that supply (unless it is expressly stated to include GST) is increased by an amount equal to the relevant part of the GST Exclusive Consideration (or its GST exclusive market value if applicable) multiplied by the rate at which GST is imposed in respect of the supply.

26.5 The recipient must pay the additional amount payable under Clause 26.4 to the Supplier at the same time as the GST Exclusive Consideration is otherwise required to be provided.

26.6 The Supplier must issue a tax invoice to the recipient of the taxable supply at or before the time of payment of the consideration for the supply as increased on account of GST under Clause 26.4 or at such other time as the Parties agree.

28. CONSEQUENTIAL LOSS

- (a) subject to Clauses 11 and 28(b) but notwithstanding any other Clause, neither Party will be liable to the other Party in any circumstances for any Consequential Loss, to the extent permitted by Law; and
- (b) Clause 28(a) does not exclude liability of the Contractor for Consequential Loss, if, but for Clause 28(a) the Contractor would have insurance cover for that Consequential Loss under an Insurance.

- 29.1 The Contractor's liability to the Principal in respect of Loss under this Contract in the aggregate for all claims is limited to the Contractor Maximum Liability Amount.
- 29.2 To the extent that the Principal is liable to the Contractor under any Legal Requirement or under this Contract, the Principal's liability to the Contractor in respect of Loss under this Contract in the aggregate for all claims is limited to the Principal Maximum Liability Amount.

30. FORCE MAJEURE EVENT

- 30.1 A Party must give timely notice to the other Party of any Force Majeure Event that precludes the Party (whether partially or wholly) from complying with its obligations under this Contract ('**Affected Obligations**') and must either:
- (a) to the extent practicable, specify in the notice the length of delay in the performance of the affected Party's obligations under this Contract, including the length of delay on the Date for Completion (if applicable) that will result from the Force Majeure Event; or
 - (b) where it is impracticable to specify the length of delay at the time the notice is delivered, provide the other Party with periodic supplemental notices during the period over which the Force Majeure Event continues.
- 30.2 The Party's obligation to supply the Affected Obligations is suspended for the duration of the actual delay arising out of the Force Majeure Event.
- 30.3 The Parties must use their reasonable endeavours to remove or relieve the Force Majeure Event and to minimise the delay caused by any Force Majeure Event.
- 30.4 If a Force Majeure Event continues to affect the supply of the Work under the Contract for a continuous period of 180 days, the Principal may terminate this Contract by serving written notice on the Contractor and neither Party has liability to the other except in respect of any event arising prior to the date of this Contract being terminated.

- 31.4 Within 10 Business Days of receipt of the response referred to in Clause 31.3, the Parties agree to attempt in good faith to resolve through negotiation any Dispute arising under or in relation to this Contract.
- 31.5 If the Parties are unable to resolve the Dispute within the 10 Business Days of attempting in good faith negotiations in accordance with Clause 31.4, either Party may initiate proceedings in a court of competent jurisdiction.
- 31.6 Either Party may, with the agreement of the other Party, at any time, refer the Work under the Contract (or any part thereof) to an appropriate independent expert, agreed to by the Parties, for examination and report as to their compliance with this Contract. The decision of the expert shall be final and binding upon both Parties, and the expense of such reference shall be paid by the unsuccessful Party.

32. TERMINATION OF CONTRACT

- 32.1 If a Party breaches or repudiates this Contract, nothing in this Contract prejudices the right of the other Party to recover damages (including loss of bargain damages) or exercise any other right under this Contract or under any applicable Legal Requirement.
- 32.2 The Principal may, in its absolute discretion, and without being obliged to give any reasons, terminate this Contract at any time by giving not less than 5 Business Days written notice to the Contractor. The Principal shall pay to the Contractor:
- (a) the amount due to the Contractor evidenced by all unpaid Invoices and approved Progress Claims; and
