AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Notice and Agenda of the Ordinary Meeting of Council to be held in the Council Chambers on WEDNESDAY, 15 July 2015 at 5:30 pm

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Northam for any act, omission or statement or intimation occurring during Council/Committee meetings or during formal/informal conversations with staff. The Shire of Northam disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council/Committee meetings or discussions. Any person or legal entity who acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Northam during the course of any meeting is not intended to be and is not taken as notice or approval from the Shire of Northam. The Shire of Northam warns that anyone who has an application lodged with the Shire of Northam must obtain and only should rely on **WRITTEN CONFIRMATION** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Northam in respect of the application.

7. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

Questions from Council Forum Meeting – Wednesday, 8 July 2015

Name / Address: Gerry Strickland – 172 Benrua Road, Clackline

Subject Matter: Agenda item 13.2.1 - Reserve 25785 Shingle Hill Road, Bakers Hill - Application for an Extension to the Term of Planning Approval (Carriage Driving for the Disabled). Request for planning and building fee waiver.

Question: Can the Council give consideration to waiving the fees associated in respect to the submission for planning and building permission for the Bakers Hill Riding / Carriage Driving for the Disabled as specified within agenda item 13.2.1?

Response: The total fees associated with this request comes to a total of \$185.13 (\$50.00 for an extension of the planning permit and \$135.13 for building application fees). Staff advise that the decision to waive these fees lies with Council.

SHIRE OF NORTHAM
MINUTES
COMMUNITY SAFETY COMMITTEE MEETING HELD ON 25 JUNE 2015

6. AGENDA ITEMS

6.1 COMMUNITY PERCEPTION SURVEY UPDATE

Name of Applicant:	Shire of Northam
Name of Owner:	Shire of Northam
File Ref:	1.2.3.1
Officer:	Ross Rayson
Officer Interest:	N/A
Policy:	N/A
Voting:	Simple Majority
Date:	February 2015

PURPOSE

To provide an update to the committee about the Community Perception Survey, relating specifically to safety and security.

BACKGROUND

The Shire of Northam administered the Community Perception Survey through the organisation Catalyse in February 2015 to understand community priorities. Security and safety was one of the focus areas of the survey with results indicating that the community perception is that only 36% of people consider the Shire of Northam to be safe.

STATUTORY REQUIREMENTS

N/A

CONFORMITY WITH THE STRATEGIC COMMUNITY PLAN

OBJECTIVE: Create an environment that provides for a caring and healthy community.

STRATEGY: Provide an environment that enhances and builds on the liveability of the Shire.

BUDGET IMPLICATIONS

N/A

OFFICER'S COMMENT

The Shire of Northam has engaged Catalyse to facilitate a number of focus group workshops with community members who indicated in their Community Perception Survey

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
COMMUNITY SAFETY COMMITTEE MEETING HELD ON 25 JUNE 2015

that they would be interested in participating. The attendees were randomly selected and numbers were limited to 10 participants.

As security and safety was identified as a high priority area it was one of the focuses of the group. The workshops were designed to further investigate people's perceptions so that the Shire of Northam can develop identify actions to overcome the issues.

A copy of the draft report is attached for the information of the Committee and discussion on future actions arising from the report will be undertaken at the meeting.

Mr Ross Rayson will provided an update.

Ms Rose Power asked if the Committee members could answer two questions:

1. What can your individual organisation do to support crime prevention and safety?
2. What collectively can we as a Committee do to improve the perception of safety?

Cr Denis Beresford commented that the perception does not differ from reality. If people perceive it to be a problem then this is their reality.

Mr Kevin Madden said that there were no spikes in reported crime and confirmed that all crime is reportable but it is not always reported.

Cr Denis Beresford said that his perception is spiking and would like to know how to change that perception. The Committee agreed that marketing would help and identified a number of information sharing tools being eWatch, Police on Facebook and Twitter, Visit Northam and the Shire of Northam Facebook pages, the Shire of Northam Newsletter, the WYLD Magazine. Mrs Michelle Blackhurst has been assigned the task of creating a list of information sharing tools.

RECOMMENDATION / COMMITTEE DECISION

Minute Number: CSC.021

Moved: R Rayson
Seconded: R Power

That Council;

Endorse the use of the information collected from the Community Perception focus group workshops to further develop the Community Safety and Crime Prevention Plan.

CARRIED 6/0

6.2 COMMUNITY SAFETY AND CRIME PREVENTION PLAN

Name of Applicant:	Shire of Northam
Name of Owner:	Shire of Northam
File Ref:	1.3.12.1
Officer:	Ross Rayson
Officer Interest:	N/A
Policy:	N/A
Voting:	N/A
Date:	25 June 2015

PURPOSE

To update the Committee on the progress of the Community Safety and Crime Prevention Plan.

BACKGROUND

It was confirmed at the meeting held on 05 February by Ms Rose Power that the Community Safety Committee had previously resolved to finalise the Community Safety and Crime Prevention (CSCP) Plan and implement a new simple CSCP Plan 2015 - 2018.

The data from the previous Plan has now been reviewed and this along with the results from the Community Perception Survey, the Community Perception focus groups, statistical data and feedback from Committee members and other stakeholders, a simple action based Community Safety Strategy is being developed.

The CSCP Plan 2015 - 2018 will bring all of the current data together to help the Committee to understand 'What is the Northam story'. This will help the Shire of Northam to reconcile where the facts and the perceptions differ.

The Community Safety Committee are well positioned to provide advice on perceived problem areas.

STATUTORY REQUIREMENTS

AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
COMMUNITY SAFETY COMMITTEE MEETING HELD ON 25 JUNE 2015

STRATEGY: Provide an environment that enhances and builds on the liveability of the Shire.

BUDGET IMPLICATIONS

N/A

OFFICER'S COMMENT

The purpose of the CSCP Plan 2015-2018 is not to create new strategies, but to identify activities that stakeholders have already implemented within their own organisations.

Based on the results of the focus group sessions which indicated that the different communities of the Shire of Northam have different issues and barriers, Cr Denis Beresford would like to see the Community Safety and Crime Prevention Plan divided into sections addressing rural, town and shared issues and solutions.

Mrs Michelle Blackhurst will provide the previous action plan to the Committee at the next meeting indicating which items have been completed.

6.3 ALCOHOL AND OTHER DRUGS MANAGEMENT PLAN

Name of Applicant:	Shire of Northam
Name of Owner:	Shire of Northam
File Ref:	1.3.12.1
Officer:	Michelle Blackhurst
Officer Interest:	N/A
Policy:	N/A
Voting:	Simple Majority
Date:	25 June 2015

PURPOSE

To develop an Alcohol and Other Drugs Management Plan (AODMP).

BACKGROUND

Initial stages of the development of the AODMP have commenced. This has included a number of meetings with the Drugs and Alcohol Office and the development of a workshop to begin the planning of the plan with the subcommittee.

The AODMP is a plan that articulates what will happen at a local level to create change in the identified issue.

The AODMP will:

- Provide a means for coordinated and collaborative activity across agencies and communities.
- Recognise that every agency is impacted on by alcohol misuse and is therefore part of the solution.
- Outline a staged approach for creating sustainable change.
- Reflective of best practice and support the outcomes of relevant state and national strategies

It was agreed at the previous meeting that the AODMP should be driven from a local level by a subcommittee, as the current Committee is too large to take on the task.

STATUTORY REQUIREMENTS

N/A

CONFORMITY WITH THE STRATEGIC COMMUNITY PLAN

OBJECTIVE: Create an environment that provides for a caring and healthy community.

SHIRE OF NORTHAM
MINUTES
COMMUNITY SAFETY COMMITTEE MEETING HELD ON 25 JUNE 2015

STRATEGY: Provide an environment that enhances and builds on the liveability of the Shire.

BUDGET IMPLICATIONS

N/A

OFFICER'S COMMENT

Ms Ann-Marie Cunniffe from the Drug and Alcohol Office is supporting the Safer Northam Committee to produce an AODMP however requires a subcommittee to support the implementation of the Plan.

At its meeting held on Thursday 09 April 2015 the Northam Safer Community Committee approved the formulation of a sub-committee to drive the AODMP.

Prior to the development of the subcommittee, the Drug and Alcohol Office will facilitate a planning workshop which will take place on Friday, 03 July 2015 between 9am and 1pm. This information has been emailed to Committee members. It is recommended that the Committee members attend one of these workshops as this will be where the plan is formed. The purpose of the workshops is not to create new strategies, but to identify what stakeholders are already doing at a local level and how we can work together to create a collective impact.

Attending the workshop does not commit you to joining the subcommittee. Committee members will understand following the workshops if the subcommittee is a relevant opportunity for them and can nominate if they so choose following the workshops.

7. OTHER BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF THE COMMITTEE

Mr Kevin Madden would like to encourage the group to apply for a grant to purchase a digital message board and 4 mobile CCTV devices. These could then be used by the local Police to position in identified trouble areas.

Mrs Michelle Blackhurst will identify an appropriate grant and present it to the Committee.

RECOMMENDATION/COMMITTEE DECISION

Minute Number: CSC.022

Moved: R Power
Seconded: J Williams

That Council;

Endorse the Committee to submit a funding proposal to purchase 4 mobile CCTV devices and a digital community notice board for the use of the Police.

OFFICER'S COMMENT

BFAC is required to appoint one of its own members as the chairperson. The BFAC Terms of Reference also stipulate the terms of office for both the CBFCO and the DCBFCO.

- 1.6 A person holding the position of Chief Bush Fire Control Officer and Deputy Chief Bush Fire Control Officer may seek re-election bi-annually for a period of two (2) terms making a total of 4 years in the position.
 If there are no suitable nominees, then the incumbents are welcome to nominate for another one year term.
 After a 2 year break from the position a person may seek re-election.

MOTION / COMMITTEE DECISION

Minute No: BFAC.102

Moved: David Russell

6.2 APPOINTMENT OF FIRE CONTROL OFFICERS

Name of Applicant:	Internal Staff Report
File Ref:	5.1.3.1
Officer:	John Hansen
Officer Interest:	Nil
Policy:	VBFB Administration Procedures Manual / Bush Fire Act 1954
Voting:	Simple Majority
Date:	July 2015

PURPOSE

For the committee to recommend to Council the appointment of Fire Control Officers (FCO) for the following 12 month period. In making this recommendation the committee is also requested to consider adopting a minimum criteria for persons to be appointed as a FCO.

It is also proposed that the Volunteer Bush Fire Brigade Administration Procedure Manual to be updated to include minimum standards of training required to be appointed as a FCO.

BACKGROUND

The subject of preferred minimum training/experience and qualifications has been discussed over several years. Most agree some standard minimum is required and now that DFES has planned training pathways and standardised training courses accompanied with an accurate electronic record keeping system, we are confident this committee can now stipulate the training courses and practical experience that they wish to endorse as the preferred minimum requirements for our FCO's.

STATUTORY REQUIREMENTS

Council are Responsible for the appointment of Fire Control Officers in accordance Section 38 of the *Bush Fires Act 195* -

S38. Local government may appoint bush fire control officer

- (1) *A local government may from time to time appoint such persons as it thinks necessary to be its bush fire control officers under and for the purposes of this Act, and of those officers shall subject to section 38A (2) appoint 2 as the Chief Bush Fire Control Officer and the Deputy Chief Bush Fire Control Officer who shall be first and second in seniority of those officers, and subject thereto may*

SHIRE OF NORTHAM

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

determine the respective seniority of the other bush fire control officers appointed by it.

CONFORMITY WITH THE STRATEGIC COMMUNITY PLAN

OBJECTIVE: Provide services and processes to enhance public safety.

STRATEGY C2.1: Provide community services to uphold public safety standards.

STRATEGY C2.2: Support provision of emergency services.

STRATEGY C2.3: Provide, monitor and improve adequate Bush Fire Protection provisions.

BUDGET IMPLICATIONS

Minor advertising cost associated with the appointment of the positions.

OFFICER'S COMMENT

It is important that BFAC come to a majority agreement on what "preferred minimum standard" of training and actual firefighting experience it feels is required by all FCO's prior to BFAC recommending them for appointment by Council. Bearing in mind the powers under the Bush Fires Act 1954 that this appointment confers on a person and if that person is shown not to be competent to correctly and appropriately be capable of enforcing these laws, Council and BFAC could be seen to have failed in their duty of care. The "Fire Control Officers Handbook" March 2014 is available for reference. Additionally for members information I highlight the dates of upcoming training courses:-

Sat 25th & Sun 26th July Sector Commander in Northam (requires AIIMS Awareness)

Thursday 10th Sept FCO Refresher in York

Sat 12th Sept Intro Firefighting in Toodyay

Sat 12th & Sun 13th Sept FCO in Northam

Sat 19th & Sun 20th Sept Sector Commander in Northam (requires AIIMS Awareness)

If there is sufficient interest an additional Crew Leader/Advance Firefighter course (2 days) and a Structural Awareness course (2 hours) can be arranged between now and October 2015.

Finally once the above is agreed upon BFAC then needs to vet and nominate the submissions from each brigade for the position of Fire Control Officer for the 2015 / 2016 fire season.

6.3 OUT OF POCKET EXPENSES

Name of Applicant:	Internal Staff Report
File Ref:	5.1.3.1
Officer:	John Hansen
Officer Interest:	Nil
Policy:	Nil
Voting:	Simple Majority
Date:	July 2015

PURPOSE

To consider recommending to Council that all legitimate and accountable out of pocket expenses incurred by the CBFCO and the DCBFCO's be reimbursed once per annum.

BACKGROUND

Over the past several years temporary ad hoc approaches to this issue have been tried. This proposal aims to lock down an ongoing system that is realistic, accountable and fair to all concerned. Examples of how other Shires compensate their senior volunteers / Fire Control Officers include:-

- Toodyay provide mobile phones for both CBFCO and DCBFCO, they also have use of the "Fire Support Vehicle". Toodyay is also considering a range of other items of assistance.
- Chittering (their CBFCO is their CESM) the DCBFCO have a phone, laptop and any vehicle costs are reimbursed).
- Mundaring (their CBFCO is their CESM) In the winter season they employ two part time DBFCO and in summer this is increased to three.

STATUTORY REQUIREMENTS

CONFORMITY WITH THE STRATEGIC COMMUNITY PLAN

OBJECTIVE: Provide services and processes to enhance public safety.

STRATEGY C2.1: Provide community services to uphold public safety standards.

STRATEGY C2.2: Support provision of emergency services.

STRATEGY C2.3: Provide, monitor and improve adequate Bush Fire Protection provisions.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

BUDGET IMPLICATIONS

Should the recommendation be adopted, Council will need to allocate a budget of up to \$6300. Although in reality as an example in the 2014/2015 period only 2 phone allowances were claimed (total \$1000.00) and one claim for \$1547.00 submitted and is pending this motion.

OFFICER'S COMMENT

The duties and volunteer hours required to perform the duties of the Chief Bushfire Control Officer and the two deputies is such that some form of reimbursement is justified. In the past there has been attempts to provide some contribution for use of personal mobile phones however this has never been formalised in any policy or procedure. The reimbursable costs are proposed to include the use of personal mobile phones and personal vehicles used for attended incidents.

Attached is a detailed claim received from the DCBFCO West, Mat Macqueen which demonstrates clearly recorded vehicle use and the appropriate refund calculated using the Australian Tax Office (ATO) recommended figures.

MOTION / COMMITTEE DECISION

Minute No: BFAC.107

Moved: Paul Antonio
Seconded: Blair Wilding

That the Bushfire Advisory Committee;

1. Supports the concept of reimbursing 'out of pocket' expenses incurred by Chief and Deputy Bushfire Control Officers.
2. Requests that the Community Emergency Services Manager (CESM) develop a draft policy for presentation at the next Bushfire Advisory Committee Meeting utilising the following parameters;
 - a. The requirement to keep detailed records and provide these in submitting a claim
 - b. Expenses will be payable only on the provision of receipts and only for costs incurred in execution of their respective roles as Chief and Deputy Chief Bushfire Control Officers
 - c. A mobile phone allowance be provided for \$500
3. Request council approves the payment of \$1547.70 to DCBFCO

BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

To Shire of Northam
Mr J B Whiteaker
Chief Executive Officer
PO Box 613
NORTHAM WA 6401
Fax: (08) 9622 1910

Dear Jason,

Over the 2014/15 fire season, the Shire of Northam volunteer fire brigades have attended 86 callouts, 18 of which have been out of the Shire area. Out of the 86 callouts, I have attended 43 of these and a majority of these I have ended up running/controlling the incident in my capacity as the Deputy Chief Bush Fire Control Officer (DCFCO). The large number of incidents has made me keep a record of the kilometers I have travelled in my personal vehicle.

It was greatly appreciated back in February 2015 when I received \$500 from the Shire to cover my mobile phone and data usage and when you have a look at the attached table it shows every incident, every phone call and every kilometer I have done over the 2014/15 fire season.

To attend the 43 incidents, I have travelled 2,510 kilometers in my own personal vehicle. While I acknowledge I took on the role as DCFCO as a volunteer, I am requesting reimbursement from the Shire for 2,010 kilometers which would equate to \$1,5747.70 at 77 cents per km (rate taken from the ATO) to help contribute to the maintenance and fuel cost for my vehicle. The kilometers travelled only includes attending fires and not any other DCFCO duties – attending other brigade meeting, training, official events or running my own brigade (Clackline/Muresk).

If you wish to discuss this request any further, please contact me on 0439 741 572

Regards,

Mathew Macqueen
Deputy Chief Bush Fire Control Officer for the Shire of Northam.

6.4 PROPOSED 2015 / 2016 FIRE BREAK ORDER

Name of Applicant:	Internal Staff Report
File Ref:	5.1.3.1
Officer:	John Hansen
Officer Interest:	Nil
Policy:	Nil
Voting:	Simple Majority
Date:	July 2015

PURPOSE

To consider recommending to Council the attached Fire Break Order with amendments, for the 2015-16 fire season.

BACKGROUND

As with previous years, all Brigades have been provided the opportunity for input into the development of the Shire of Northam Fire Break Order.

In an effort to align the Shire of Northam firebreak order with best industry practice the proposed firebreak order has been amended to align with the guidelines as set out in "Planning for Bushfire Protection". Additionally the following information regarding other Shires within close proximity, illustrates firebreak sizes and supports this proposed amendment.

Toodyay	3m wide x 3m Vertical
Mundaring	3m wide x 4m Vertical
Chittering	3m wide x 4m Vertical
City of Swan	3m wide x 4m Vertical
Shire of Kalamunda	3m wide x 4m Vertical

STATUTORY REQUIREMENTS

Council are Responsible for the development and enforcement of Firebreak requirements in accordance with Section 33 of the *Bush Fires Act 1954* -

33. Local government may require occupier of land to plough or clear fire-break

- (1) Subject to subsection (2) a local government at any time, and from time to time, may, and if so required by the Minister shall, as a measure for preventing the outbreak of a bush fire, or for preventing the spread or extension of a bush fire which may occur, give notice in writing to an owner or occupier of land situate within the district of the local government or shall give notice to all owners or occupiers of land in its district by publishing a notice in the *Government Gazette*

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

and in a newspaper circulating in the area requiring him or them as the case may be within a time specified in the notice to do or to commence to do at a time so specified all or any of the following things -

- (a) to plough, cultivate, scarify, burn or otherwise clear upon the land fire-breaks in such manner, at such places, of such dimensions, and to such number, and whether in parallel or otherwise, as the local government may and is hereby empowered to determine and as are specified in the notice, and thereafter to maintain the fire-breaks clear of inflammable matter;
- (b) to act as and when specified in the notice with respect to anything which is upon the land, and which in the opinion of the local government or its duly authorised officer, is or is likely to be conducive to the outbreak of a bush fire or the spread or extension of a bush fire, and the notice may require the owner or occupier to do so
- (c) as a separate operation, or in co-ordination with any other person, carrying out a similar operation on adjoining or neighbouring land; and
- (d) in any event, to the satisfaction of either the local government or its duly authorised officer, according to which of them is specified in the notice

CONFORMITY WITH THE STRATEGIC COMMUNITY PLAN

OBJECTIVE: Provide services and processes to enhance public safety.

STRATEGY C2.1: Provide community services to uphold public safety standards.

STRATEGY C2.2: Support provision of emergency services.

STRATEGY C2.3: Provide, monitor and improve adequate Bush Fire Protection provisions.

BUDGET IMPLICATIONS

Cost associated with the advertising of the Shire of Northam firebreak order are included in Council's annual operating budget.

OFFICER'S COMMENT

As with previous years the BFAC is provided with an opportunity to provide feedback on the proposed firebreak order.

Attached is a copy of the 2014 / 2015 firebreak order, which requires to be amended to align with the "Planning for Bushfire Protection" document and to synchronise with the majority of local shires. Specifically the amendments to the firebreak are included as below;

- Firebreak widths are amended to 3 metres in width;
- Firebreak overhead clearance of 4 metres,
- Building protection zone increased to 20 metres (previously 15 metres)

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

Whilst the vertical clearance is not included in the firebreak section of Planning for Bushfire Protection, it is included with "fire service access routes".

It is recognised that brigades utilise firebreaks in many areas as access for appliances and an overhead clearance of the current firebreaks is needed to ensure that appliance damage is minimised and fire-fighter safety is enhanced.

As with previous recent recommendations regarding the adoption of the firebreak order, staff recommend that it be approved with the modifications highlighted above.

MOTION

Moved: Aaron Smith
Seconded: David Russell

That Council retain the current firebreak requirements.

LOST 4/5

MOTION

Moved: Sim Kuiper
Seconded: Aaron Smith

That the Council adopt the 2015/16 firebreak order to reflect the previous year's firebreak order with the following minor amendments;

- **Firebreak widths are to remain at 2 metres in width;**
- **Firebreak overhead clearance of 3 metres,**
- **Building protection zone increased to 20 metres (previously 15 metres)**

FIREBREAK/FUEL REDUCTION REQUIREMENTS

The following requirements must be installed by 1st November 2014 and maintained up to and including 30th April 2015. Failure to comply with these requirements can result in penalties prescribed by the Bush Fires Act.

Do not burn the road verge without the permission of the Shire and a permit.

TOWN SITE LAND

(includes the town sites/localities of Northam, Grass Valley, Seabrook, Spencers Brook, Clackline, Bakers Hill and Wundowie)

LAND AREA LESS THAN 1 HECTARE

- All hazardous material must be removed from the whole of the land except living trees, shrubs and plants. In this area remaining vegetation except living trees, shrubs and plants is to be maintained to a height of no greater than 7.5cm;
- It is recommended that a 2 metre wide firebreak should also be installed, clear of all flammable material, immediately within the external boundaries of the lot;
- As a guideline property owners or occupiers of land are requested, in addition to the applicable firebreak, to clear any flammable material or obstructions (overhanging branches of trees) which may impede the travel of fire fighting personnel and fire appliances.

LAND AREA EQUAL TO OR GREATER THAN 1 HECTARE

- Install a 2 metre wide firebreak, clear of all flammable material, immediately within the external boundaries of the lot and;
- Maintain a 15 metre wide low fuel area with a maximum vegetation height (excepting living trees, shrubs and plants) of 7.5 cm around all buildings;
- As a guideline property owners or occupiers of land are requested, in addition to the applicable firebreak, to clear any flammable material or obstructions (overhanging branches of trees) which may impede the travel of fire fighting personnel and fire appliances.

ALL OTHER LAND

(includes the Rural Smallholdings zones of Koojeda Hills, Red Courte Estate, Glenmore Park, Mokine, Clackline)

LAND AREA LESS THAN 5 HECTARES

- Install a 2 metre wide firebreak, clear of all flammable material, immediately within the external boundaries of the lot and;
- Install a 2 metre firebreak, clear of all flammable material around and within 7 metres of all buildings and fuel storage areas and maintain a 15 metre wide low fuel area with a maximum vegetation (excepting living trees, shrubs and plants) height of 7.5 cm;
- As a guideline property owners or occupiers of land are requested, in addition to the applicable firebreak, to clear any flammable material or obstructions (overhanging branches of trees) which may impede the travel of fire fighting personnel and fire appliances.

LAND AREA EQUAL TO OR GREATER THAN 5 HECTARES

- Install a 2 metre wide firebreak clear of all flammable material;
- Install a 2 metre firebreak, clear of all flammable material around and within 7 metres of all buildings and maintain a 15 metre wide low fuel area with a maximum vegetation height (excepting living trees, shrubs and plants) of 7.5 cm and;
- Firebreaks 2 metres wide shall be cleared and maintained within 7 metres around haystacks, fuel storage areas and buildings including a 15 metre wide low fuel zone with a maximum vegetation (excepting living trees, shrubs and plants) height of 7.5cm.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

- A lot greater than 200 hectares requires a 2 metre firebreak to be installed around all parcels of 200 hectares or less;
- A 2 metre firebreak is required around all stationary motors
- A 2 metre firebreak is required around all internal fences that are constructed of rubber tyres and;
- Any fences constructed of rubber tyres shall be kept clear of all flammable materials.
- As a guideline property owners or occupiers of land are requested, in addition to the applicable firebreak, to clear any flammable material or obstructions (overhanging branches of trees) which may impede the travel of fire fighting personnel and fire appliances.

ACCESS TO PROPERTY

All buildings and constructions within the Shire of Northam shall have a minimum 3 metre wide access-way with a 3 metre high vertical clearance from the property's legal access point to the buildings. The purpose of this access-way is to enable access to property improvements by emergency service vehicles and personnel in an emergency situation.

FAILURE TO COMPLY

Failure to comply with a Firebreak and/or a Fire Hazard Notice carries a maximum fine of \$1000 or a prescribed penalty of \$250 on service of an infringement.

A person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this notice if it is not carried out by the owner/occupier by the date required by the notice.

DEFINITIONS

For the purposes of this order the following definitions apply:

Firebreak—means ground from which inflammable material has been removed and in which no inflammable material (which includes vegetation) is permitted.

Hazardous Material—relates to any matter or material that can catch alight. It includes garden waste, rubbish and unslashed / long grass.

Low Fuel Area—means an area of land which has no hazardous material within it and is maintained on an ongoing basis during the firebreak period.

ALTERNATIVE ARRANGEMENTS

If it is considered impractical or undesirable to provide firebreaks as required within this order, the approval of Council must be obtained for any variation.

Approval will only be granted up to or before the 7th of November of any year, and will not be obtained unless the prior consent of the appropriate fire control officer has been obtained.

If approval is granted it will be issued in writing and remain until revoked by Council.

HARVEST , MOVEMENT OF VEHICLES AND HOT WORKS BANS

A ban on harvesting, the movement of vehicles in paddocks (except for essential watering of stock) and certain activities in open areas can be imposed during the Restricted or Prohibited burning period when the weather conditions are or are forecast to be very high or above fire danger.

All landowners, occupiers and contractors within the Shire are required to comply with these bans under the provisions of the Bush Fires Act.

3.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

A harvest ban requires the cessation of all harvesting operations within the Shire of Northam. A vehicle movement ban does not permit the movement of vehicles on properties within the Shire of Northam except for the essential watering of stock. A hot works ban is defined as a ban on the outdoor use of all welding, grinding and abrasive tools on properties within the Shire of Northam. Exemptions in accordance with Council Policy may be available. Further information is available by contacting Ranger Services on (08) 9622 7267.

The need for a ban will be advertised where possible on ABC Radio 531AM, Radio West 864 AM and the Shire of Northam Website. Ban updates can be obtained 24 / 7 from the Harvest Ban Phone Line on (08) 9621 1120 or via a free SMS service which is available upon request from the Shire of Northam (08) 9622 6100

GENERAL ADVICE

This notice gives the minimum requirements for fire control within the Shire of Northam and all residents and ratepayers are encouraged to undertake additional fire protection measures to ensure the safety of property and life. Further additional information to that contained in this notice can be obtained from the *Department for Fire and Emergency Services website www.dfes.wa.gov.au* or from the Shire of Northam website www.northam.wa.gov.au.

A permit to burn must be obtained during the Restricted Burning Period. Permits are generally subject to a number of conditions, but will not be issued for burning on Sundays or Public Holidays, unless approved by the Chief Bush Fire Control Officer.

Gas and electric barbeques are permitted at any time during the Restricted Period, but care should be exercised when using them. Solid fuel barbeques and incinerators are prohibited during the Restricted Period on days of very high or extreme fire danger. A properly constructed incinerator must be used.

Do not light any fires or use Solid fuel barbeques during the prohibited burning period. This includes open cooking or campfires.

Check the weather forecast before undertaking any burning.

RESTRICTED BURNING PERIOD 19 SEPTEMBER 2014 TO 14 NOVEMBER 2014 PERMIT TO BURN REQUIRED	PROHIBITED BURNING PERIOD 15 NOVEMBER 2014 TO 21 FEBRUARY 2015	RESTRICTED BURNING PERIOD 22 FEBRUARY 2015 TO 13 APRIL 2015 PERMIT TO BURN REQUIRED
--	---	--

Fire danger ratings and weather forecasts are available from www.bom.gov.au

The above dates may change due to seasonal fire conditions in which case the details of the changes will be published in the local press.

Permits must be issued by a designated Fire Control Officer. A list of all Fire Control Officers is available on the Shire of Northam website or by contacting your local Bush Fire Brigade or Council Offices. Burning permits are issued free of charge.

6.5 PROPOSED REVIEW OF BFAC TERMS OF REFERENCE

Name of Applicant:	Internal Staff Report
File Ref:	5.1.3.1
Officer:	John Hansen
Officer Interest:	Nil
Policy:	BFAC Terms of Reference
Voting:	Simple Majority
Date:	July 2015

PURPOSE

To present council with an updated version of the BFAC "Terms of Reference" which were last updated and accepted by council on 21st September 2011.

BACKGROUND

The current document has some typos and clarity is required when a person is placed in the position of filling multiple roles on the committee, especially if that person is also a councillor appointed as council representative. A general review of this document and the associated voting rights to bring it onto line with current expectations.

STATUTORY REQUIREMENTS

N/A.

CONFORMITY WITH THE STRATEGIC COMMUNITY PLAN

OBJECTIVE: Provide services and processes to enhance public safety.

STRATEGY C2.1: Provide community services to uphold public safety standards.

STRATEGY C2.2: Support provision of emergency services.

STRATEGY C2.3: Provide, monitor and improve adequate Bush Fire Protection provisions.

BUDGET IMPLICATIONS

N/A.

OFFICER'S COMMENT

A copy of the current document is attached as Appendix 3. As indicated above it is staff's opinion that the terms need to be reviewed and it is recommended that the working party to be established from the BFAC representatives to further refine the guidelines.

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

Shire of Northam – Bush Fire Advisory Committee (Terms of Reference)

TERMS OF REFERENCE
SHIRE OF NORTHAM BUSH FIRE ADVISORY COMMITTEE

Advisory Committee - Bush Fires Act 1954 as Amended

1. **Section 67** A Local Government may at any time appoint such persons as it thinks fit as a Bush Fire Advisory Committee for the purpose of advising the Local Authority regarding all matters relating to the preventing, controlling and extinguishing of bush fires, the planning of the layout of firebreaks in the district, prosecutions for breaches of this Act, the formation of bush fire brigades and the grouping thereof under group brigade officers, the ensuring of cooperation and coordination of bush fire brigades in their efforts and activities, and any other matter relating to bush fire control whether of the same kind, as, or a different kind from, those specified in this subsection.
2. A Committee appointed under this section shall include a member of the Council of the Local Government nominated by it for that purpose as a member of the committee, and the Committee shall elect one of their number to be chairman thereof.
3. In respect to a committee so appointed, the Local Government shall fix the quorum for the transaction of business at meetings of the committee and may -
 - (a) make rules for the guidance of the committee;
 - (b) accept the resignation in writing of, or remove any member of the committee; and
 - (c) where for any reason a vacancy occurs in the office of a member of the committee, appoint a person to fill that vacancy.
4. A Committee appointed under this sections -
 - (a) may from time to time meet and adjourn as the committee thinks fit
 - (b) shall not transact business at a meeting, unless the quorum fixed by the Local Government is present;
 - (c) is answerable to the Local Government and shall, as and when required by the Local government, report fully on its activities.

Shire of Northam – Bush Fire Advisory Committee (Rules & Guidelines)

RULES AND GUIDELINES

1. Shire of Northam Bush Fire Advisory Committee

The Council of the Shire of Northam hereby forms a Bush Fire Advisory Committee, to formulate for Council's consideration, recommendations and policy on matters relating to bush fire prevention, control and extinguishment in accordance with the Terms of Reference.

1.1 The Shire of Northam Bush Fire Advisory Committee may consist of:-

- Chief Bush Fire Control Officer (1) [also to act as Chairperson]
- Deputy Chief Bush Fire Control Officer (2)
- A Councillor representing the Shire of Northam –Voting Delegate

A nominated representative (and one deputy) from each Brigade including the Wundowie and Northam Fire & Rescue Service Brigades (9).

- Ex-Officio members may include:
 - Shire Communications Officer
 - Shire Ranger
 - Shire of Northam shall provide ex officio Administration Officer
 - Fire and Emergency Services Authority
 - Department of Environment and Conservation
 - A nominated representative (and one deputy) from each Brigade including the Wundowie and Northam Fire & Rescue Service Brigades

Each brigade representative shall have one vote. The Councillor representing the Shire of Northam shall have a vote. The Chief Bush Fire Control Officer and the (2) Deputy Chief Bush Fire Control Officers shall not have a vote unless they are representing their Brigade. CBFCA is to be the Brigade Delegate.

In the event that the nominated Brigade/FRS representative cannot attend then the Deputy Brigade/FRS representative can exercise the Brigade vote at that meeting.

The Chairperson will have a casting vote where there is a tied vote.

1.2 A quorum shall consist of one more than one half of the Voting Committee.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

Shire of Northam – Bush Fire Advisory Committee (Rules & Guidelines)

1.3 Observers may attend meetings of the Committee, but shall not be permitted to speak on any matter unless invited to do so by the Chairperson.

1.4 Recommendations of the Shire of Northam Bush Fire Advisory Committee shall be referred to Council, through the Planning and Development Committee, or direct to Council by the Chief Executive Officer.

1.5 Elections

1.5.1 Chairperson

At the Annual General Meeting of the Committee in each year, the members of the Committee shall elect one of their members to be Chairperson.

In the absence of the Chairperson, the Committee may elect one of their members to chair the meeting.

1.5.2 Election of the Local Government Officers at the Annual General Meeting

Chief Bush Fire Control Officer and Deputy Chief Bush

Fire Control Officer's Appointment:-

Section 38(1) A Local Government may from time to time appoint persons as it thinks necessary to be its Bush Fire Control Officers under and for the purposes of this Act (Bush Fires Act 1954) and of those officers shall appoint a Chief Bush Fire Control Officer and Two (2) Deputy Chief Bush Fire Control Officer who shall be the first and second in seniority.

One Deputy Chief Bush Fire Control Officer shall be appointed for the western portion of the Shire (Inkpen, Bakers Hill and Clackline Brigade areas) and one for the eastern area (Irishtown, Grass Valley Jennapullen and Southern Brook Brigade areas)

1.5.3 Election of Local Government Officers at the Annual General Meeting to be held in April each year:

The Bush Fire Advisory Committee may forward to the Shire of Northam recommendations for the following positions which will be appointed for a period of 12 months and then may be appointed for a maximum period of 4 consecutive years and then have a break of 2 years before they can be appointed to the same position:

(a) Chief Bush Fire Control Officer

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM
MINUTES
BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

Shire of Northam – Bush Fire Advisory Committee (Rules & Guidelines)

- (b) Deputy Chief Bush Fire Control Officer (2)
- (c) Fire Weather Officers
- (d) Harvest Ban Officer

Persons wishing to nominate for the above positions must meet the training requirements and be prepared to carry out the duties of the position.

1.6 Terms of Office

A person holding the position of Chief Bush Fire Control Officer and Deputy Chief Bush Fire Control Officer may seek re-election annually for a period of one (1) years making a total of 4 years in the position. After a two (2) year break from the position a person may seek re-election.

This is proposed to broaden the experience of the Fire Control Officers and will help with the succession Chief Bush Fire Control Officer and Deputy Chief Fire Control Officers.

Preferably the election of Chief Bush Fire Control Officer and Deputy Chief Bush Fire Control Officer should be staggered so that one position appointed each year e.g.:-

Year 1 - Chief Bush Fire Control Officer should be declared vacant;
Year 2 – 1st Deputy Chief Bush Fire Control Officer should be declared vacant;
Year 3 – 2nd Deputy Chief Bush Fire Control Officer should be declared vacant.

1.7 Voting for Positions of Local Government Officers

A person who nominates/is nominated for one of the positions outlined in Section 1.5.3 cannot vote for himself/herself at the Bush Fire Advisory Committee Meeting, only the brigade vote will count.

A secret ballot is to be conducted by each Brigade for the Election of their nominate for the position of Chief Bush Fire Control Officer, Deputy Chief Bush Fire Control Officer, Fire Weather Officer and Harvest Ban Officer.

The Brigades nominee or the Brigade position for an Officer is to be put as a Motion with Bush Fire Advisory members voting by a show of hands as per meeting procedure of an Advisory Committee under the Local Government Act as it is not an election but an endorsement of the majority of the Brigades selection.

BUSH FIRE ADVISORY COMMITTEE MEETING HELD ON 7 JULY 2015

Shire of Northam – Bush Fire Advisory Committee (Rules & Guidelines)

1.8 Meetings

Ordinary meetings of the committee shall be held as determined, special meetings of the Committee may be convened:

- (a) By the Chairperson;
- (b) By written notice to all Committee members, such notice being signed by at least four members of the Committee, giving not less than fourteen (14) days notice and stating purpose of the meeting;
- (c) By the Shire of Northam.

The time and venue of the meetings shall be determined by the Chairperson or the Shire of Northam, having due regard to the general convenience of the Committee members.

1.9 Procedure

Seating arrangements will cater for voting rights, with observers at the back of the meeting room.

The Committee may, from time to time, make rules for the proper conduct of its meeting or of the conduct of meetings of any sub-committee, provided that such rules are consistent with these rules.

1.10 Minutes

A copy of the minutes of the Shire of Northam Bush Fire Advisory Committee meetings shall be submitted to the Shire of Northam, through its appropriate Committee and circulated to its Advisory Committee members and brigade administration officers.

2. Reports to the Shire Of Northam Bush Fire Advisory Committee

- (a) The Chief Bush Fire Control Officer and or Deputy Chief Bush Fire Control Officers shall submit a report on their area of responsibility, to each meeting of the Shire of Northam Bush Fire Advisory Committee.
- (b) Each Brigade Captain/FCO shall submit a report of the Brigade's training activities, vehicle and equipment status and general business, to the Annual General Meeting of the Shire of Northam Bush Fire Advisory Committee.
- (c) The Shire of Northam delegate shall report on matters relevant to the Committee.

- (d) Ex officio members may provide a report on matters relevant to the Committee.

3. Reports to the Shire Of Northam

3.1 The Shire of Northam Bush Fire Advisory Committee will be responsible for reporting to and making recommendations to the Shire of Northam on but not limited to the following:-

- (a) The general management of the affairs of the brigades
- (b) The planning, setting of standards and works programs for fire prevention within the Shire of Northam area of responsibility
- (c) Activities of the Bush Fire Brigades
- (d) Subject to any direction of the Shire of Northam Bush Fire Advisory Committee, as a whole:

- (i) Ensuring the equipment in the possession or control of the Brigades within the Shire of Northam, is inspected annually by the Shire of Northam or Council nominated representative.

The Shire of Northam Building Inspector to undertake an annual inspection of Brigade and Council owned buildings to ensure safety features are in place and that buildings are maintained to Council & FESA standards.

- (ii) Making representation and recommendations to the Shire of Northam and FESA, in relation to fire fighting equipment, that should be provided in accordance with the ESL Fire Fighting Equipment Program
- (iii) Taking steps to ensure the appropriate distribution of fire equipment amongst brigades in the Shire of Northam area of responsibility
- (e) Coordinating training within the brigades of the Shire of Northam to ensure they work together efficiently
- (f) Overseeing the preparation and maintenance of an Incident Response Plan for the Shire of Northam and ensuring a Communication Plan is developed and functions across the Shire of Northam.

7. REPORTS OF DELEGATES/EXECUTIVE OFFICERS

Community Emergency Services Manager – John Hansen

- The Inkpen Fire Shed, received DFES approval today. Council has been asked to consider funding (\$30,000) to complete the associated earthworks.
- Approval was also received from DFES to add an additional bay & amenities to the existing Clackline shed.
- Depot Staff have now completed a basic introduction to fire fighting course.
- Enquiries have been made re the possible use of the criminal code to enforce verge/out of control burns outside of the restricted season, and we are now awaiting feedback from the DFES legal department.
- Stand pipe update, Dempsters paddock, all others have a BIC fitting.
- Budget permitting we will have an independent fire hazard assessment of all shire controlled land prior to the start of the fire season with an associated mitigation plan following the identification of the risks.
- Council has been asked to consider funding to complete the driveway crossover to the Bakers Hill fire shed.
- David Grossage from the Association of VBFB was unable to attend but will be making some recommendations to assist us with recruitment and retention of our volunteers.

CBFCO – Garry Shepherdson

- To start I will give a report on Grass Valley.
- The Grass Valley 3.4 is in readiness for the new season barring its' annual service.
- There has been no in house training carried out this year, which is something that has to change.
- As far as I am aware all personnel have up to date PPE.
- If you are not aware Grass Valley is supposedly on the books for a new 4.4 but time will tell.
- We had 121 fires this year which included out of district fires e.g. Bullsbrook and Boddington.
- We had very good turnouts at all fires with a special thanks to those people that tuned out to Boddington.
- On another topic, I feel that is time for the Shire of Northam to take a more active role in the bush fire fighting season. What I recommend, is that Northam Shire should supply a vehicle for the CBFCO to attend fires like that provided at Toodyay, Mundaring and Wanneroo, to name a few.
- What I suggest is that the current CESM's vehicle be retained, complete with lights, siren and radios and made available to the CBFCO to attend fires. My attendance last season was just under 8000 km.
- Thank you all from the Chief.

Bakers Hill VBFB – Ulo Rumjantsev

**BAKERS HILL
VOLUNTEER
BUSHFIRE BRIGADE**
Tames Road,
PO Box 247)
Bakers Hill WA 6562

17TH June 2015.

Report May 2014 / April 2015
April 2015 –

The past 15 months can only be described as somewhat complex* with the Brigade attending to 35 / 55 Fires and Mop ups as well as attending to fire turn outs outside our jurisdiction Waroona / Harvey, Boddington, Bullsbrook Toodyay Gingin, the Brigade has a membership of 30 and can be said to be a strong contingent, it must remembered that a majority of crew work during the day leaving a small number of 5-7 to turn out to local daily events.

Major events within Shire attended the Lakes fires strong turn out from Bakers our FCO carried Sector Command operations with Corry Munns, Clackline Highway fire could only be described as very nasty, strong turn out by Bakers also responsible for air wing control and overnight sector control all good role training, sadly crew injury sustained.

It was realised by the NEW executive that matters had to develop some New strategies:

Winter period fortnightly roster vehicle service & equipment check	(Commenced)
Hi Season weekly roster vehicle service & equipment check	(October start)
Vehicle locker inventory listed & identified placards in lockers	(90% complete)
Brigade internal training calendar	(Commenced)
MUC Team. Mop Up Crew	(Operational)
Community Perception* El Cabalo, Glenmore, Koojadda-Carlin BBQ's	(Prepared)
MEMBERSHIP DRIVE *	(Constant)
Controlled Training Bums.	(Commenced)
Regular & Christmas rosters	(under review)
Hi Season Response team.	(in review)
Know your district.	(Approved)
4 TH Lieutenant cadetship 2year period = succession plan	(before executive)
Regular executive meetings 6 per year minuted	(Commenced = 2)
Community use 600 litre auxiliary tanker trailer.	(Commenced)

It's also recognised that the Brigade Secretary was successful in gaining a Western Power grant which assisted in the purchase of two 40 litre Engel refrigerators, procured large quantity of Dexon racking which was donated from a business house, and BGC contributed 5500 bottles of water for Brigade distribution.

Complexity of membership*, this year the Bakers Brigade has had 5 members with some 35 years' experience between them retire for reasons of health and moving on we acknowledge their valuable contribution, it is felt that other than Brigade & CSEM initiative's to gain volunteers, State and Government bodies are somewhat ignorant in assisting in capturing additional team members for all Brigades, then we struggle with training. Having said that the a proportion of the team are DIDO, FIFI, or FIDO workers (problem somewhat)

8. GENERAL BUSINESS

MOTION / COMMITTEE DECISION
Minute No: BFAC.110

Moved: David Russell
Seconded: Aaron Smith

- 1. That it be recommended that Council provide a vehicle to the CBFCO for the future fire season.**
 - 2. That Council consider that the vehicle provided be the current CESM vehicle.**
- CARRIED 8/1**

MOTION / COMMITTEE DECISION

Minute No: BFAC.111

Moved: David Russell
Seconded: Blair Wilding

That Council review its policy on removing overhead standpipes including consultation with affected landowners

CARRIED 8/1

BFAC that standpipes be retained with overhead tank access is an issue for farmers to fill up safely and efficiently and consequently restricting the number of vehicles available to fight fires. Most fire units have top-fill, many don't have bottom fill capability. Need to check on previous BFAC resolution decision on standpipes.

9. DATE OF NEXT COMMITTEE MEETING

TBA.

10. DECLARATION OF CLOSURE

There being no further business, the Chairperson, Chadd Hunt declared the meeting closed at 7:46pm.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Operational matters:

Budget 2015/16

The staff are drafting the 2015/16 budget with our Corporate Business Plan agreed actions and Long Term Financial Plan goals in mind. I am advised that there do not appear to be any untoward financial issues confronting us so I hope to complete the adoption of the budget in August, once any differential rates have been advertised and endorsed.

Community Perceptions Survey

Targeted workshops with groups of residents have been held to see if the poor perceptions of Council have a basis in fact which we may be able to address. A report has been prepared and we will start addressing the various areas as time and resources permit.

Strategic matters:

Grains West

Similar to last month's Grain Research and Development Corporation (GRDC) relocation comments, I am aware that a not for profit association known as Grains West Inc. is looking to set up at the Department of Agriculture and Food site on York Road. GRDC funds such groups to undertake research work so I am optimistic that either the GRDC itself or Grains West will soon be located at the DAFWA site.

2015/16 Priority Projects

Our Long Term Financial Plan (LTFP) has identified the following projects for delivery in 2015/16:

Urban and Rural drainage improvements \$320k

Northam CBD drainage improvements \$1.7m

Aboriginal Cultural and Environment Interpretive Centre \$1.5m of the \$4.5m project

Northam CBD revitalisation \$33m. This was part of the Regional Centres Development Plan but as key State funding towards this improvement program is unlikely, this project is consequently unlikely to be initiated this year.

WALGA Avon Midlands Zone

The issue of the Wheatbelt Health MOU Group and its future beyond 2015 was a key consideration for the Zone. The end result was that the Zone will fund the group to the end of August 2015 and reassess from there.

Yongah Hill Immigration Detention Centre (YHIDC)

Our Community Reference Group meeting looked at the changing cohort of detainees in the Yongah Hill Centre. Around 450 people are currently detained at YHIDC with 1/3 of detainees being irregular maritime arrivals, 1/3 failed "character test" detainees and 1/3 other visa non compliance detainees. The Australian Border Force (ABF) commenced on 1st July and they have now jurisdiction over the centre taking over from The Department of Immigration and Border Protection (DIBP). Serco remain as the centre managers with IHMS still undertaking the medical treatment aspects.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

13.2. DEVELOPMENT SERVICES

13.2.1 RESERVE 25785 SHINGLE HILL ROAD, BAKERS HILL - APPLICATION FOR AN EXTENSION TO THE TERM OF PLANNING APPROVAL (CARRIAGE DRIVING FOR THE DISABLED)

Name of Applicant:	Denise Michels
Name of Owner:	Crown Land Vested in the Shire of Northam
File Ref:	A1201/P1665
Officer:	Chadd Hunt / Courtney Wynn
Officer Interest:	Nil
Policy:	Local Planning Scheme No.6
Voting:	Simple Majority
Date:	15 July 2015

PURPOSE

Council is requested to consider a request for an extension to the term of the planning approval P1665 granted by Council at its Ordinary Council Meeting held 15th May 2013 for the Riding for the Disabled Bakers Hill Carriage Driving Centre Inc.

The applicant is also requesting that Council waive the Planning and Building Permit fees for this application.

BACKGROUND

This application is being referred to Council for consideration as it is requesting an extension to Council's original approval which expired on 15th May 2015 to allow the Riding for the Disabled Bakers Hill Carriage Driving Centre Inc to complete building works on a portion of Reserve 25785 Shingle Hill Road, Bakers Hill.

In 2013, the Riding for the Disabled Bakers Hill Carriage Driving Centre Inc obtained planning approval to place a transportable donga, a sea container and the construction of a patio on the portion of the site that is subject to the five year lease agreement between the Shire and the Riding for the Disabled Bakers Hill Carriage Driving Centre Inc. Following assessment and public consultation, the application was referred to Council for its consideration at its Ordinary Council Meeting held on the 15th May 2013 where Council resolved the following;

That Council grant approval for Riding for the Disabled Bakers Hill Carriage Driving Centre Inc (RDBHCDC) to undertake riding and carriage driving on Reserve 39601, Bakers Hill subject to the following conditions:

1. *All development being in accordance with the approved plans.*

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

2. *All stormwater being contained on site, no runoff onto adjacent properties shall be permitted.*
3. *A Drainage Plan to be provided and approved by the Shire.*
4. *Application being made with the Shire of Northam for a building permit for the construction of the outbuilding. The building permit is to be issued prior to commencement of construction.*
5. *The outbuilding must not be used for commercial or industrial purposes, or for human habitation, unless the prior written approval of the Council is applied for and granted.*
6. *The outbuilding is to be placed at the proposed location as depicted on the submitted plan.*
7. *The sea container to be painted a colour agreed to by the RDBHCDC and the Shire of Northam.*
8. *RDBHCDC to seek permission from DEC to undertake the clearing as indicated on the accompanying plan.*
9. *The Riding for the Disabled Bakers Hill Carriage Driving Centre Inc (RDBHCDC) having a current licence for the approved site prior to occupation, with conditions as outlined in this report.*
10. *That Council monitor the clearing of the area.*

Following this planning approval, a five year lease agreement between the Shire and RDBHCDC was finalised on 18th July 2013. A Building Permit application was submitted to the Shire on 28th May 2013, however the Building Permit was never granted by the Shire due to missing information. In order to continue the Building Permit process and finalise the construction of the structures, the applicant requires an extension to the term of planning approval which expired on 15th May 2015. Clause 10.5.1 of Local Planning Scheme No.6 states the following in regard to the expiration of a planning approval term;

- 10.5.1 *Where the local government grants planning approval for the development of land -*
- (a) *the development approved is to be substantially commenced within 2 years, or such other period as specified in the approval, after the date of the determination; and*
 - (b) *the approval lapses if the development has not substantially commenced before the expiration of that period.*
- 10.5.2 *A written request may be made to the local government for an extension of the term of planning approval at any time prior to the expiry of the approval period in clause 10.5.1.*

As the structures have not been granted a Building Permit by the Shire they are not considered to be 'substantially commenced'. Therefore in accordance with Clause 10.5.1 (b) the approval has lapsed. However, as the applicant submitted a written request for an extension of the term of planning approval on 16th April 2015, prior to the date of expiry on 15th May 2015, this application is considered to be an extension to the term of the planning approval in accordance with Clause 10.5.2 of Local Planning Scheme No.6.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

The application is being referred to the July Ordinary Council Meeting as the Shire was waiting for the applicant to submit new plans and additional information, which were received on the 22nd June 2015.

The following table lists the key dates in regards to this application;

Date	Item / Outcome
23 rd May 2013	Council granted planning approval for carriage riding for the disabled subject to conditions.
18 th July 2013	The Five Year Lease agreement between the Shire and the Riding of the Disabled Association of Western Australia Bakers Hill Carriage Driving Incorporated finalised.
4 th July 2013	The Department of Environment Regulation issued a Permit to clear 2.6 hectares of native vegetation on the site.
28 th May 2013	The Shire received a Building Permit Application for the patio, dongas and sea containers.
6 th February 2015	The Shire's Building Department contacted the applicant to advise that a Building Permit had not been granted for the patio, dongas and sea containers and that the works carried out on the site were unauthorised.
16 th April 2015	The current application for an extension to the planning approval was received by the Shire.
6 th May 2015	An email was sent to the applicant requesting additional information be submitted.
15 th May 2015	The previous planning approval granted by Council on 15 th May 2013 expired.
22 nd June 2015	The applicant submitted the required information and met with Shire Officer's to discuss the application.
25 th June 2015	Officer conducted a site visit.
26 th June 2015	Report prepared for Council.

STATUTORY REQUIREMENTS

LOCAL PLANNING SCHEME NO 6

Reserve 25785 Shingle Hill Road, Bakers Hill is approximately 14.65 hectares and is reserved for 'Parks and Recreation' and denoted for Recreation purposes under Local Planning Scheme No.6.

The carriage driving for the disabled operation is a use that is not listed in Local Planning Scheme No.6 and is therefore only permitted at the discretion of the Council.

Considering that the site is also used by the Bakers Hill Adult Riding Club as an equestrian park, the use and associated facilities are consistent with a 'recreation' purpose in accordance with the site's designation.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Clause 10.5.2 of Local Planning Scheme No.6 specifies the following in regard to a request for an extension of the term of planning approval;

10.5 Term of Planning Approval

10.5.1 Where the local government grants planning approval for the development of land -

- (a) the development approved is to be substantially commenced within 2 years, or such other period as specified in the approval, after the date of the determination; and*
- (b) the approval lapses if the development has not substantially commenced before the expiration of that period.*

10.5.2 A written request may be made to the local government for an extension of the term of planning approval at any time prior to the expiry of the approval period in clause 10.5.1.

The applicant submitted a written request for an extension of the term of planning approval on 16th April 2015, prior to the date of expiry on 15th May 2015 in accordance with Clause 10.5.2 of Local Planning Scheme No.6.

PUBLIC CONSULTATION

As this is an application for an extension to the term of an existing planning approval, the application has not been readvertised for public comment. The application was previously advertised between 4th July 2012 and 17th July 2012 to surrounding land owners. During the advertising period, two submissions stating their support of the proposed were received from adjoining land owners.

CONFORMITY WITH COMMUNITY STRATEGIC PLAN / CORPORATE PLAN

OBJECTIVE S3: Provide active and passive recreation facilities and services

STRATEGY S3.2: Develop, maintain and support appropriate recreation facilities throughout the Shire

STRATEGY 3.4: Partner with stakeholders to achieve greater community participation in recreational facilities and services

Carriage Riding for the Disabled provides a recreation opportunity for those that are unable to mount a horse to experience the enjoyment of equestrian activities.

BUDGET IMPLICATIONS

The planning fee for this application is a total of \$50.00.

The applicant is requesting that Council waive the planning fee required for this application (refer to appendices).

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

The waiver of fees will result in a loss of revenue of \$185.13 GST Inclusive (\$50.00 for an extension of the planning permit and \$135.13 for building application fees) in the 2015/16 financial year.

OFFICER'S COMMENT

Approval for the installation of a septic system from the Shire's Health Department along with a Building Permit are required to complete the development, which includes the placement of a transportable office building, water tank, modification of the sea container and the construction of accessible toilets and patio area. However, as the planning approval for these works has since expired, it is necessary for the applicant to first obtain an extension to the term of the planning approval from Council.

The applicant has been working with the Shire's Building Services Department to progress with the preparation of the Building Permit to the Shire's requirements. The applicant has also obtained approval from the Department of Environment Regulation to clear 2.6 hectares of native vegetation, which allowed for the carriage, dressage and riding areas to be completed, along with the placement of two sea containers and the construction of 12 horse yards.

The structures on the subject site are currently unsightly and unusable as they have not been completed and/or are still under construction. The completion of the structures would allow the RDBHCDC to utilise the site for its intended use and positively improve the current appearance of the site and the local amenity.

The RDBHCDC provides a unique recreation opportunity for residents of the Shire of Northam and neighbouring districts who are not usually able to participate in equestrian sports independently. In addition to this, the use supports Council's strategic objective of encouraging recreation facilities on appropriate land within the Shire. Further, completion of the development would allow the RDBHCDC utilise the site to its full potential and address the aesthetic and safety issues associated with the partially complete construction.

The Council needs to consider the request to waive the associated fees. If the Council wishes to waive the fee the following point could be added to the resolution of Council;

- 2. Waive the planning and building application fees for the RDA Bakers Hill Carriage Driving Association which are associated with this application, totalling a sum of \$185.13 GST Inclusive (\$50.00 for an extension of the planning permit and \$135.13 for building application fees).**

RECOMMENDATION

That Council;

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

1. Grant approval for a two year extension to planning approval P1665 issued by Council on 15th May 2013 for Carriage Driving for the Disabled at Reserve 25785 Shingle Hill Road, Bakers Hill subject to the following conditions:
- a. All development being in accordance with the approved plans.
 - b. All stormwater being contained on site, no runoff onto adjacent properties shall be permitted.
 - c. A Drainage Plan to be provided and approved by the Shire.
 - d. Application being made with the Shire of Northam for a building permit for the construction of the outbuilding. The building permit is to be issued prior to commencement of construction.
 - e. The outbuilding must not be used for commercial or industrial purposes, or for human habitation, unless the prior written approval of the Council is applied for and granted.
 - f. The outbuilding is to be placed at the proposed location as depicted on the submitted plan.
 - g. The sea container to be painted a colour agreed to by the Riding for the Disabled Bakers Hill Carriage Driving Centre Inc and the Shire of Northam.
 - h. The Riding for the Disabled Bakers Hill Carriage Driving Centre Inc having a current licence for the approved site prior to occupation, with conditions as outlined in this report.

NOTE: A Building Permit being obtained prior to the commencement of any works.

NOTE: If the development the subject of this approval is not substantially commenced within a period of 2 years, or such other period as specified in the approval after the date of the determination, the approval shall lapse and be of no further effect.

NOTE: The development is required to comply with the Health (Treatment of Sewerage and Disposal of Effluent and Liquid Waste) Regulations 1974.

NOTE: Where an approval has so lapsed, no development shall be carried out without the further approval of the Local Government having first been sought and obtained.

NOTE: If an applicant is aggrieved by this determination there is a right of appeal under the Planning and Development Act 2005. An appeal must be lodged with the State Administrative Tribunal within 28 days of the determination.

NOTE: All structural plans and details are to be engineered and ink signed.

To: planning1@northam.wa.gov.au
Subject: RDA Bakers Hill

Riding ForThe Disabled Bakers Hill, wish to apply for an extension to their planning permit also a building permit, for the new grounds at Lot 502 Shingle Hill Road Bakers Hill.

Projects that was applied for did not get completed mainly due to the lack of guidance of a committee, which has since been remedied.

Work on the new centre has progressed really well, an area has been cleared for the arena and another area for harnessing up the carriages, also a parking area. The area has been partially fenced when our planning permit ran out. The office building has been put in place as has the sea Container for RDA's use. The Surveyor has seen the plans, the Drafting and Designer has done up all the plans, the energy efficiency certificate has been done and the engineer has completed his work. The plans will now be given back to the surveyor to be finished off.

We still need to purchase a rain water tank, install a septic system, modification to the Sea container and build a patio on to the office area, and the fencing finished.

In view of the fees we have incurred with compliance certification and work still to be completed RDA Bakers Hill would appreciate the fees being waived for the planning and building permits.

Yours Sincerely
Denise Michels Secretary RDA BH

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

13.2.2 ADOPTION OF SCHEME AMENDMENT NO 2 TO LOCAL PLANNING SCHEME NO 6 – REZONING LOCATION: LOT 402 EAST STREET, NORTHAM FROM “RESERVE – PARK AND RECREATION” TO A “RESIDENTIAL R20” ZONING

Name of Applicant:	Internal Staff Report
Name of Owner:	Shire of Northam
File Ref:	A10763
Officer:	Chadd Hunt / Roy Djanegara
Officer Interest:	Nil
Policy:	Local Planning Scheme No.6 Northam Regional Centre Growth Plan Planning & Development Act 2009 Planning Regulations 2009
Voting:	Simple Majority
Date:	22 June 2015

PURPOSE

Council is requested to adopt scheme amendment No. 2 to Local Planning Scheme No.6 for the zoning of Lot 402 East Street, Northam from ‘Reserve – Park and Recreation’ to ‘Residential R20’ zoning in accordance with the recommendation that the land be converted to freehold and sold in the Shire’s Land Rationalisation Strategy.

BACKGROUND

Council at its Ordinary Meeting on the 20th November 2013 Council resolved to authorise the sale of Lot 402 once it has been zoned to ‘Residential R20’ and the drainage easement issue resolved. The proceeds of the sale are to be placed into the Shire of Northam ‘Recreation Reserve’.

The subject land (Lot 402 on Plan 13407, formerly known as Reserve 37451) is located in the corner of East Street and Frankish Road. No formal street address has been allocated to the subject land as yet, therefore, it is considered necessary to clarify that Lot 402 East Street is also known as Lot 402 Frankish Road. For the purpose of this report, it will be referred to as Lot 402 East Street.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

The following table lists the key dates in regards to this application.

Date	Item / Outcome
20 th March 2013	Council formally adopts the Land Rationalisation Strategy which recommends that Lot 402 be converted to freehold and sold for development.
13 th August 2014	The transfer of land from the Department of Lands to the Shire of Northam had been concluded.
18 th December 2014	The Shire received an offer to purchase the land from the Northam City Room Gospel Trust.
21 st January 2015	The Council resolve not to accept the offer.
18 th February 2015	Council resolved to initiate Scheme Amendment no.2
28 th April 2015	EPA determines that the Scheme Amendment does not require assessment under the EP Act.
7 th May 2015	Advertising of Scheme Amendment no.2 commenced
19 th June 2015	Advertising of Scheme Amendment no.2 closed
22 nd June 2015	A report is prepared for Council adoption

The purpose of the Scheme Amendment is to remove the reservation of Lot 402 East Street Northam, under Local Planning Scheme No. 6 and zone the subject land 'Residential R20'.

Lot 402 East Street, Northam, is currently a local reserve under the Shire of Northam Local Planning Scheme No. 6. As the land is located in close proximity to several local reserves and low-density residential development, the removal of the Reserve would not compromise opportunities for recreation and/or conservation. Rezoning of Lot 402 to permit medium-density residential development will contribute to housing growth in the town of Northam without placing a burden on local infrastructure and services.

Council resolved at its Meeting held 18th February 2015 to initiate an amendment to its Local Planning Scheme No 6, pursuant to Section 75 of the Planning and Development Act 2005 to zone Lot 402 East Street, Northam from 'Reserve – Park and Recreation' to 'Residential R20'.

Following Council's resolution, the proposed Scheme Amendment 2 was advertised for public comment, with two submissions received during the 42 day advertising period.

STATUTORY REQUIREMENTS

LOCAL PLANNING STRATEGY NO.6

The Shire local planning strategy 6 stipulates that one of its aims is to ensure a sufficient supply of suitably zoned and serviced residential land in the Shire to provide a wide choice of lot sizes and housing types to suit the needs of all sectors of the community including that required to accommodate the elderly in convenient and central locations.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

To achieve this, the strategy lists a number of actions including to identify the preferred location for future residential development in the Shire's established settlements having regard for land capability and servicing requirements.

Lot 402 is identified to be one of the preferred locations for future residential development in the town of Northam.

LAND RATIONALISATION STRATEGY

The Shire's Land Rationalisation Strategy is the Shire's strategic document that identifies appropriate courses of action in relation to each of the Shire's landholdings (freehold and crown land reserves) located throughout the Shire of Northam. The Strategy has identified Lot 402 as being ideal for residential development and recommends that Lot 402 be converted to freehold and sold for development.

NORTHAM GROWTH PLAN

The Northam Growth Plan has regard to residential development and specifies the following objectives:

'Encourage both infill and expansion of residential areas to provide increased supply of a range of lots and a greater diversity of housing types.'

'A community desire to see a mix of dwelling sizes and types, with apartments and townhouses being located around the town centre and larger single residential lots on the periphery of the town site;'

'More industrial, commercial and residential land supply and allow for medium density to aid the development of partially developed or underdeveloped land parcels;'

It should be noted that the proposed lots for the scheme amendment are identified as being located within 'The Woodley Precinct' in the Northam Growth Plan. The Northam Growth Plan specifies the following in regard to this precinct:

'Currently developed as low density residential.'

The proposal would allow for additional medium density residential development within the existing Northam townsite to occur which is consistent with the residential development objectives of the Northam Growth Plan.

PUBLIC CONSULTATION

Public consultation was carried out in accordance with the *Town Planning Regulations 1967* which outlines advertising requirements for proposed Local Planning Scheme Amendments.

A copy of the location map, application report and cover letter were sent to all surrounding property owners in Frankish Road, East Street and Woodley Farm Drive. The proposal

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

was also advertised on the Shire's website, a notice placed in the local newspaper for two consecutive weeks, a notice board was placed on site for 42 days and the amendment documents were made available for inspection at the Shire offices.

During the advertising period, two submissions were received from adjoining land owners (refer to attachment for a summary of the submissions). One submission raised concerns in relation to the possible impact of higher density housing development on their adjoining property and drainage. The other submission support the scheme amendment. Details of the submission along with the Officers response can be found in the Schedule of Submissions.

In addition, the application was referred to the Environmental Protection Authority (EPA) to determine that the rezoning of this site will not have any adverse impacts on the environment. In response to the proposed rezoning, the EPA advised the following;

After consideration of the information provided by you, the EPA considers that the proposed scheme should not be assessed under Part IV Division 3 of the Environmental Protection Act 1986 (EP Act) and that it is not necessary to provide any advice or recommendations.

Please note the following:

- *For the purposes of Part IV of the EP Act, the scheme is defined as an assessed scheme. In relation to the implementation of the scheme, please note the requirements of Part IV Division 4 of the EP Act.*
- *There is no appeal right in respect of the EPA's decision to not assess the scheme.*

CONFORMITY WITH COMMUNITY STRATEGIC PLAN

OBJECTIVE E1: Support business and investment opportunities

STRATEGY E1.6: Proactively market the region's business opportunities and attractive lifestyle.

The proposed scheme amendment will provide business opportunity for private sector in a development of residential subdivision.

BUDGET IMPLICATIONS

The administrative fees to progress a Scheme Amendment to Local Planning Scheme No 6 are specified in the Shire of Northam's Schedule of Fees and Charges, based on an hourly rate.

This fee will be waived as it is Council's own land.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

OFFICER'S COMMENT

In considering the proposal, the initiation report was assessed against a number of strategic documents, of which some of the more relevant strategies for this amendment are discussed in turn below;

NORTHAM REGIONAL CENTRE GROWTH PLAN (2012)

The Northam Regional Centre Growth Plan provides strategies for the growth of the Shire within the context of the 'Super Towns' framework. The subject land is located within the 'Woodley' precinct, which is identified for "residential expansion".

The Plan notes several issues relating to infrastructure, in particular, a lack of data and need for upgrading of the local drainage network. It is possible that the drainage channel running through the subject land is impacted by this issue. However, any necessary upgrades can be addressed at the subdivision stage through a stormwater management plan.

SHIRE OF NORTHAM LOCAL PLANNING STRATEGY (2013)

The Shire of Northam Local Planning Strategy lays out the long-term strategic vision for development and growth in the local government area. The objective for housing is as follows:

To ensure a sufficient supply of suitably zoned and serviced residential land in established settlements to accommodate future housing growth and to provide for housing choice and variety in neighbourhoods with a community identity and high levels of affordability, accessibility, safety, sustainability and visual amenity.

The Strategy stresses the need to consolidate existing residential areas and curtail 'sprawl'. Lot 402 is located within the Northam townsite and is surrounded by residential land zoned for low-density suburban development. The rezoning of this land for infill residential development is consistent with the overarching housing principles in the Strategy.

It is noted that the settlement objectives for the plan include delaying rezoning or urban expansion areas in the short to medium term. The subject land is not considered to be an 'urban expansion' area in the strict sense; it is a unique case. It is surrounded by land that has already been zoned for infill development, and applying a similar zoning to Lot 402 will ensure consistency with surrounding development, and a gradual transition from more-dense to less-dense development on the townsite edge.

DEVELOPMENT PROPOSAL

The Shire of Northam does not have a development proposal for Lot 402 at this stage. It is not the Shire's intention to develop the land itself, but rather to dispose of the land to a third party. Any subdivision or development plans by the prospective purchaser will, by necessity, occur through a detailed design process and in cooperation with various

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

referral authorities. At this stage, it is suffice to consider that the land be suitable to be developed for residential purposes to a maximum density of R20.

RATIONALE FOR PROPOSED 'RESIDENTIAL R20' ZONING

Strategic planning tools for the region consistently reference consolidation of the Northam townsite and promotion of residential infill development. The proposed rezoning will facilitate residential development at a suburban scale within the townsite limits. The site is well located for infill development as it is surrounded by land zoned for suburban residential development and close to the town centre. Although servicing of the site and possible upgrades to the drainage channel will need to be addressed at subdivision stage, these matters are resolvable. The location of the land within an area identified for infill development and the townsite limits indicates that servicing and upgrades will be inevitable over the medium-term; rather it is the timing and detailed planning of these that must occur prior to development.

The other matter that must be considered is the 'loss' of Lot 402 as public open space and consistency of this outcome with Liveable Neighbourhoods principles. Lot 402 is considered to be most appropriately considered at the scale of a 'Neighbourhood Park' despite not having been fully developed for this purpose. Neighbourhood Parks are to be provided within 400m of each dwelling. The Northam Regional Centre Growth Plan includes a public open space analysis mapping the 400m catchment of parks in the local area that is useful at this point. There are two conclusions that can be drawn from the Northam Regional Centre Growth Plan. Firstly, Lot 402 has not been identified for upgrading to a functional Neighbourhood Park and therefore does not perform a vital role in the Shire's public open space strategy. Secondly, the 'loss' of the reserve for recreation purposes has minimal impact on the 400m catchment analysis. The 'gap' that can be identified to the north of Lot 402 and immediately south of Yilgarn Avenue is the existing industrial area and application of the Liveable Neighbourhoods principles is not appropriate here.

It should also be noted that Liveable Neighbourhoods provides that 'Local Parks' of up to 3,000m² should be provided within 150 to 300 metres of all dwellings. Subdivision of Lot 402 to its maximum yield under the proposed density will necessitate provision of public open space. The detailed design and location of a Local Park can be addressed at this stage, however, provision of the Local Park will aid in negating the 'loss' of the current reserve on the immediate area.

In addition there is significant undeveloped Public Open Space located to the south of the subject property which can be enhanced to provide greater amenity to the local area.

The proposed rezoning of Lot 402 to Residential R20 is consistent with the local planning framework objectives in relation to residential infill without jeopardising policy principles for provision of reserves. The proposed density is compatible with its setting and aids the transition from R30 zoning to the west through to R2.5 zoning to the east.

CONCLUSION

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

The proposed Scheme Amendment will remove the reservation of Lot 402 East Street, Northam under Shire of Northam Local Planning Scheme 6 and assign a zoning of 'Residential R20'. The zoning will allow for the Shire of Northam to dispose of the land and create an opportunity for residential infill development in the town. The proposed zoning is consistent with the surrounding land uses and zonings and the future vision for townsite development.

During the advertising period, two submissions were received - one from an adjoining land owner who wishing to retain the rural town outlook and expressing concerns in regard to stormwater runoff issues; the second submission in support of the Amendment. It should be noted that this application is not proposing any buildings or other development, it is proposing a scheme amendment to zone the lot under Local Planning Scheme No.6 only. It is considered that the concerns raised in the first submission can be sufficiently addressed at the development stage. In addition to this, it is considered that the zoning of this site and subsequent possible development approval of Residential dwellings on this site would not have a detrimental impact upon the amenity of surrounding residences.

The proposed zoning is consistent with the following principles identified in key strategic planning tools for the region:

- Encourages consolidation of existing residential areas within the Northam townsite;
- Provides new and diverse housing opportunities;
- Does not conflict with surrounding land uses or the nearby industrial precinct; and
- Does not undermine Liveable Neighbourhoods principles in relation to provision of public open space through 'loss' of the existing reserve.

Based on the above, it is recommended that Council resolve to adopt the Amendment to its Local Planning Scheme No 6, pursuant to Section 75 of the Planning and Development Act 2005 to rezone Lot 402 East Street, Northam from 'Reserve – Park and Recreation' zoning to a 'Residential R20' zoning.

RECOMMENDATION

That Council;

- 1. Resolve to adopt Amendment No. 2 to its Local Planning Scheme No 6, pursuant to Section 75 of the Planning and Development Act 2005, to remove to reservation of Lot 402 East Street, Northam for 'Reserve – Park and Recreation' and zone Lot 402 East Street, Northam, 'Residential R20' without modification.**
- 2. Authorise the Chief Executive Officer and Shire President to affix the common seal to Amendment No.2 documents.**
- 3. Forward the scheme amendment documents to the Western Australian Planning Commission with a request for final approval by the Minister for Planning.**

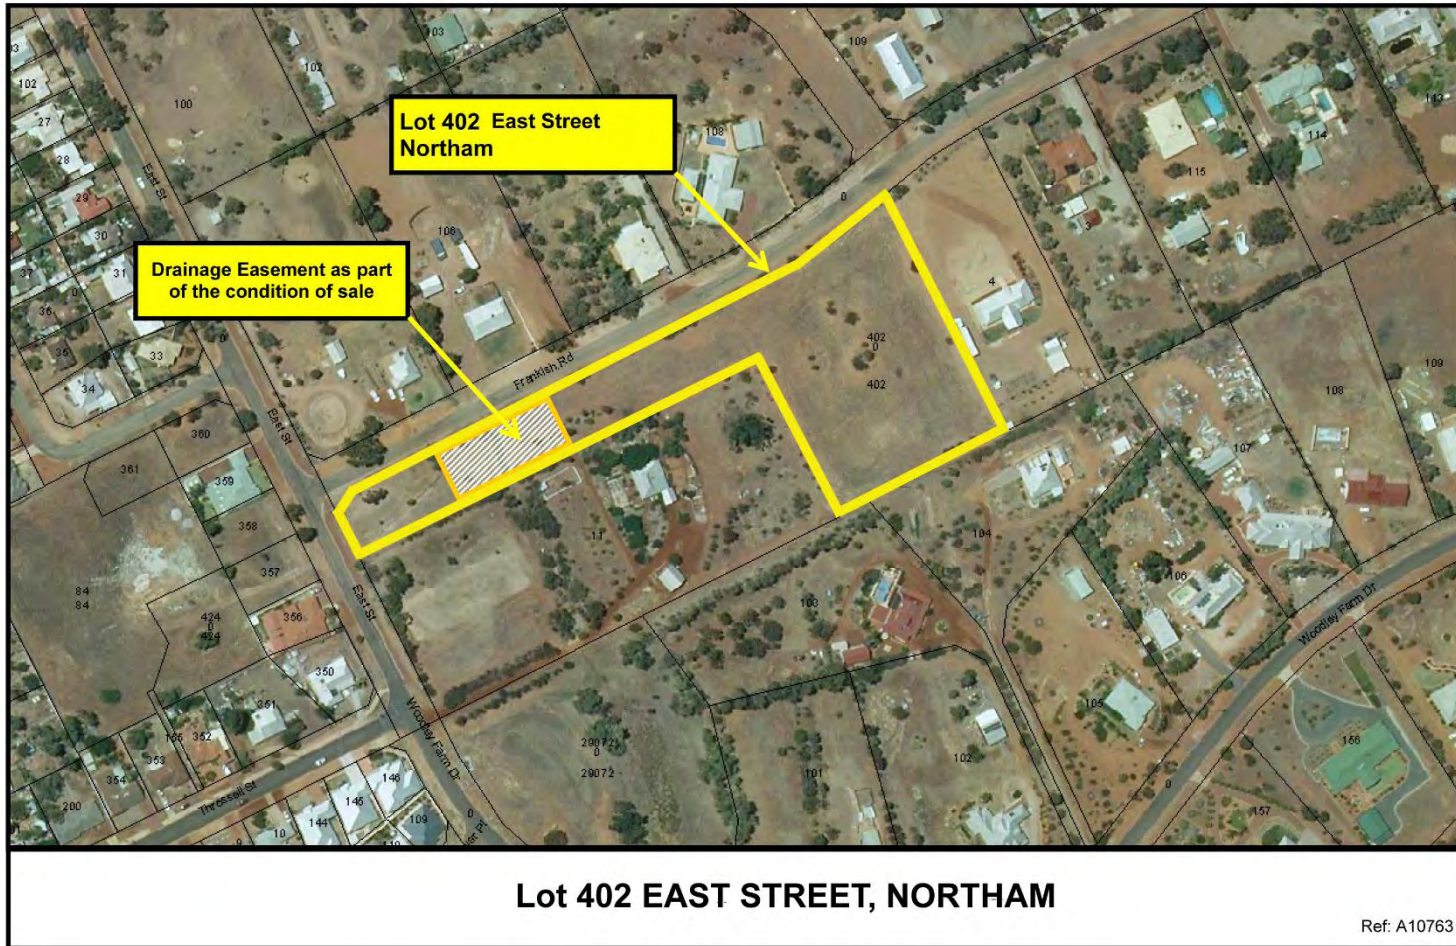

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

4. Notify those persons who made a submission during the advertising period of Council's decision.
5. Following final approval of Amendment 2, a further report be provided to Council, to determine the most appropriate method of sale/disposal.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Shire of Northam Local Planning Scheme No.6
Proposed Scheme Amendment 2 to Local Planning Scheme No.6
Schedule of Submissions

Number	Submission	Applicants Response	Officers Comment
1	<p>1. Destroy life style Choice Rural Town – Rural Outlook Do not want any further development. Our property (3) Frankish Road has already been rezoned from Special Residential to R20 without our knowledge. We do not want to be bulldozed into high residential living.</p> <p>2. Drainage Our property (3) Frankish Road already receives a huge amount of ‘Run off’ stormwater from Woodley Estate and Frankish Road. With increased ‘run off’ from rooftops / driveways/roads (even with new drainage in place) we will still be underwater during down falls of rain. The huge drain which exists between no 1 and no 3 Frankish Road is ‘eating’ into our property boundary. We have lost soil, and fence into drain as it tries to cope with water volume.</p>	<p>The proposed R20 zoning is consistent with the zoning of nearby residential areas and the principles of the Local Planning Strategy. The Local Planning Scheme No.6 identifies a need to consolidate the existing town site and curtail sprawl. Redevelopment of the site and general suburban development are variously noted in several major strategic documents for the precinct, including the Northam Land Release Plan and Northam Regional Centre Growth Plan. The zoning is not out of context for both the existing surrounding zoning situation or future directions for the precinct.</p> <p>Prior to subdivision occurring it will be necessary to prepare a stormwater management plan. This document will assess the current drainage situation and provide solutions for effective urban water management during and post development. It is a standard requirement for run-off from urban development be contained on site or directed to the local stormwater network.</p>	<p>The zoning of Lot 402 to ‘Residential R20’ does not contravene any strategies or policies and is consistent with the principles of the Shire’s Local Planning Strategy.</p> <p>The stormwater issue referred to is primarily from the creek in the south of Northam. Future subdivision of Lot 402 will not exacerbate this problem, particularly with appropriate stormwater management conditions applied as conditions of approval.</p>

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

1.0 Purpose of Scheme Amendment

The purpose of the Scheme Amendment is to remove the reservation of Lot 402 Frankish Road, Northam, under Local Planning Scheme No. 6 and zone the property 'Residential R20'.

Figure 1a: Current 'Reserve'

Figure 1b: Proposed 'Residential R20' Zoning

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

2.0 Background

Lot 402 Frankish Road, Northam, is currently a local reserve under the Shire of Northam Local Planning Scheme No. 6. The Shire intends to dispose of the land, however, prior to doing so, it wishes to zone the land to a zoning that would allow for future development. The land is located in close proximity to several local reserves and low-density residential development, and removal of the Reserve would not compromise opportunities for recreation and/or conservation. Rezoning of Lot 402 to permit low-density residential development will contribute to housing growth in the town of Northam without placing a burden on local infrastructure and services.

3.0 Site Context

3.1 Land Tenure

Lot 402 Frankish Road, Northam, is known as Lot 402 on Plan 13407. The land is owned by the Shire of Northam. The Certificate of Title is provided in Appendix 1 to this report.

3.2 Existing and Surrounding Land Uses

Lot 402 Frankish Road is currently vacant and has been functioning as a local reserve for drainage and passive recreation purposes. An unconstructed drainage channel runs through the western portion of the lot.

Figure 2: Street View of Lot 402 Frankish Road, Northam, from East Street

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Development immediately surrounding the land is of a low-density, semi-rural residential character. The zoning of these properties ranges from R2.5 to R20, although development to the maximum density has not occurred. Low-density suburban residential development (zoned R30 but not developed to maximum density) lies approximately 400m west of the site, merging into the Northam town centre approximately 1.5km to the west of the site. Many of the properties in the area are being used for keeping horses or similar 'hobby' scale rural uses. A light industrial area sits 400m to the north of the site and current uses include fabrication, automotive repair and panel-beating, building/construction, refrigeration, equipment hire and hardware retail.

Lot 402 is located in close proximity to a number of local reserves, the closest being 150m to the south. The Henry Street Oval and associated recreation facilities are located approximately 800m north-west of the site.

A Location Plan is provided in Appendix 2 to this report.

3.3 Site Characteristics

Lot 402 Frankish Road is 1.42 hectares in area and of an irregular shape. It has 260m frontage to Frankish Road and approximately 23m frontage to East Street.

There is an unconstructed drainage channel running north to south across the site and connecting to a culvert from the Frankish Road frontage. When the property is sold, the Shire of Northam will require that an easement be created to protect the drainage channel. The easement will affect 1,505m² of the site and an indicative plan is provided in Appendix 3.

Figure 3: Drainage Channel Traversing Lot 402 and Culvert at Frankish Road

Lot 402 Frankish Street is mostly cleared of vegetation with some sparse native trees and shrubs remaining, mostly within the verge. The site is predominantly grassed and photographs taken during winter indicate that several annual weed species are present. The site has a mild to moderate fall from the north-east to south-west toward East Street. The site is not affected by the floodplain and associated Special Control Area surrounding the Avon River.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Figure 4: View Toward East Street Demonstrating Site Fall

Above-ground power lines are located in the verge to both street frontages. A sealed pedestrian footpath runs along the East Street frontage. An open channel drain runs parallel to Frankish Road and is in poor condition along the frontage to Lot 402.

4.0 Planning Framework

4.1 State Planning Policies

4.1.1 SPP2.4 Basic Raw Materials

The subject land is located within the Northam townsite and is not within 1km of an identified extraction area.

4.1.2 SPP2.9 Water Resources

The SPP2.9 refers to the principles of the total water management cycle. Specific guidance for this is provided in publications from the Department of Water on urban water management. In accordance with Department of Water guidelines, a Local Water Management Strategy is not required to accompany the Scheme Amendment for infill development of this scale. Preliminary discussions with Department of Water indicate that it is preferable for the drainage channel to be located within a reserve and a stormwater management plan will be required, however, these are issues to be addressed at the subdivision design stage.

4.1.3 SPP4.1 State Industrial Buffer (Amended) (Draft)

The principles of the State Industrial Buffer policy are intended to prevent land use conflict between industrial uses and sensitive land uses such as residential development. It is important

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

that any new residential infill area located in proximity to an industrial area will not prejudice the ongoing operation and growth of the existing industries. The subject land is located approximately 400m south from an existing industrial development. However, uses activities within this development are generally 'light' in nature and generic separation distances provided in the EPA's Guidance for the Assessment Environmental Factors No. 3 Separation Distances Between Industrial and Sensitive Land Uses are between 100 and 300m. One exception is metal fabrication, for which the EPA recommends a minimum separation of 500m. However, the existing metal fabrication businesses are located within the centre of the industrial area where this minimum would be achieved. The Shire has received no complaints to suggest that noise emissions from the industrial area are having a negative impact on the existing residential land surrounding Lot 402.

4.1.4 SPP3.7 Planning for Bushfire Management (Draft)

The subject land is not located in close proximity to significant vegetation areas and is unlikely to be assessed as being located in a high risk area. The site is within the Northam townsite limits and fire management principles can be examined in depth at the subdivision and construction stages.

4.2 Development Control Policies

4.2.1 DCP 2.2 Residential Subdivision

DCP2.2 provides a number policy measures relating to the subdivision of residential land. The majority of these are most appropriately addressed through the detailed subdivision process. However, requirements in relation to sewer connection are relevant at this stage in assessing the capability of the land for residential development. The land is not currently connected to the town sewer system. The DCP2.2 flags that residential subdivision should have regard to the draft Country Towns Sewerage – Subdivision Policy 2002. It should be noted that the Department of Health released a draft Government Sewerage Policy 2011 to replace the earlier policy. The 2011 policy generally recommends minimum lot sizes of 1,000m² to 2,000m² for residential subdivisions not connected to sewer. While these lot sizes are far greater than the minimum lot size permitted under the proposed zoning, they are achievable on the subject land. Alternatively, the Shire or developer may extend the town sewer system in the future allowing for more intense development. These are matters to be resolved in detail at the subdivision stage, and it is sufficient at this point to note that sewer connection will impact the design of future subdivision but not conflict with the proposed zoning.

4.3 Liveable Neighbourhoods

Liveable Neighbourhoods provides guidance for the design of communities within Western Australia and is the preeminent tool for residential planning in the state. The principles of the document are most applicable to the subdivision design process, however, it is appropriate to consider provisions in relation to public open space at this stage due to the effective 'loss' of the existing reserve. Liveable Neighbourhoods requires 'Neighbourhood Parks' upwards of 3,000m² to be provided within 400m of all dwellings. The existing reserve most appropriately fits in this category by virtue of its size and location, although it has not been developed to function as a

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Neighbourhood Park. When considered within its context, however, the 'loss' of Lot 402 as public open space does not undermine the overarching principles contained within Liveable Neighbourhoods. This issue is discussed at length in Section 6 of this report.

4.4 *Avon Arc Sub Regional Strategy (2001)*

The Avon Arc Sub Regional Strategy identifies Northam as the Regional Service Centre for the Avon region. A key strategy for settlement in the region is the consolidation of existing urban centres, including the town of Northam. The subject land falls within the "urban settlement" area of the Strategy's Land Use Plan. Rezoning of the Reserve to allow for further residential development is consistent with the principles of consolidation and growth contained within the Strategy.

4.5 *Northam Regional Centre Growth Plan (2012)*

The Northam Regional Centre Growth Plan provides strategies for the growth of the Shire within the context of the 'SuperTowns' framework. The subject land is located within the 'Woodley' precinct, which is identified for "residential expansion".

The Plan notes several issues relating to infrastructure, in particular, a lack of data and need for upgrading of the local drainage network. It is possible that the drainage channel running through the subject land is impacted by this issue. However, any necessary upgrades can be addressed at the subdivision stage and through a stormwater management plan.

4.6 *Northam Land Release Plan (2002)*

The Northam Land Release Plan is associated with the Country Land Development Program. It is a tool to guide the short-term management and release of land within the Northam area to ensure land supply is adequate and economically sustainable.

The Dwelling Potential analysis within the plan identifies the subject land as "Greenfield with 6-20 Dwelling Potential". On the basis of a simple lot yield calculation, the proposed R20 zoning would allow for development of 32 lots. In practicality, this is not achievable due to the need to protect the existing drainage channel and provide access to the interior of the site. A lot yield closer to 20 lots is a more realistic outcome and would be consistent with the potential identified in the Northam Land Release Plan.

The site is not then subsequently assessed in detail as part of the Land Release and Investigation Area analysis, however, this should not be taken to mean that development of the site is unacceptable. Firstly, the acknowledgement of the land as having development potential rather than remaining reserved implies that residential infill can be appropriate. Secondly, the site is small and discrete and development will not require the layers of detailed planning typically necessary for large development investigation areas. Thirdly, the lifespan of the Plan is stated as five years, and any application must acknowledge the present context of the subject land. Finally, the principles of the Plan focus on infill development within the townsite and

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

accommodating anticipated growth. The rezoning of Lot 402 for low-density residential purposes is consistent with these principles and not explicitly in conflict with any specific designation assigned in the Plan.

4.7 *Shire of Northam Local Planning Strategy (2013)*

The Shire of Northam Local Planning Strategy lays out the long-term strategic vision for development and growth in the local government area. The objective for housing is as follows:

To ensure a sufficient supply of suitably zoned and serviced residential land in established settlements to accommodate future housing growth and to provide for housing choice and variety in neighbourhoods with a community identity and high levels of affordability, accessibility, safety, sustainability and visual amenity.

The Strategy stresses the need to consolidate existing residential areas and curtail 'sprawl'. Lot 402 is located within the Northam townsite and is surrounded by residential land zoned for low-density suburban development. The rezoning of this land for infill residential development is consistent with the overarching housing principles in the Local Plan Strategy.

It is noted that the settlement objectives for the plan include delaying rezoning or urban expansion areas in the short to medium term. The subject land is not considered to be an 'urban expansion' area in the strict sense; it is a unique case. It is surrounded by land that has already been zoned for infill development, and applying a similar zoning to Lot 402 will ensure consistency with surrounding development and a gradual transition from more-dense to less-dense development on the townsite edge.

5.0 **Development Proposal**

5.1 *Proposed Development*

The Shire of Northam does not have a development proposal for Lot 402 at this stage. It is not the Shire's intention to develop the land itself, but rather to dispose of the land to a third party. Any subdivision or development plans by the prospective purchaser will by necessity occur through a detailed design process and in cooperation with various referral authorities. At this stage, it is suffice to consider that the land be developed for residential purposes to a maximum density of R20.

5.2 *Servicing*

The subject land is located within the Northam townsite and has access to scheme water and power. It is acknowledged that no sewer connection is available at this stage. This issue can be resolved at the subdivision stage, either through subdivision design appropriate to non-sewered lots or through arrangements to upgrade and extend the town sewer network.

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

5.3 *Environmental Considerations*

The land has been predominantly cleared and remaining vegetation does not provide significant habitat.

GIS datasets available through State Government agencies indicate that the site is not burdened by high acid sulphate soils risk, wetlands or water bodies, contaminated site status, 'Bush Forever' areas or other environmental features that might impact development potential.

The predominant use of the land under the proposed zoning is residential and activities that might generate noise, dust, waste or use of hazardous materials are not generally permitted within residential developments. Any future proposal for non-residential land uses that might have an impact on the local environment would be assessed having regard for the residential zone objectives and land use classifications under the Local Planning Scheme.

The site is located within the Northam townsite and is not at high-risk for bushfires. General fire management strategies would be required at the development stage through compliance with the Building Code of Australia and relevant legislation.

5.4 *Heritage Considerations*

The subject site is not included on the State Heritage List or Shire of Northam's Municipal Heritage Inventory, nor is it impacted by a Registered Aboriginal Heritage Site.

5.5 *Amenity Considerations*

The surrounding land is zoned for residential infill development at a range of densities. The proposed R20 development is consistent with the overall zoning pattern and contributes to a gradual increase in density approaching the edge of the townsite.

It is acknowledged that the immediate surrounds are not currently developed to the maximum density permitted under the zoning. Notably, a number of properties are currently being used for the keeping of horses in addition to residential purposes. In the short term, there is potential for minor conflict between housing of a suburban nature and housing of a rural-residential nature, particularly in relation to animals and rural fencing. This is not because the proposed rezoning is incompatible with its setting or the local planning framework; rather conflict may arise during a period of transition as the various landowners develop at different timeframes. Strategies to enhance amenity should be considered at the subdivision and detailed design stage.

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

6.0 Rationale for Proposed 'Residential R20' Zoning

6.1 Consistency with Planning Framework

Strategic planning tools for the region consistently reference consolidation of the Northam townsite and promotion of residential infill development. The proposed rezoning will facilitate residential development at a suburban scale within the townsite limits. The site is well located for infill development as it is surrounded by land zoned for suburban development and close to the town centre. Although servicing of the site and possible upgrades to the drainage channel will need to be addressed at subdivision stage, these matters are resolvable. The location of the land within an area identified for infill development and the townsite limits indicates that servicing and upgrades will be inevitable over the medium-term; rather it is the timing and detailed planning of these that must occur prior to development.

The other matter that must be considered is the 'loss' of Lot 402 as public open space and consistency of this outcome with Liveable Neighbourhoods principles. As stated previously, Lot 402 is considered to be most appropriately considered at the scale of a 'Neighbourhood Park' despite not having been fully developed for this purpose. Neighbourhood Parks are to be provided within 400m of each dwelling. The Northam Regional Centre Growth Plan includes a public open space analysis mapping the 400m catchment of parks in the local area that is useful at this point:

Figure 5: Excerpt from Northam Regional Centre Growth Plan Open Space and Recreation Analysis

There are two conclusions that can be drawn from the Northam Regional Centre Growth Plan. Firstly, Lot 402 has not been identified for upgrading to a functional Neighbourhood Park and therefore does not perform a vital role in the Shire's public open space strategy. Secondly, the 'loss' of the reserve for recreation purposes has minimal impact on the 400m catchment analysis. The 'gap' that can be identified to the north of Lot 402 and immediately south of

SHIRE OF NORTHAM

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

Yilgarn Avenue is the existing industrial area and application of the Liveable Neighbourhoods principles is not appropriate here.

It should also be noted that Liveable Neighbourhoods provides that 'Local Parks' of up to 3,000m² should be provided within 150 to 300 metres of all dwellings. Subdivision of Lot 402 to its maximum yield under the proposed density will necessitate provision of public open space. The detailed design and location of a Local Park can be addressed at this stage, however, provision of the Local Park will aid in negating the 'loss' of the current reserve on the immediate area.

The proposed rezoning of Lot 402 to Residential R20 is consistent with the local planning framework objectives in relation to residential infill without jeopardising policy principles for provision of reserves. The proposed density is compatible with its setting and aids the transition from R30 zoning to the west through to R2.5 zoning to the east.

7.0 Conclusion

The proposed rezoning will remove the reservation of Lot 402 Frankish Road, Northam under Shire of Northam Local Planning Scheme 6 and assign a zoning of 'Residential R20'. The rezoning will allow for the Shire of Northam to dispose of the land and create an opportunity for residential infill development in the town. The proposed zoning is consistent with the surrounding land uses and zonings and the future vision for townsite development.

The proposed rezoning is consistent with the following principles identified in key strategic planning tools for the region:

- Encourages consolidation of existing residential areas within the Northam townsite;
- Provides new and diverse housing opportunities;
- Does not conflict with surrounding land uses or the nearby industrial precinct; and
- Does not undermine Liveable Neighbourhoods principles in relation to provision of public open space through 'loss' of the existing reserve.

SHIRE OF NORTHAM
AGENDA
ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE STATEMENT OF FINANCIAL ACTIVITY

FOR THE PERIOD 1 JULY 2014 TO 31 MAY 2015

3. INFORMATION ON BORROWINGS (Continued)

(b) New Debentures - 2014/15

The Shire of Northam does not propose to raise any new debenture in 2014/15.

(c) Unspent Debentures

Council had no unspent debenture funds as at 30th June 2014, it is not expected to have any unspent debenture funds as at 30th June 2015.

(d) Overdraft

Council has not utilised an overdraft facility during the financial year although an overdraft facility of \$100,000 with the Bank of Western Australia does exist. It is not anticipated that this facility will be required to be utilised during 2014/15.

AGENDA

ORDINARY COUNCIL MEETING TO BE HELD ON 15 JULY 2015

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE STATEMENT OF FINANCIAL ACTIVITY

FOR THE PERIOD 1 JULY 2014 TO 31 MAY 2015

4. RESERVES (Continued)

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Aged Accommodation Reserve

Provision of future capital works requirements for aged units at Kuringal Village, Wundowie, and other sites within the Shire of Northam.

Employee Liability Reserve

Provision for employees future liability commitments, ie annual leave, long service leave requirements and negotiated gratuities and sickness payouts.

Housing Reserve

Reserve established for future construction of Community Housing in Wundowie.

Reticulation Scheme Reserve

Provision for future replacement/upgrading of water reuse and reticulation infrastructure. Funds not expected to be used in a set period as further transfer to the reserve account are expected as funds are utilised.

Office Equipment Reserve

Acquisition and upgrading of Council offices, furniture, computers and general equipment. Funds not expected to be used in a set period as further transfer to the reserve account are expected as funds are utilised.

Plant & Equipment Reserve

Acquisition and upgrading of Council works plant and general equipment in accordance with plant replacement program. Funds not expected to be used in a set period as further transfer to the reserve account are expected as

Recreation Reserve

Purpose - Development and improvement of recreation and sporting facilities within the Shire of Northam. It is anticipated that this reserve will be fully utilised in 2014/15.

Road & Bridgeworks Reserve

Provision for upgrading of road and bridge infrastructure within the Shire of Northam. Funds not expected to be used in a set period as further transfer to the reserve account are expected as funds are utilised.

Refuse Site Reserve

Purpose - Development of Refuse Sites and related infrastructure and equipment, including provision for future replacement facility and/or site. Funds are not expected to be used in a set period as further transfers to the reserve account are anticipated.

Regional Development Reserve

Purpose - To provide for future projects whereby a broader range of development ideas may be required to be encouraged on a regional basis, in consultation with other stakeholders and/or Local Governments. Funds are not expected to be used in a set period as further transfers to the reserve account are anticipated.

Speedway Reserve

Purpose - To provide funds for possible future rehabilitation works required at the Northam Speedway site on Fox Road Northam. No date has been specified for the use of this Reserve.

Community Bus Replacement Reserve

Purpose - To provide funds for future replacement of the Shire of Northam Community Buses. Funds are not expected to be used in a set period as further transfers to the reserve account are anticipated.

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE STATEMENT OF FINANCIAL ACTIVITY

FOR THE PERIOD 1 JULY 2014 TO 31 MAY 2015

6. RATING INFORMATION (Continued)

All land except exempt land in the Shire of Northam is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire.

The general rates detailed above for the 2014/15 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.
