A. BACKGROUND / DETAILS

The Community Grants Program aims to strengthen and enhance the social wellbeing, development, and sustainability of the Shire of Northam community. Grants are awarded to local not-for-profit community organisations to support projects that will benefit specific target groups and the broader community.

The 'Community Grants Program' is governed by Council's Community Support Policy, which provides guidelines for requesting funds and/or sponsorship from the Shire of Northam, and provides Council a framework to ensure a consistent and equitable decision-making process in the allocation of funds.

The Community Development Grant category is to support the strategic development and organisational capacity building of local community groups and sporting clubs. Applications for funding between \$5,000 - \$20,000 are invited from incorporated not-for-profit local community groups and sporting clubs.

The Community Development Grant funding round opened on 18 September and closed on 29 October 2023.

Council approved within the annual budget an allocation of \$40,000 in 2023/24 towards Community Development Grants, with Council already allocating \$10,000 of this to the 2023 Northam Heritage & Multicultural Festival at the Special Council Meeting held 9 August 2023, Minute Number C.4818.

The remaining budget of \$30,000 is available for allocation by this Committee.

C. OFFICER'S COMMENT

The following applications were received and are being presented for assessment:

C18 – Bakers Hill Golf Club/RSLWA Sub Branch Extension

Applicant	Project Summary	Amount requested
-----------	-----------------	------------------

Bakers Hill RSL Sub Branch	To bring the club room building up to standard to meet current building codes. Includes: <ul style="list-style-type: none"> • Exit Doors / Fittings & Fixture • 2 x Disabled access toilet upgrades • Kitchen stainless steel benches & oven. 	\$20,000
----------------------------	--	----------

C19 – Northam Country Club Golf

Applicant	Project Summary	Amount requested
Northam Country Club	To reconstruct the number 1 & 10 tee boxes which are unstable and unsafe. Project includes retaining and earth works with synthetic turf finishes.	\$11,960

The funding requests total \$31,960, which is \$1,960 than available budget.

The Committee can consider either:

- a) Reduce the awarded amounts to the maximum budgeted allowance for 2023/24; or
- b) Recommending both submissions be approved for full funding and direct the CEO to find the additional funds at the mid-year budget review.

The suggestion from Officers is that both grants be reduced by 50% of the over budget request, i.e. application C18 be awarded \$19,020 and application C19 awarded \$10,980 on the basis that both Clubs may have the capacity to contribute the unfunded amount of \$980 each.

COMMITTEE DECISION

Minute No: CCAG.64

Moved: Cr Appleton
Seconded: Cr Hughes

That the Community Grants Assessment Committee approves 2023 Community Development Grants for:

1. Bakers Hill RSL Sub Branch up to \$19,020 (excl. GST) for extensions to the Bakers Hill Golf/RSL Club on the condition that all relevant planning, building and health approvals are obtained.
2. Northam Country Club – Golf of up to \$10,980 (excl. GST) for the rebuild of the No. 1 & 10 Tee Boxes.

For: Cr Antonio, Cr A Mencshelyi, Cr Hughes, Cr Biglin, Cr Appleton.

DISCUSSION

Cr Mencshelyi sought clarification over why the applicants could not be awarded their full requests when it is just \$1,960 over budget. Cr Antonio responded that within the delegation to this committee they can only work within the parameters of the budget.

BRIEF

For the Committee to consider a request from the Northam Army Camp Heritage Association to be granted a 3-year recurring grant of \$20,000 per year for the Northam Heritage & Multicultural Festival.

ATTACHMENTS

1. Request for reoccurring funding [**11.2.1** - 1 page]
2. NACHA Strategic Plan 2024 to 2029 [**11.2.2** - 4 pages]

A. BACKGROUND / DETAILS

In 2022, the Council reinstated recurring funding of regular, annual community events with 3 to 5 year recurring partnership funding agreements.

These agreements were temporarily paused during the Covid pandemic and were recommended by Council to recommence in 2023/24.

Events currently on a funding agreement are outlined below:

Funding Recipient	Event	Amount	Expiry
Northam Agricultural Society	Northam Farmers Show	\$10,000	2025/26
Northam RSL Sub Branch	ANZAC Day commemorations	\$3,000	2025/26
Bridgeley Church of Christ & Northam Chamber of Commerce	Carols on Fitzgerald	\$10,000	2025/26
Wundowie Progress Association	Wundowie Iron Festival	\$20,000	2025/26
Avon Valley Vintage Vehicle Association	Avon Valley Vintage Swap Meet	\$3,300	2025/26
Bakers Hill Progress & Recreation Association	Community Christmas Fair	\$7,000	2025/26
Vintage Sports Car Club of WA	Northam Motorsport Festival	\$25,000	2027/28
Avon Valley Arts Society	Northam Art Prize	\$3,000	2025/26
Northam Theatre Group	Theatre performances	\$3,000	2025/26

The NACHA Northam Heritage & Multicultural Festival was first held in 2021 on the 'World Day of Migrants & Refugees' (Migrant Sunday) with a Shire of Northam grant of \$5,000 awarded to NACHA. Shire Officers attended the event and believed it showed potential, however unfortunately due to severe weather and clashes with other activities occurring in the region attendance numbers were low. NACHA estimated an attendance at 500 – 750.

In 2022, NACHA were awarded a \$20,000 community development grant to help establish the event. NACHA were also successful in obtaining additional external funds from Healthway, Act Belong Commit and a Regional Arts WA grant. This was to activate the town the night before the festival with a music trail at local pubs and restaurants. In 2022 the event was further boosted by the attendance of the German Car Club on their annual club drive. NACHA estimated an attendance at 3,500 in addition to those that attended the music trail.

For the more recently held 2023 event, the Community Grants Assessment Committee awarded NACHA \$10,000 to deliver the festival for a third year however it had requested \$20,000. The decision to reduce the funding was based upon providing equitable support for events proportionate to the size, exposure and economic value, especially when compared to the support given to other community groups to deliver larger events in the Shire, such as the Wundowie Progress Association for the Wundowie Iron Festival.

Following a petition to Council, an additional \$10,000 was approved as unbudgeted expenditure at the meeting held 9 August 2023 (Motion No. C4818), increasing the Council funding to \$20,000 for the 2023 Northam Heritage & Multicultural Festival. NACHA estimate attendance at this year's event to be 3,500, including invited delegates from the Western Australian Consuls who participated in a tour of the Army Camp facility.

There are no documented Council policies or guidelines for the assessment of recurring funding agreements. Recurrent funding agreements were introduced in 2016 with the Council Report at the time recommending a 3-year agreement to be introduced for these established events that seek Council funding through the Community Grants Program each year.

C. OFFICER'S COMMENT

Shire Officers understand NACHA's well-meaning intent for the Heritage & Multicultural Festival and commend them on their drive and passion to make the festival bigger and better, however apprehension remains over whether NACHA has proven that there is demand for the event to be run annually, whether they have the capacity to professionally deliver a large scale event that brings people to Northam, and whether Council are getting a justifiable return for investment on funding contribution per year.

With Northam's rich heritage and multicultural history, it aligns to have such a festival in town. Officers propose that Council consider funding the festival for a further year, with the Shire Events team working closely with NACHA to provide event management, activation and marketing assistance. In collaboration with the Shire, the success of the event and attendance numbers will be reviewed to make an assessment on recurring funding in 2024/25.

COMMITTEE DECISION

Minute No: CCAG.65

Moved: Cr Mencshelyi
Seconded: Cr Hughes

That the Community Grants Assessment Committee endorses the following recommendation being presented to Council:

That Council:

1. NOT SUPPORT a 3-year recurrent funding agreement with the Northam Army Camp Heritage Association (NACHA) starting in 2024/25; and
2. CONSIDER provision for funding of up to \$20,000 (excl. GST) in the 2024/25 Council Budget for the Northam Army Camp Heritage Association for delivery of the 2024 Northam Heritage & Multicultural Festival, subject to NACHA agreeing to work in collaboration with the Shire of Northam on event management, activation and marketing.

DISCUSSION

Cr Antonio asked if there is provision elsewhere in the Shire budget for their request. The CEO advised that it would have to be presented as an additional budget consideration and go to Council for debate.

Cr Biglin asked how much other external funding have they received. Cr Appleton responded that he believes it was \$36,000.

Cr Biglin asked what the funding was used for. Cr Appleton indicated primarily it goes towards the performers and the dance floor set up.

Cr Biglin & Cr Hughes agreed that it was a good idea to have NACHA working with Shire Officers to help develop the festival and get more for their budget.

Northam Army Camp Heritage Association Inc (NACHA)

Event Strategic Plan 2024 -2026 (Draft 2027 – 2029)

In 2021 NACHA prepared a five year strategic Plan with a focus on events. The first three years have highlighted the challenges of sourcing grants on an annual basis. The need for recurrent grants has resulted in a review of the strategic events plan and preparing a future draft plan based on three year cycles.

The preference is still to partner with the Act Belong Commit branding as the Heritage and Multicultural Festival is primarily about mental health in Northam for all migrants. Recurrent grant applications to the Shire of Northam and Regional Events Scheme will be used to establish an important event for Northam, WA and at an international level.

The themes from the strategic plans are listed below.

Act Belong Commit Northam Heritage and Multicultural Festival 2024 – Populate or Perish

‘Populate or Perish’ was the slogan used following WWII to encourage more migrants to come to Australia. This theme has been chosen to cover the many different programs in place since settlement in the Swan colony in 1829. These include:

- Initial settlement in a non-penal colony
- Convict transport 1850 – 1868 in WA.
 - 10 year old George Throssell arrived on the first ship with his family. His father was one of the guards.
- 1893 Discovery of Gold and population boom. Many migrants came from the Eastern States and were involved in the building boom.
- Building the railway
- 1901 Federation
- Goldfields Water Pipeline
- Discharged Soldiers Settlement Act 1918
- The Great Depression 1929 – 1939
- German and Italian POW’s WWII
- Soldier Settlement post WWII
- Displaced Persons. 30,000 people through the Northam Army Camp and Holden Camp in Northam.
- 10 Pound POMS
- Vietnamese boat people
- China’s one child policy
- Yongah Hills detention centre
- Working holiday visas

There will be special displays about many of these programs as well as opportunities for people to have reunions of those who came by different boats or were part of different programs.

Act Belong Commit Northam Heritage and Multicultural Festival 2025 – Looking to the future

Northam is a service town and whilst it has highlighted the heritage buildings from the gold rush era there has continued to be building and replacement across the years including:

- The library and former Chamber offices designed by Iwan Iwanof in the 1970's and recognised by the Australian Institute of Architects with an award for enduring architecture in 2021.
- The Boulevard shopping centre that is located where the old railway line went through the town. The innovative use of solar panels by the Boulevard shopping centre to provide shade and reduce power bills.
- Bilya Koort Boodja Centre for Nyoongar Culture and Environmental Knowledge and the Visitor's Centre that have been built with connections to the river and high enough to avoid the risk of flooding.
- The Northam Village Square providing more shops following the demolition of the old hospital.
- More demolition of the Fitzgerald hotel resulted in the Northam Village Green and the linking of the river to Fitzgerald Street. This is a wonderful event space.
- The Silo Art trail is a major attraction for tourists in WA. Northam started the trail in 2015 when Artists: Phlegm and Hence painted their murals on the CBH silos at the Avon depot. Other art has been added to the town and is well worth exploring.

Northam has always looked to the future and continues to support sustainable development.

Act Belong Commit Northam Heritage and Multicultural Festival 2026 – Military connections

2026 is an important year for military recognition in WA. Major Edmund Lockyer arrived on the brig Amity in Albany and established a military outpost in King George Sound. In January 1827 Albany was recognised as the first settlement in WA. The State recognises 2029 as the bicentennial with the establishment of the Swan Colony in 1829.

Northam and Albany have close links with regards to ANZAC troops who trained in Northam and were deployed from Albany. The railway provided an important link between the two towns.

To understand more about Northam and the Northam Army Camp the following timeline has been written:

- 1879 Northam became a municipality and the council was granted 2,100 acres west of Mt Ommanney as "Commonage".
- 1896 a volunteer Mounted Rifle Troop was formed. Became part of the Australian Military Forces in 1903 following Federation.
- 1910 Northam was a cadet training site following the introduction of National Training for young boys.
- 1914 the 10th Light Horse was formed in WA and trained at Northam.
 - Captain Hugo Throssell was the only light horseman to be awarded the Victoria Cross during World War One.
- 1935 the Department of the Army decided to establish a permanent camp at Northam because of its strategic position near major transport routes and access to the Golden Pipeline. Part of the town common was leased from the Northam Municipal Council for this purpose. Major requirements:
 - reliable water supply for 5,000 men,

- 1st class rail and road,
- facilities for artillery and small arms practice,
- railway sidings and other rail facilities,
- reasonable concealment.
- 1935-1939 The camp was planned, cleared and some permanent buildings erected. With the announcement of WWII 175 huts were built in one month.
- 1939-1945 Northam Army Camp was the brigade training camp for the Second Australian Imperial Force, which left for Britain on 10 January 1940, and played an important role in the British offensive in the Middle East and North Africa in 1940/1941.
- 1946 3,500 Italian Prisoners of war were housed at the Northam Army Camp. The prisoners at the camp built the parade ground, all the culverts, drainage at the camp. A memorial built by the prisoners is still located next to the parade ground and is unique in Australia.
- 1949-1951 Northam Army Camp began to operate as the Department of Immigration Accommodation Centre. Initially a centre for Displaced Persons from eastern Europe and then a Migrant Reception Centre for other post-war non-British immigrants, it is estimated that approximately 30,000 men, women and children passed through the Northam camp and the Holden Camp in Northam.
- 1951-1953 Northam Army Camp reverted to the Department of the Army and was again used by Western Command to train personnel, this time for the Korean War.
- 1953- 1960s From this period Northam Army Camp fell into decline and a large number of buildings were removed from the site. Some were donated to local farmers following the 1968 Meckering earthquake or demolished due to termite damage.
- 1997 Northam Army Camp Heritage Association Inc formed to protect, preserve and promote the heritage of the Northam Army Camp as the continual removal of buildings and possibility of disposal of site were giving rise to public concern.
- 1999/2000 Northam Army Camp added to the State Register of Heritage Places.
- 2010 On 18 October, the Australian Government announced the establishment of an immigration detention centre at the site.
- Present Day - Northam Army Camp is still used for military training.

In recognition of the Military connection, NACHA will work with The Australian Light Horse Association for event preparation and special displays.

Draft Events 2027 -2029

Act Belong Commit Northam Heritage and Multicultural Festival 2027 – The depression years wheat and wool

The importance of agriculture in getting Australia through the depression years. These included the founding of Cooperative Bulk Handling (CBH) in April 1933. Woolmark began with the establishment of the Australian Wool Board in 1936 and a six pence per bale tax for research and promotion purposes. Both organisations have a strong link to Northam.

Act Belong Commit Northam Heritage and Multicultural Festival 2028 – The invisible migrants

The White Australia Policy had a lot of influence on who came to WA. In the case of Northam, the Afghans came with the camels and were needed for transport. Chinese migrants came to work on the water pipeline scheme and remained as market gardeners. Many descendants are still living and working in the Avon Valley region.

Act Belong Commit Northam Heritage and Multicultural Festival 2029 – 200 years of the Swan Colony

The Official Bicentenary year for WA is 2029. Looking for ideas to celebrate ALL cultures is Northam.
