UNCONFIRMED

DISCLAIMER

In certain circumstances members of the public are not entitled to inspect material, which in the opinion of the Chief Executive Officer is confidential, and relates to a meeting or a part of a meeting that is likely to be closed to members of the public.

No responsibility whatsoever is implied or accepted by the Shire of Northam for any act, omission, statement or intimation occurring during Council or Committee meetings.

The Shire of Northam disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement of intimation occurring during Council or Committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee meeting does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or Officer of the Shire of Northam during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Northam.

The Shire of Northam advises that anyone who has any application lodged with the Shire of Northam must obtain and should only rely on WRITTEN CONFIRMATION of the outcome of the application and any conditions attaching to the decision made by the Shire of Northam in respect of the application.

The Shire of Northam advises that any plans or documents contained within this agenda may be subject to copyright law provisions (*Copyright Act 1968*, as amended) and that the express permission of the copyright owner(s) should be sought prior to their reproduction. 4. DISCLOSURE OF INTERESTS

Members should fill in Disclosure of Interest forms for items in which they have a financial, proximity or impartiality interest and forward these to the Presiding Member before the meeting commences.

As defined in section 5.60A of the Local Government Act 1995, a **financial interest** occurs where a Councillor / Committee Member, or a person with whom the Councillor / Committee Member is closely associated, has a direct or indirect financial interest in the matter. That is, the person stands to make a financial gain or loss from the decision, either now or at some time in the future.

As defined in section 5.61 of the Local Government Act 1995, an **indirect financial interest** includes a reference to a financial relationship between that person and another person who requires a Local Government decision in relation to the matter.

As defined in section 5.60B of the Local Government Act 1995, a person has a **proximity interest** in a matter if the matter concerns a proposed change to a planning scheme affecting land that adjoins the person's land; or a proposed change to the zoning or use of land that adjoins the person's land; or a proposed development (as defined in section 5.63(5)) of land that adjoins the person's land.

As defined in 34C of the Local Government (Administration) Regulations 1996, an **impartiality interest** means an interest that could, or could reasonably be perceived to, adversely affect the impartiality of the person having the interest and includes an interest arising from kinship, friendship or membership of an association.

Operational Matters:

Congratulations to our new look Council following the Shire of Northam Ordinary Council Elections on the 16th of October 2021. New Councillors are Cr Paul Curtis, West Ward, Cr Hayden Appleton, Town Ward, and Cr Des Hughes, Town Ward. Returning Councillors are Cr Attila Mencshelyi, Central Ward and Cr Michael Ryan, Town Ward. Cr Ryan has also been elected as the Deputy Shire President for the next two years.

I would like to thank Terry Little, from Wundowie, for many years of dedicated service to the Shire of Northam. First Elected in 1994, Terry has remained a staunch advocate for Wundowie and surrounds and has always contributed so much to the Shire of Northam.

With the start of harvest, and the increase in Truck Movements around the Shire, I urge all drivers to be cautious, and to remain safe.

Events Calendar

Both the Community and the Shire of Northam continue to hold and attract a variety of events and functions.

Examples include a number of workshops being conducted at Bilya Koort Boodja, along with a Co3 Contemporary Dance Performance.

Our local schools are conducting their annual presentation, awards, and graduation ceremonies. Congratulations to all staff and students on another successful year of education.

Strategic Matters:

Following the recently held Community Workshops, both our Corporate Business Plan and Strategic Community Plans are being updated. These are being prepared for review by Council following the relevant feedback received by the community.

6. PUBLIC QUESTION TIME

6.1 PUBLIC QUESTIONS

Name: Lin Booth, Bakers Hill RSL.

Summary of Question 1: Has the Council considered everything with respect to the agenda item 13.4.3 – Lease of Former Bakers Hill Fire Shed?

It was raised that the Bakers Hill RSL is concerned about the process for this item outlining that it has not been open and honest. There has been meetings being held with the Bakers Hill Out of School Hours Care Inc. where the Bakers Hill RSL was not invited. In addition, the time it would take for the Bakers Hill Out of School Hours Care Inc. to develop the premise stating it would take more than 2 years when it would only take the Bakers Hill RSL six (6) months.

Summary of Response 1: The Chief Executive Officer advised that the process has been open and honest. The meeting referred to was with the Bakers Hill Out of School Hours Care Inc. and other stakeholders that utilise the Bakers Hill Recreation Centre as the group were currently exploring multiple options. The meeting had nothing to do with the lease of the former bakers hill fire station.

Local public notice was given which provided all interested groups with an opportunity to make a submission with no one being invited specifically.

It was advised that the information in the agenda is all the information the Council has, to make a decision.

Summary of Question 2: Has the Council considered the timelines for the proposal from Bakers Hill Out of School Hours Care Inc? It was raised that the building could sit there for a considerable period not being utilised.

Summary of Response 2: The Shire President advised that this has been raised by Council and will be considered when determining the agenda item.

8.3 DEPUTATIONS

Name: Lisa Giorgi, Bakers Hill Out of School Hours Care Inc.

Agenda Item: 13.4.3 - Lease of former Bakers Hill Fire Shed.

Deputation: I just wanted to respond to some questions that came up at last week's meeting.

Bakers Hill Out of School Hours Care – or BHOSHC as we like to be called, has been operating out of the library at the primary school since 2013.

We have outgrown the library and need to move on, and the school would like their space back. Over the last few years – the school has increased our rent, whilst reducing the areas we are allowed to use. We currently pay nearly \$10,000 per year in rent.

As a Childcare facility, we have our own rules and regulations and are governed by the same authority as schools – the Education and Care Regulatory Unit. We're required to have exclusive space – that's the main reason that we can't operate from the Rec Centre.

We are a Not-For-Profit organisation – we don't receive any government (local, state, or federal) kickbacks. All our income is from family's fees and any grants that we apply for and receive. We pay wages, rent and all other bills – like any other business and we are audited every year.

What do we do with our money? We've been saving it for this. We knew that when we finally found a new premises that we'd need plenty of cash for any

refurbishments. I'm happy to say that we have quite a substantial bank balance.

If we're fortunate enough to be given the lease for the Fire Shed, we can then apply for more grants than we've been able to in the past as we haven't had our own space to spend grant money on before.

Bakers Hill and the surrounding area is a growing community and childcare is an essential service.

Cr M P Ryan entered the meeting at 5:45pm.

5. ANNOUNCEMENT BY THE PRESIDING MEMBER (WITHOUT DISCUSSION)

No queries were raised in relation to this item.

6. PUBLIC QUESTION TIME

6.1 PUBLIC QUESTIONS

Name: Chris Barrington, Bakers Hill RSL.

Summary of Question 1: Why was the Bakers Hill RSL not included on the organised community meeting referenced on Page 167?

Summary of Response 1: The Chief Executive Officer advised that if it was a public meeting then it is open to the public. The meeting referred to however was a result of the Bakers Hill Out of School Care approaching Council with a range of proposals. One of the options they were considering was the Bakers Hill Recreation Centre, and as such the purpose of the meeting was to connect the key users of the facility with the group to ascertain if there was an opportunity for colocation.

Summary of Question 2: Would it have been appropriate to let the Bakers Hill RSL know that this item was being discussed at the Council meeting, as they only found out yesterday?

Summary of Response 2: The Chief Executive Officer advised that was an oversight and the point was well made.

Summary of Question 3: Whether a third party is making the decision about the lease?

Summary of Response 3: The Chief Executive Officer advised that Council will be making a decision on this matter at its Ordinary Council Meeting next week.

Summary of Question 4: Is the Bakers Hill Out of School Care aware of the extensive renovations to bring the premise up to a child care standard?

Summary of Response 4: The Chief Executive Officers advised that the group are aware of the extensive renovations required.

Summary of Question 5: The Bakers Hill Recreation Centre is underutilised, would it not make sense for the Bakers Hill Out of School Care to

Council Forum Meeting Notes

be located at Recreation Centre given they utilise areas around this?

Summary of Response 5: The Chief Executive Officer advised that after meeting with the stakeholders (referred to previously) relating to the use the Recreation Centre, it was apparent that there would be too much of an impact on the current users.

Summary of Question 6: Is the Bakers Hill Out of School Care a community organisation or business and will it contribute back to the community?

Summary of Response 6: The Chief Executive Officer advised that as he understands the group is established as a not-for-profit providing a service to the community.

10.2 NOTES FROM THE COUNCIL FORUM MEETING HELD 10 NOVEMBER 2021

No queries were raised in relation to this item.

11. ITEMS BROUGHT FORWARD FOR THE CONVENIENCE OF THOSE IN THE PUBLIC GALLERY

The Shire President, Cr C R Antonio advised that agenda item 13.4.3 would be brought forward.

Cr C R Antonio declared an "Impartiality" interest in item 13.4.3 - Lease of former Bakers Hill Fire Shed as one group mentioned in the report has discussed their desire to obtain the Bakers Hill Fire Shed with Cr Antonio in the past.

Cr J E G Williams declared an "Impartiality" interest in item 13.4.3 - Lease of former Bakers Hill Fire Shed as Cr Williams knows several of the applicants. Cr Williams was approached by Bakers Hill Out of School Hours Care to assist them find alternative accommodation. Cr Williams is a member of the Bakers Hill Primary School Board and Bakers Hill Progress Association. Cr Williams has no knowledge of the RSL's request other than as stated in the agenda item.

13.4.3 Lease of former Bakers Hill Fire Shed

Clarification was sought in relation to:

- Whether a copy of the site plan and building plan can be provided. The Chief Executive Officer advised that this will be provided to Councillors.

Additional Comment

This has been included in the Ordinary Council Meeting agenda as Attachment 4.

Council Forum Meeting Notes
10 November 2021

- How much would it cost to bring the building up to a child care facility standard. The Coordinator Governance / Administration advised that this is estimated at a minimum of \$150,000 to a maximum of \$200,000.
- Whether there has been any consideration to fencing. The Coordinator Governance / Administration advised that this has been included in the estimate.
- The Chief Executive Officer advised that the determining factor for the recommendation is due to the reference to a need for childcare related facilities in the Bakers Hill Community Plan outlining this as an item.
- Whether the Shire will be responsible for the upgrade. The Chief Executive Officer advised that there is currently no budget allocation for this unless Council determines otherwise.
- Whether the Bakers Hill Out of School Care is run by a committee? The Coordinator Governance / Administration confirmed that this is run by a committee.
- Whether the RSL have funds to help with the upgrade costs? The Coordinator Governance / Administration advised that the RSL has confirmed they have funds available. The Bakers Hill Out of School Care have also confirmed they identified potential funding sources (i.e. grants) to assist with the upgrade costs. The Chief Executive Officer advised that the challenge for this group in the past has been in relation to securing funding due to the group having nothing to apply for as they are not located in a permanent facility.
- What would happen to the land currently leased by the RSL on Great Eastern Highway? The Chief Executive Officer took the question on notice.

Additional Comment

Officers are not aware of any intentions for the Bakers Hill RSL to relinquish the lease of the land.

- What reference there is to the provision of a child care facility in the Bakers Hill Community Plan, and whether it was a proper child care facility or an out of school hours care facility. In what capacity the Shire was supposed to play a part in providing said facility. The Chief Executive Officer took the question on notice.

Investigate future provision of a Library service		SoN	Lead	Long	
Maintain back lane between Great Eastern Highway and St Georges Street		SoN	Lead	Med	

- Whether there should be a timeframe for the upgrade. The Chief Executive Officer advised that Officers have not recommended this however it could be added by Council.
- How long has the Bakers Hill Out of School Hours Care been operating and from what facility. The Chief Executive Officer advised that the group has been operating from the school library. It was further queried whether this is deemed inappropriate. The Chief Executive Officer advised that from what Officers understand it is not suitable and the group are needing to find a new location.

Additional Comment

The Bakers Hill After School Hours Care have been a registered charity since 9 January 2013.

- Whether the Recreation Centre has been explored as a suitable option. The Chief Executive Officer advised that there are multiple users of the Recreation Centre and after meeting with all the stakeholder it was determined to be not practicable or feasible for the group to be located at the Recreation Centre.
- Whether there are any other Shire facilities in Bakers Hill that would be suitable for the Bakers Hill Out of School Care group? The Coordinator Governance / Administration confirmed there are no other facilities.

Three (3) members of the public left the meeting at 5:58pm.

13.1.2 Delegated Authority - Appointment of Authorised Persons, Authorised Officers, Approved Officers, Designated Persons, Designated Officers

Clarification was sought in relation to:

- Why this was not included in the review of the Delegated Authority Register. The Chief Executive Officer advised that it was an oversight and not included at time of dealing with Delegated Authority Register.
- The reference to an authorised person not being an approved or authorised officer. The Chief Executive Officer confirmed that one issues, and one withdraws / approves and extension of time for an infringement.

13.1.3 Electric Vehicle Charging in Northam

Clarification was sought in relation to:

- Whether the planned 2-6 charging stations will be sufficient to meet demand. The Chief Executive Officer advised that it is anticipated that the market would respond to demand in the future. The initial phase is to get enough interest and capitalise on opportunities by providing multiple stations with the capacity to add more in the future. Ideally there would be 6 stations with 12 bays instead of 2 stations with 4 bays. It has also been suggested that it would be beneficial to have a station with one long bay to accommodate for caravans.
- Whether it would be beneficial to add additional stations in other Shire localities. The Chief Executive Officer advised that Synergy have identified the town locations as they have received the funding to install as part of the State Governments regional highways concepts. There is no reason why Council couldn't extend this. The main barrier to further locations within the Shire is cost, as the upgrade to the Western Power substation is estimated to cost in the order of \$200,000.
- Whether Council is going to be responsible for upgrading the stations in the future. The Chief Executive Officer advised that Council would be responsible.
- Whether splitting the charging stations across multiple sites would decrease the cost/need to upgrade the Western Power substations. The Chief Executive Officer advised that this generally would increase the costs however it would depend on how much of a power upgrade is

Council Forum Meeting Notes

required. The advice provided from Synergy is that it is more cost effective to be in one location.

- Whether service stations are preparing to set up recharge stations. The Chief Executive Officer advised that he is not a subject matter expert, however in the UK and America, charging stations appear to be closely associated with service stations. It is also understood that Ampol have recently received funding to install recharge stations. Officers believe that the market will respond to the need in the future, whether that is in current format service stations or other means this is largely an unknown.
- Whether the electricity is provided free. The Chief Executive Officer advised that there is normally a charge associated with a small potential revenue stream for Council. Officers would recommend that Council's focus be on covering the costs. It was noted that there is currently no regulation for the charge applied. From Council's perspective, Officers believe it should show leadership for the direction of the community.
- The cost to Council for upgrading the substation and if upgraded can this be used by others. The Chief Executive Officer advised that the attraction to this site is that there is already a substation there, in addition to it being ideally positioned. The cost to Council is nil if Synergy deliver their proposed plan, however staff are recommending Council explore the costs to install more than the 2 provided by Synergy in an attempt to future proof the site.
- Whether Synergy would receive revenue. The Chief Executive Officer advised that there are two elements, Synergy would receive revenue due to this being connected to the Western Power grid and Council would potentially receive revenue for the charge applied as it is the owner.
- Whether there is potential for people not being able to charge when there are events in the area. The Chief Executive Officer advised that this is a possibility however it may encourage people to stay in the area for a longer period.

13.1.4 Elected Member – Superannuation payments

Clarification was sought in relation to:

- Whether the reference to the bands should be a 2? The Chief Executive Officer confirmed that the Shire of Northam is band 2 and that this will be updated in the Ordinary Council meeting agenda.

13.3 DEVELOPMENT SERVICES

Council Forum Meeting Notes
10 November 2021

13.3.1 Request for Quotation 20 of 2021- Old Quarry Waste Management Facility Management

Clarification was sought in relation to:

- The reason for the RFQ being \$200,000 more than the estimate in the current budget. The Executive Manager Corporate Services advised that the current budget reflects the existing arrangement, where the operator is a single person operation and not under a formal long term contract. In addition, the current operator uses the Shire's loader and doesn't maintain the firebreaks.
- What is the budget shortfall? The Executive Manager Corporate Services confirmed that this is approximately \$46,000 and is covered by increased waste fees projected in 22/23.
- What is salvage rights? The Executive Manager Development Services advised that this is scrap metal. It is in the contractor's interest to recycle as much as possible which will reduce the amount of waste going to landfill. The Executive Manager Corporate Services advised that the budget estimate is \$20,000 and by giving the contractor salvage rights it has reduced the contract management costs by \$60,000.
- The tip shop management and turnover. The Executive Manager Development Services advised that this is unknown and therefore proposed as a management fee until the profitability is known.
- What is the additional costs associated with having a tip shop and transfer station. The Executive Manager Corporate Services advised that this is \$242,000 a year. The reason for not allowing people to simply go to the tip face, which is more cost effective, was queried. The Chief Executive Officer advised that there is a significant risk/exposure to Council with members of the public accessing the tip face. The Executive Manager Development Services advised that this method also promotes more effective recycling which will in turn result in less waste going into landfill which would extend the life of this. The cost to identify, license and construct a new landfill site will be challenging and significant, as such the more the current site can be extended the better for the community.
- When does the Inkpen Landfill management commence. The Executive Manager Development Services advised that this will commence 1 July 2022. It was confirmed that the recommended contractor will provide their own equipment.
- What will happen with the Shire's machinery at the Inkpen Landfill. The Executive Manager Corporate Services advised that this will most likely be disposed of, unless there is another use within the Shire.
- How much will the landfill life be extended by having a tip shop and transfer station. The Executive Manager Corporate Services advised that the life is estimated at 20 years however this would depend on how much is being deposited into landfill.

Council Forum Meeting Notes
10 November 2021

- The impact on ratepayers if they exceed the allocated number of tip passes. The Executive Manager Development Services advised that the same process as what is currently in place would apply. Council sets the fees for the sites and this is managed by the contractor.

13.4 CORPORATE SERVICES

13.4.1 Accounts & Statements of Accounts 1 October 2021 to 31 October 2021

Clarification was sought in relation to:

- The demolition of 21 Walarat Rd, Northam and how the Shire is involved. The Executive Manager Development Services advised that there was a health order on the property as this had burnt down and contained asbestos. The demolition costs will be added to the rates and recovered through the sale of the property.

BRIEF

For Council to consider two requests to lease the old Bakers Hill Fire Shed at Lot 217 Great Eastern Highway, Bakers Hill.

ATTACHMENTS

- Attachment 1: Images of premise.
- Attachment 2: Letter from Bakers Hill Sub Branch Western Australia.
- Attachment 3: Fire Shed Proposal Bakers Hill Out of School Hours Care.
- Attachment 4: Site and Building Plans.

A. BACKGROUND / DETAILS

Two community groups have expressed an interest in leasing the old Bakers Hill Fire shed for differing purposes.

The Bakers Hill RSL would like to use the shed as a museum and club room where they could meet on a fortnightly basis and use the building to store valuable items as part of the museum.

The Bakers Hill Out of School Care group would like to use the fire shed as an after school child care facility with the intention to extend services to include kindy children their non-school days.

B. CONSIDERATIONS

B.1 Strategic Community / Corporate Business Plan

Theme Area 6: Governance and Leadership.

Outcome 6.3 The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Objective: Ensure robust financial management.

B.2 Financial / Resource Implications

Potential lease fees in comparison to a peppercorn lease

B.3 Legislative Compliance

Local Government Act 1995 s. 3.58(3)

(3) A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property —

- (a) it gives local public notice of the proposed disposition —
 - (i) describing the property concerned; and
 - (ii) giving details of the proposed disposition; and
 - (iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given; and
- (b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.

B.4 Policy Implications

Policy A 8.5, section 2.0, Community Based Not-for-profit Lease: Reg 30(2)(b)

The basic principles considered in establishing a standard lease fee reflects a fair and equitable contribution of provision of a facility, the venue's pattern of use, location and the potential to obtain Community Grants assistance, as follows:-

- 2.1 The Shire levy an annual administration rent equivalent to the cost of building insurance, to all community, sport and recreation groups, not including the abovementioned Community Halls, and is reviewed annually.
- 2.2 Lessees or Licensees will be responsible for the full cost of the lease document preparation, registration and other costs associated with the execution of the agreement.
- 2.3 Lessees or Licensees must agree with Council to manage the "Demised Premises" on behalf of the community and to offer a service to the community that provides a net benefit.
- 2.4 The Lessee or Licensee will be responsible for the payment of outgoings, operating costs, and minor maintenance obligations.
- 2.5 The Lessee or Licensee will not be responsible for Shire land rates, but will be responsible for rubbish service rates.
- 2.6 The Shire will insure the "Demised Premises" at replacement value and pass on the cost to the Lessee as per 2.1. The Shire will perform any structural repairs, improvements and maintenance in accordance with levels determined within its budget forecast.

- 2.7 In the case of the Lessee or Licensee who leases a Council building and obtains approval to carry out extensions, alterations and/or additions, Council will insure the improvements as part of its insurance portfolio at replacement value.
- 2.8 The Lessee or Licensee will be responsible for contents insurance for their contents, and also hold public liability for their activities and workers compensation insurance for their employees (if applicable) to the value stipulated in the agreement.
- 2.9 The Lessee or Licensee will be responsible for the cost of repair of any internal damage, vandalism, corrective maintenance or damage to external doors, glass windows, security lighting and any other external facility through misuse by a club representative, member or guest. The Shire may carry out any corrective works and recoup the full cost from the Lessee.
- 2.10 The Lessee or Licensee will be responsible for keeping the building clean and tidy at levels predetermined within the agreement.
- 2.11 The Lessee or Licensee will not incur any costs for property damage excluding contents occasioned by fire, fusion, explosion, lightning, civil commotion, storm, tempest, or earthquake.
- 2.12 On an annual basis, Lessees and Shire representatives will meet to carry out a property inspection to determine the extent to which the Lessee or Licensee have met their lease/licence obligation and to consider any specified building maintenance schedules for the following twelve month period within the Shire's budget parameters.

B.5 Stakeholder Engagement / Consultation

An Expression of Interest was placed on the Shire's website and on social media for interested parties to consider leasing the old fire shed.

C. OFFICER'S COMMENT

On 29 September 2021 the Shire received a report from the building inspector regarding the ability to use the old fire shed as a public building. The following information was provided:

1. Kitchen unsuitable for public building use, rebuild required.
2. Toilet waste pipe positioned directly under kitchen sink, would need to be relocated.
3. Main shed area has 126m² of useable space.
4. Building is uninsulated and has no air conditioning.
5. Natural ventilation is provided with roof mounted wind vents and the ability to open doors and windows with one window being covered by a pinup board.
6. Single personnel door at rear of building has more locks than is permitted for a public building.
7. 1 x Fire Extinguisher positioned adjacent personnel door with complying service date.
8. Gutters blocked and discharging against walls of building causing stormwater to pond against wall of building.
9. Septic and leach drains were unable to be inspected as their location is in an unknown underground location.
10. Large tree requires trimming back from building.
11. No fencing around building.
12. Building serviced by a single toilet pan and a single handbasin which are in a fair condition.
13. No disabled facilities exist at this site.

General Comment

The building will require extensive renovations and alterations to bring it up to standard for use as a Public Building.

The Returned Services League Bakers Hill sub-branch ABN:79197175521 have advised they have some funds available which can be committed to improvements on the old fire shed. The renovations required for a meeting room/museum would be considerably less than those required for a childcare centre, and the RSL have also advised they will not be requiring funds to be provided by the Shire. A letter from the Bakers Hill RSL has been provided.

Bakers Hill Out of School Care group ABN:97147998087, would like to utilise the shed as a child care centre. An officer from the Shire spoke with the Chairperson to ascertain if they were aware of the extensive renovations required to bring the shed up to code for a child care centre.

The Chairperson advised that they were aware as they must abide by the specifications of the Education and Care Regulatory Unit (ECRU) and are also aware it is a requirement for the septs to be extended and the correct toilet and appropriate kitchen facilities to be provided.

The Chairperson stated they have had extensive consultation with the community in Bakers Hill and have their support as well as offers to assist in the refurbishments along with offers from Bunnings and other Grant money which can be accessed once they have secured a location. A copy of their proposal has also been provided.

Both applicants are registered as Not for Profit organisations according to the *Australian Charities and Not for Profits Commission*.

The Bakers Hill Community Plan 2017-2027 item 2.4.2 Childcare and Learning - refers to the Bakers Hill Out of School Hours Care, 'which is located at the Primary School, before and after school care is available for students. During the school holidays the program opens to all children.' See below extract from the Bakers Hill Community Plan (Item 2.2):

2. Services Bakers Hill will have diverse, thriving and accessible public and social services that support the needs of all age groups within the local community. Achieved by:

Based on the information provided in the Bakers Hill Community Plan, the officer recommends that the old Bakers Hill Fire Shed be leased to the Bakers Hill Out of School Care Group.

The following conditions should apply with no occupancy of the shed until

1. Development Application has been applied for and approved;
2. Outside funding has been applied for and approved for essential renovations;
3. The shed has been improved to at least the minimum specifications;
4. Not to be occupied until the Shire has issued an approved Certificate of Occupancy.

RECOMMENDATION

That Council approve a 10 year peppercorn lease for the Bakers Hill Fire Shed Lot 217 Great Eastern Highway, Bakers Hill to the Bakers Hill Out of School Care group in line with the Shire's Policy A8.5 with the following conditions:

No occupancy of the shed until:

- 1. Development Application has been applied for and approved;**
- 2. Outside funding has been applied for and approved for essential renovations;**
- 3. The shed has been improved to at least the minimum specifications;**
- 4. Not to be occupied until the Shire has issued an approved Certificate of Occupancy.**

re Old Fire Shed Bakers Hill

Over the past several years we have corresponded with the Shire regarding our desire to use the old fire shed in Bakers Hill, when the Bush Fire Brigade move to their new building.

Our desire to use the building is due to the severe constraints currently placed on us which severely affect our ability to provide the many services we should be providing to various members of the Bakers Hill Community.

Unfortunately when we arranged the lease on the land on Great Eastern Highway a few years ago, the economic climate was much different to now. In fact I remember a Councillor asking me at the pre-council meeting discussion about our request for a lease “and just how much money does the RSL expect the Shire to contribute to your building?”. My answer was no contribution was expected or would be asked for from the Shire. We were working quite successfully at that stage to fund the building without any financial commitment from the Shire.

How times change quickly. Our funding fell through with Government changes, and we are just not able to fund a new, appropriate building on the land.

We do have funds to commit to improvements to the old fire shed.

Our present situation is we have a small corner in the Golf/Tennis Club and the space to hang 1 picture on a wall. We are permitted to use the building once per month.

This limited space, and access seriously affects our ability to provide the services we should and could provide to people in Bakers Hill. It also affects our membership capacity, as many people cannot locate us due to the limited signage we can display advising people of where we are located.

The old fire shed will enable us to grow our membership and also provide the many services we cannot successfully provide at the present time.

Our intention for the use of the building is:

1. Use as a club rooms for RSL meetings
2. Use to provide support to service and ex-service personnel and their families
3. Use as an advocacy centre for service and ex-service personnel and their families
4. Provide a Veterans resource centre

5. Use as an education centre for the History of Bakers hill and surrounding areas regarding involvement by Veterans supporting Australia in past years
6. Use as a Counselling and mental support service centre for service and ex-service personnel and their families
7. Enable us to provide hardship assistance/support for service and ex-service personnel and their families from a central location
8. Enable us to provide guidance and assistance to service & ex-service personnel in training in new skills from a central location
9. Enable the Sub Branch to provide support to members of the community where we can.
10. To provide a meeting room for small community groups if needed.

At present the Bakers Hill RSL Sub Branch services Bakers Hill and the areas surrounding it of Wooroloo, Wundowie, Clackline, Inkpen, Mokine, Woottating, Copley, Bailup, Beechina and El Caballo.

Quite a large area.

The use of the above building by the Bakers Hill RSL will substantially improve our ability to provide the services we can to the Bakers Hill and surrounding communities.

Yours truly

Attachment 3 – Fire Shed Proposal Bakers Hill Out of School Hours Care

Bakers Hill
Out of School Hours Care

PROPOSAL

FOR BAKERS HILL OUT OF SCHOOL HOURS CARE TO RELOCATE TO THE BAKERS HILL FIRE SHED

Bakers Hill Out of School Hours Care (BHOSHC)'s inception was in December 2012 when a group of dedicated parents realised that there was a need for child-care in the area and went about making it happen. We began operation in April 2014 as a **not for profit** Association. Bakers Hill Primary School also saw the need and let us use their library as our premises, however we have outgrown the School and the library is very restrictive as to the times we can operate, the number of children we cater for, and our autonomy as the requirements of the primary school always come first.

BHOSHC provides Before and After School and Vacation Care to children from the Bakers Hill area and is also open to children in the district and surrounds. We cater for school children from Kindy to Year 6. We are licensed for 24 children at our current location, however improving the Fire Shed and relocating there will result in us having a larger space to operate and the opportunity to expand our service license to cater for a higher capacity of children.

Since our inception, we have serviced around 120 families, there are 60 families currently using our centre. When you look at the Australian Bureau of Statistics 2016 Census – there were 155 families with children in Bakers Hill, therefore a high percentage of locals use our services.

Family composition	Bakers Hill	%	Western Australia	%	Australia	%
Couple family without children	166	51.7	247,841	38.5	2,291,987	37.8
Couple family with children	116	36.1	292,133	45.3	2,716,224	44.7
One parent family	39	12.1	93,344	14.5	959,543	15.8
Other family	0	0.0	10,869	1.7	102,559	1.7

Of the families in Bakers Hill (State Suburbs), 36.1% were couple families with children, 51.7% were couple families without children and 12.1% were one parent families.
[View the data quality statement for Family composition \(FMCF\)](#)

Whilst based at the Primary School, it is assumed that we only cater to children from Bakers Hill Primary School but in fact, we can take children from any neighbouring towns. Being away from the School will bring that awareness to the fore.

By having a fit-for-purpose venue we will have the potential to increase our current staffing levels. As well as increasing our own direct employment, it will improve the sustainable employment prospects for parents and guardians of primary school aged children. We currently employ 3 - 5 staff on a full-time and casual basis.

The move will also allow us to provide full day care for Kindy children on their non-school days; a service we cannot currently provide while being based at the school. This will offer greater diversity of childcare options to parents in the region and help facilitate a growth in labour force participation. Having a dedicated venue will give us greater flexibility to stay open longer in an evening and will benefit parents/carers and business operators who will no longer have to rush from work to reach us before closing time. We will also consider expanding to full-time day care in the future.

The lack of care options for children can be viewed as a major barrier to attracting new industry and investment within the Wheatbelt as both small and large industry rely on being able to attract and retain staff. Our region is well placed to entice families looking to escape the city in favour of a tree change. Reliable and diverse care options are a must if we hope to attract parents with skills and qualification to live and work in the area.

ABC News recently reported the following:

Provisional internal migration data from the Australian Bureau of Statistics shows the nation's capital cities had a net loss of 11,200 people during July, August and September last year.

That was the largest quarterly net loss since records began in 2001.

Internal migration is the movement of people across a specified boundary within Australia involving a change in their place of usual residence. This can be within a state or territory, or even within a city.

The ABS said the net loss in the September quarter was the result of both fewer arrivals into capital cities (-10.6pc) and more departures from big centres to non-capital city areas (+1.2pc).

The Fire Shed is a perfect location as it is within walking distance to Bakers Hill Primary School which is where most of our children attend school and where we can provide greater support to the community. We can also take the children to the Bakers Hill Golf/Tennis club and town oval for regular excursions.

Jason Whiteaker organised a community meeting which was held on the 1st of April 2021 with representatives from all Bakers Hill clubs and committees (Tennis, Cricket, Netball and Badminton clubs, BHOSHC, Bakers Hill Progress Association, Bakers Hill Primary School and Shire representatives. It was an incredibly positive meeting with all in agreement that the Fire Shed would be the perfect venue for BHOSHC operations.

BHOSHC would be looking for local trades to bring the Fire Shed up to code to abide by our licence requirements. We are self-funded and would also be seeking financial assistance through grant funding (Lotterywest, REDS and the Northam Shire). We have also had preliminary discussions with Bunnings who will potentially assist with upgrades, such as the painting of the shed, play equipment and landscaping.

It is Bakers Hill Out of School Hours Care philosophy to offer a service that provides a safe, confident and secure environment for children to grow and develop life skills through play and choice. We support diversity through partnerships and engagement within the community.

We encourage children to develop to their full potential within a supportive environment focusing on qualities of fairness, humour, empathy and understanding.

We have had consistent growth every year with enrolments and bookings. Last financial year, our turnover was over \$130,000. By moving to the Fire Shed, we envisage increasing our turnover by 50%.

We would require a long-term lease for the building.

We thank you for taking the time to look at our Proposal and hope that it can be addressed at the next Shire meeting. We look forward to your response in the near future. Our goal is to be operating out of the Fire Shed by October 2021.

Yours sincerely

Kylie Munson

BRIEF

The purpose of this report is for Council to endorse the meeting schedule for the twelve month period from January 2022 through to December 2022. This schedule includes Forum, Ordinary and Strategic meetings of Council.

ATTACHMENTS

Nil.

A. BACKGROUND / DETAILS

It is a requirement under the Local Government Administration Regulations for a Local Government to give public notice of the dates and times of its Ordinary and Committee Meetings that are open to members of the public.

Council Forum meetings are generally held on the second Wednesday of each month, followed by the Ordinary meeting on the third Wednesday of the month. In January 2021 there was no Forum meeting and the Ordinary meeting was held in the fourth week of the month, this was due to the Christmas and New Year period. In addition, Council holds a Strategic Council Meeting quarterly in the months of February, May, August and November.

In 2021, Council meetings were scheduled in the Recreation Centre (due to COVID-19) and the Council Chambers with a meeting being held in Bakers Hill, Wundowie and Southern Brook.

B. CONSIDERATIONS

B.1 Strategic Community / Corporate Business Plan

Theme Area 6: Governance and Leadership.

Outcome 6.3: The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Outcome 6.4: The Elected Members of the Shire of Northam provide accountable, strong and effective community leadership.

B.2 Financial / Resource Implications

For the 2021/22 financial year, in accordance with the provisions of s5.99 of the Local Government Act 1995. Councillors receive a flat annual Meeting Attendance Fee of \$19,750 and the President receives \$23,600. This amount is not affected by the number of meetings attended. Councillors are, however, entitled to claim travel costs to meetings and other authorised events.

B.3 Legislative Compliance

Local Government Act 1995 – s1.7;

Local Government (Administration) Regulations, Reg 12.

B.4 Policy Implications

Nil.

B.5 Stakeholder Engagement / Consultation

Communication Plan, Section 3 – Involve, Action 3.2:

Hold three Council meetings annually at Shire localities outside of the Northam town site to allow Shire representatives to meet regularly with communities in informal settings that provide a platform for open dialogue.

B.6 Risk Implications

Risk Category	Description	Rating (likelihood x consequence)	Mitigation Action
Financial	Nil.		
Health & Safety	Nil.		
Reputation	Council does not encourage active participation in Council meeting processes.	Medium (3) x Possible (3) = Moderate (9)	Council schedule a meeting in Bakers Hill, Grass Valley and Wundowie.
Service Interruption	Nil.		

Compliance	Non-compliance with the Local Government Act 1995 with respect to setting meeting dates and providing the necessary notice.	Minor (2) x Rare (1) = Low (2)	This report to Council and the associated decision ensures compliance with the Act and Regulations. Public notice is to be given after the Council has set the 2022 Council meeting dates, progress towards completing this activity can be monitored through Motion Tracker.
Property	Nil.		
Environment	Nil.		

C. OFFICER'S COMMENT

It should be noted that given the current circumstances with COVID-19, Council may be required to alter the meeting location should social distancing requirements be enforced.

In previous years, Council has held both the Forum and Ordinary meetings at the surrounding localities. Officers are recommending that meetings continue to be held at Grass Valley, Bakers Hill and Wundowie in accordance with Council's Communication Plan, however it is recommended that only the Forum meeting be held in the locality with the Ordinary Council Meeting being held in the Council Chambers. This is due to the Forum Meeting providing a less formal setting for community engagement. An alternative option could include continuing to hold both the Forum and Ordinary Meetings at the surrounding localities.

LOST 3/6

Reason

Although off location meetings are in line with Council's Communication Plan, there are many issues that make it impractical. The logistics of setting up these meetings with IT equipment, seating etc is highly counterproductive for the staff involved given the hours it takes to do so.

These venues often don't have appropriate facilities such as air conditioning or catering equipment to provide hospitality to ratepayers, council staff and councillors after the meeting which is all part of community engagement.

Since COVID-19, Council has been able to host meetings at the Northam Recreation Centre to provide social distancing to both councillors and ratepayers and this is not possible at some of these other venues if COVID-19 demands these conditions again.

The number of ratepayers attending meetings has decreased since COVID-19. The last two satellite meetings had public attendances of 2 and 4 people which again raises the question of sustainability in holding meetings outside Council Chambers.

Hosting meetings at satellite venues does not provide equal opportunity for people wanting to attend meetings. For example, are people from Wundowie that have an agenda item concerning them going to travel to Southern Brook or Grass Valley to attend a Council forum and vice versa?

For these reasons, I believe Council meetings should be held at a central location to give all ratepayers equal opportunity to attend meetings and it is council's responsibility to ensure that staff can set up and present these meetings in a productive and cost-effective manner.

Debate was held around the motion. Cr Tinetti and Cr Galloway spoke for the motion. Cr Appleton, Cr Hughes, Cr Williams and Cr Curtis spoke against the motion. Cr Tinetti used his right of reply to close the debate.

- (3) Without limiting the application of sections 58 and 59 of the Interpretation Act 1984 —
 - (a) a delegation made under this section has effect for the period of time specified in the delegation or if no period has been specified, indefinitely; and
 - (b) any decision to amend or revoke a delegation under this section is to be by an absolute majority.
- (4) Nothing in this section is to be read as preventing a local government from performing any of its functions by acting through another person.

5.42. Delegation of some powers and duties to CEO

- (1) A local government may delegate* to the CEO the exercise of any of its powers or the discharge of any of its duties under —

- (a) this Act other than those referred to in section 5.43; or
- (b) the *Planning and Development Act 2005* section 214(2), (3) or (5).

* *Absolute majority required.*

- (2) A delegation under this section is to be in writing and may be general or as otherwise provided in the instrument of delegation.

5.43. Limits on delegations to CEO

A local government cannot delegate to a CEO any of the following powers or duties —

- (a) any power or duty that requires a decision of an absolute majority or a 75% majority of the local government;
- (b) accepting a tender which exceeds an amount determined by the local government for the purpose of this paragraph;
- (c) appointing an auditor;
- (d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph;
- (e) any of the local government's powers under section 5.98, 5.98A, 5.99, 5.99A or 5.100;
- (f) borrowing money on behalf of the local government;
- (g) hearing or determining an objection of a kind referred to in section 9.5;
- (ha) the power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government;
- (h) any power or duty that requires the approval of the Minister or the Governor;
- (i) such other powers or duties as may be prescribed.

5.44. CEO may delegate powers and duties to other employees

- (1) A CEO may delegate to any employee of the local government the exercise of any of the CEO's powers or the discharge of any of the CEO's duties under this Act other than this power of delegation.
- (2) A delegation under this section is to be in writing and may be general or as otherwise provided in the instrument of delegation.
- (3) This section extends to a power or duty the exercise or discharge of which has been delegated by a local government to the CEO under section 5.42, but in the case of such a power or duty —
 - (a) the CEO's power under this section to delegate the exercise of that power or the discharge of that duty; and
 - (b) the exercise of that power or the discharge of that duty by the CEO's delegate, are subject to any conditions imposed by the local government on its delegation to the CEO.
- (4) Subsection (3)(b) does not limit the CEO's power to impose conditions or further conditions on a delegation under this section.

- (5) In subsections (3) and (4) — conditions includes qualifications, limitations or exceptions.

Local Government (Administration) Regulations 1996 – Regulation 18G and 19:

18G. Delegations to CEOs, limits on (Act s. 5.43)

Powers and duties of a local government exercised under the following provisions are prescribed under section 5.43(i) as powers and duties that a local government cannot delegate to a CEO —

- (a) section 7.12A(2), (3)(a) or (4); and
- (b) regulations 18C and 18D.

19. Delegates to keep certain records (Act s. 5.46(3))

Where a power or duty has been delegated under the Act to the CEO or to any other local government employee, the person to whom the power or duty has been delegated is to keep a written record of —

- (a) how the person exercised the power or discharged the duty; and
- (b) when the person exercised the power or discharged the duty; and
- 1 the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.

C. OFFICER'S COMMENT

The aim of delegated authority is to assist with improving Council decision-making efficiency within the constraints allowed by relevant legislation. Without delegated authority, there would be a significant increase in items presented to Council for decision at its ordinary meetings. Having appropriate delegations in place allow day to day decisions to be made by the Chief Executive Officer, who in turn can sub-delegate these to other staff if appropriate.

BRIEF

For Council to consider an offer by Synergy to establish an electric vehicle (EV) charging station in Northam.

ATTACHMENTS

Attachment 1: EV Highway Northam.

A. BACKGROUND / DETAILS

- The State Government's Electric Vehicle (EV) Strategy was developed by the Department of Water and Environmental Regulation (DWER). One of the actions was investment in EV fast-charging infrastructure.
 - On 17 August 2021, the WA State Government announced Australia's longest EV Highway as part of the McGowan Government's \$21 million Electric Vehicle Fund.
 - The project aims to deliver a network of EV fast charging stations to facilitate travel north from Perth to Kununurra, along the south-west coast to Esperance and east to Kalgoorlie.
 - Includes charging stations across 45 locations.
 - The project will be progressively rolled out and plans to be fully operational by 2024.
 - Locations have been identified based on the findings from the Electric Vehicle Infrastructure Strategic Planning Report.
 - Northam has been selected as one of the locations
 - There are currently no public charging stations in Northam
 - Site selection was initially undertaken by Synergy, aimed to ensure users have a comfortable and enjoyable experience while charging their EV.
- The following considerations were given:
- Suitable parking arrangements;
 - Situating chargers clear of traffic hazards;
 - Adequate security and lighting;

- Proximity to amenities such as public restrooms, cafes/restaurants; and
 - Proximity to retail businesses, information centres, areas of local or cultural significance and park/nature reserves.
- Key information on charging stations:
 - A minimum of two chargers will be available at each site to provide redundancy and support growing demand for EV charging;
 - At least one unit will be a DC fast charger of 75kW or more;
 - DC chargers will be equipped with two charging cables and the ability to charge two cars at once; and
 - There is a minimum of four parking bays dedicated to EV charging with additional parking bays available for spill over.
- Three sites were identified by Synergy in Northam
 - At Visitor Centre Carpark
 - At Bernard Park Carpark
 - At Purslowe Park Carpark (opposite Northam Police Station)

B. CONSIDERATIONS

B.1 Strategic Community / Corporate Business Plan

Theme Area 4: Environment and Heritage.

Outcome 4.3: Residents and organisations within the Shire of Northam are supported to reduce their environmental impact.

B.2 Financial / Resource Implications

The costs associated with the proposal being put forward by Synergy are nil to the Shire of Northam if.

1. The selected location requires no remedial or development works
2. The Shire of Northam does not wish to value add to the proposal by installing or making provision to install additional charging capacity

C. OFFICER'S COMMENT

Given Council is currently going through to process of measuring its carbon footprint, with the view of understanding and then reducing it, the proposed EV charging stations seem to align with the direction of Council.

Discussion, between staff and Synergy have discounted the Purslowe Park location as being too far removed from CBD and not helping Council achieve its activation of CBD outcomes.

An assessment of the remaining two locations in / around Bernard Park have resulted in the Visitor Centre Car Park being identified as the preferred location.

While the Synergy process is relatively straight forward, there may be an opportunity to leverage their work to ensure that Northam is able to easily and cost effectively build on this initiative. The opportunity lies in two areas.

Firstly, the Shire of Northam may consider it prudent to ensure that any upgrade to the Western power Substation is able to accommodate more than the two proposed EV Charging stations. This would provide the Shire with future flexibility to add charging stations in the future as demand warrants. Unfortunately, staff are unable to quantify what the additional costs would be as this would need to be quoted by Western Power.

The second opportunity is to develop the site of the former Northam Playgroup building into additional parking for the CBD and design the location of the Western Power substation and the EV charging points around this design. The Shire would then have the option of building the carpark either immediately or later. It is estimated that the design of the car park would be around \$10,000, whilst the construction could be as much as \$150,000. The Bernard Park Master plan does not consider the area for car parking, it is silent on any proposed development in this area.

That Council:

- 1. Confirms with Synergy Corporation that it accepts its offer of providing two Electric Vehicle Charging, located in Northam**
- 2. Confirms its preferred location to be in the car park adjacent to the Northam Visitor Centre at the end of Grey Street**
- 3. Request Synergy Corporation provide a cost estimate for the upgrade of the Western Power substation to accommodate an additional four (4), Electric Vehicle Charging stations (brining to potential charging stations in the areas to 6)**
- 4. Authorises the Chief Executive Officer to have a car park design and costing undertaken at the former site of the Northam Playgroup building, located in Bernard Park**
- 5. Request a further report to be provided to Council once the final cost implications are known for the additional Electric Vehicle Charging Stations and the proposed car park.**

Introduction

- The State Government's Electric Vehicle (EV) Strategy was developed by the Department of Water and Environmental Regulation (DWER). One of the actions was investment in EV fast-charging infrastructure.
- On 17 August 2021, the WA State Government announced Australia's longest EV Highway as part of the McGowan Government's \$21 million Electric Vehicle Fund.

- Includes charging stations across 45 locations.
- The project will be progressively rolled out and plans to be fully operational by 2024.

- Locations have been identified based on the findings from the Electric Vehicle Infrastructure Strategic Planning Report.
- The locations are approximately 200km or less apart to reduce range anxiety and support regional travel.
- Synergy will consult with LGAs on suitable site options for each location.

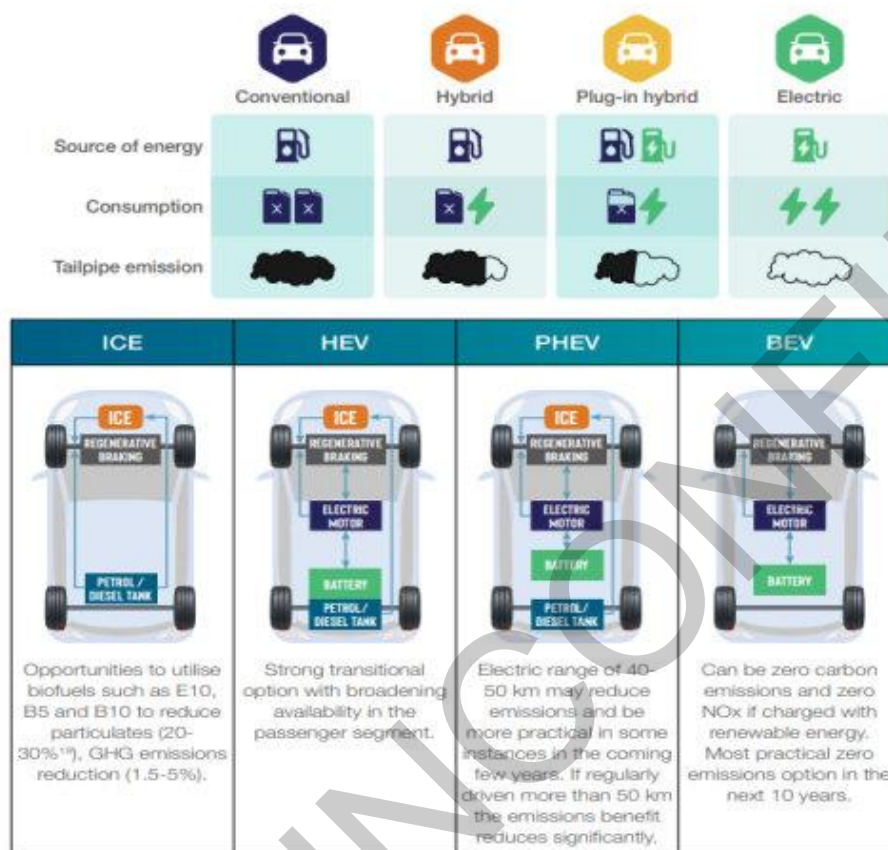

Project Objectives and Timeline

- Deliver on the State Government's commitment to investment in charging infrastructure.
- Raise awareness and stimulate the uptake of EVs in Western Australia.
- Stimulate business activity.
- Deliver a seamless and enjoyable customer experience by ensuring:
 - Reliability of charging facilities
 - User-friendly EV charging platform
 - Availability of real-time information

An Introduction to Electric Vehicles

*Source – [WA Gov EV Guide](#)

- There are 31 EV models (BEV and PHEV) available within Australia, ranging in price from \$41,000 - \$260,000.
- Another 13 models are due in FY2022.
- In a survey, around 30% of Synergy customers told us that they're likely to buy an electric vehicle (EV) at some point in the future.

EV Chargers

- The difference between AC & DC chargers is that DC chargers can deliver higher power within shorter charging times.
- The current charging standard endorses Type 2 plugs for AC charging and both the CCS and ChaDeMo for DC charging. In Australia currently 80% of EVs have CCS capability.
- As EV Battery size varies so do charge times. Charging times may vary due to the battery's ability to take advantage of the charger's full rate of charge based on limitations on the battery's rate of charge at various states of charge.
- Typically, a 34kWh charge will provide a range of ~200km, allowing drivers to easily reach the next charging station.

Chargers	Charge Time (34kWh / 200km)
AC – 3kW	~14 hours
AC – 7kW	~4 hours
AC – 22kW	~3 hours
DC – 50kW	41 minutes
DC – 75kW	27 minutes
DC – 150kW	14 minutes

EV Chargers in Northam

No chargers currently in Northam

Synergy proposes the following charging stations for Northam (at a minimum):

- 1 x Fast Charger (x 2 charging points)
- 1 x Backup Charger

Charging Sites

Site selection will aim to ensure users have a comfortable and enjoyable experience while charging their EV.

It will consider:

- Suitable parking arrangement;
- Situating chargers clear of traffic hazards;
- Adequate security and lighting;
- Proximity to amenities such as public restrooms, cafes/restaurants; and
- Proximity to retail businesses, information centres, areas of local or cultural significance and park/nature reserves.

Charging Stations

Key information on charging stations:

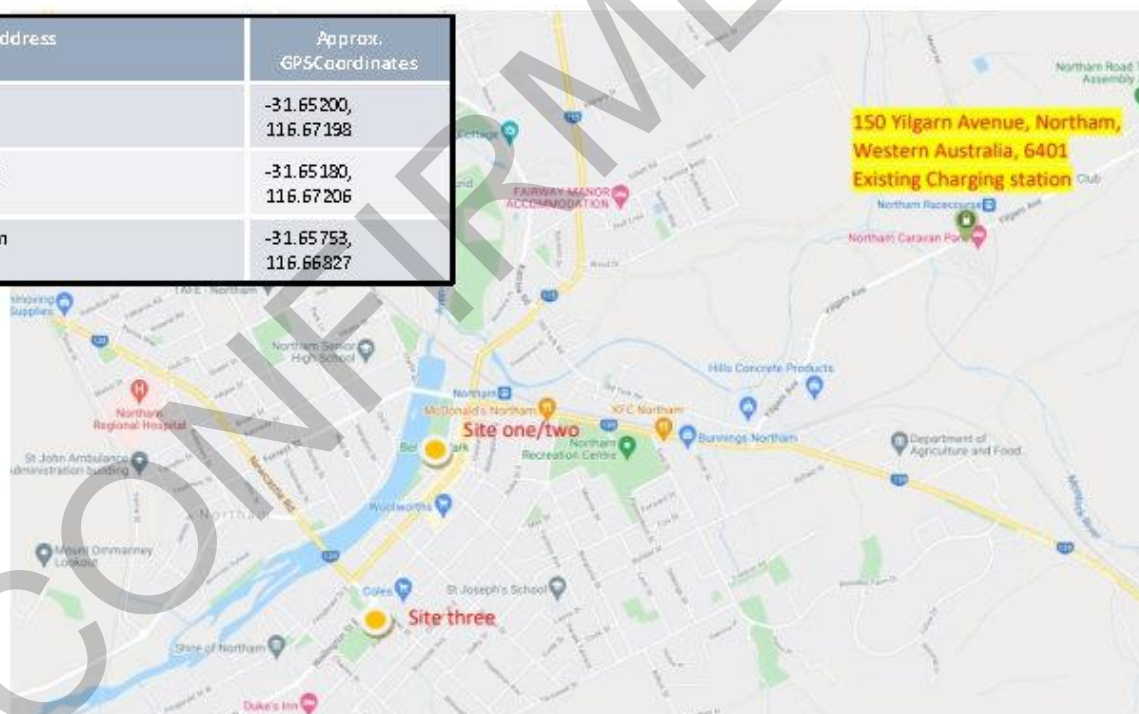

- A minimum of two chargers will be available at each site to provide redundancy and support growing demand for EV charging;
- At least one unit will be a DC fast charger of 75kW or more;
- DC chargers will be equipped with two charging cables and the ability to charge two cars at once; and
- There is a minimum of four parking bays dedicated to EV charging with additional parking bays available for spill over.

Shortlisted Sites

Preliminary sites selected for Northam:

Site	Location	Address	Approx. GPS Coordinates
Site 1	Northam visitor centre	2 Grey St, Northam	-31.65200, 116.67198
Site 2	Bernard Park, Northam	Minson Ave, Northam	-31.65180, 116.67206
Site 3	Purslowe Park	6 Gairdner St, Northam	-31.65753, 116.66827

Site Option 1

Location: Northam Visitor Centre

Site 1 was selected for the following reasons:

- The proposed Site 1 is opposite the visitor centre.
- This site is in the centre of town.
- Other tourist attractions and amenities such cafes, pharmacies, public toilets and parks are located nearby.

Site Option 2

Location: Bernard Park

Site 2 was selected for the following reasons:

- The proposed Site 1 is located in the centre of Northam and close to all amenities including the public toilets.
- Other tourist attractions and amenities such as Playgrounds, BBQ facilities and shops are all within walking distance.

Site Option 3

Location: Purslowe Park

Site 3 was selected for the following reasons:

- The proposed Site 2 is located adjacent to Purslowe Park.
- Other tourist attractions and amenities such as the Pub, Supermarkets and Cafes are located near by

Risks & Opportunities

Risks:

- Acoustic noise (dB)
- Proximity to sensitive receptors
- Aesthetic appeal
- Construction works

Opportunities:

- Promotes business and tourism in the area
- Fast Chargers provide updated technology
- Assists local emissions reduction targets
- Provides additional infrastructure for residents
- Community events

Further opportunities at the selected site may include:

- Upgrades to current parking facilities
- Locating additional amenities nearby
- Greenfield sites - access for vehicles towing
 - ❖ Pros: larger space, futureproofing, diverting tourists to chosen location
 - ❖ Cons: additional cost, additional construction time, potentially further from amenities and businesses

Next Steps

Site selection:

- Confirm the preferred site with Shire
- Begin Network Connection process with Western Power

Leasing:

- Shire to provide point of contact for leasing arrangements
- Agree basic lease terms (location, costs, duration of lease)
- Synergy to prepare lease agreement

Planning and Approvals:

- Shire to provide point of contact for planning and approvals
- Synergy to advise if building permits are required (advice from DMIRS)
- Confirm DA requirements (Dept of Planning & Local Gov)
- Address environmental & heritage elements for preferred site

Continued engagement throughout planning and construction phase of the project through to operationalisation and ongoing maintenance.

BRIEF

To consider the Western Australian Local Government Association's ('WALGA') Draft Policy Paper which advocates changes to the Local Government Act 1995 to require superannuation to be paid to Elected Members.

ATTACHMENTS

Attachment 1: Western Australian Local Government Association's ('WALGA') Draft Policy Paper.

A. BACKGROUND / DETAILS

Under current arrangements, Elected Members can voluntarily decide to have all or a portion of their allowances paid into a superannuation fund.

In addition, under the Superannuation Guarantee (Administration) Act 1992 (Cth), local governments can unanimously resolve to be considered an 'eligible local governing body' through the Taxation Administration Act 1953 (Cth). As a consequence of such a resolution, Elected Members would then be treated similarly to employees (for the purpose of payments) and the local government would be required to make superannuation contributions in addition to payment of allowances.

However, a resolution of this nature also has significant implications: pay as you go (PAYG) tax would be required to be withheld for remission to the Australian Taxation Office (ATO), and Fringe Benefit Tax (FBT) would be applicable to all benefits provided to Elected Members. For these reasons, local governments in Australia typically do not pursue this course of action.

C. OFFICER'S COMMENT

The case in support of WALGA's proposed position -

As has been well documented through recent Inquiries into Local Government, "the role of a Councillor is challenging. Councillors are responsible for overseeing a complex business – that provides a broad range of functions, manages significant public assets, and employs in some cases hundreds of staff – all in a political and publicly accountable environment." (WALGA (2019) Final Submission: Select Committee into Local Government. Page 35).

It is crucial to the functioning of Local Government that Elected Members are appropriately remunerated for their time and contribution.

Payment of superannuation to Elected Members aligns with the objective of the superannuation system, which is “to provide income in retirement to substitute or supplement the Age Pension.” (Australian Government: The Treasury (2021) Superannuation Reforms).

The suggested advocacy approach by WALGA is to propose that the Local Government Act 1995 be amended to facilitate the payment of superannuation to Elected Members in addition to fees and allowances. This approach avoids the problems associated with the current arrangements around the need to withhold income tax and pay fringe benefits tax.

A fundamental question relates to whether the proposed amendment to the Local Government Act should require local governments to pay superannuation, or whether the decision to pay superannuation should be a decision of Council.

Under the principle of general competence, local governments should be empowered to manage their own affairs and the case could be made that this ought to extend to the payment of superannuation to Elected Members. However, as the superannuation system is underpinned by its universality, and there is potential for payment of superannuation to become a political debate around the Council table, a strong case can be made for the payment of superannuation to Elected Members to be a legislative requirement.

On balance, it is suggested that to achieve the objectives of the superannuation system and to avoid politicisation of the decision at a local level, payment of superannuation should be a universal entitlement for Elected Members and therefore a requirement of local governments contained in the Local Government Act 1995.

As is the case in other jurisdictions, the Salaries and Allowances Tribunal should not consider the payment of superannuation as part of their deliberative process. Specifically, payment of superannuation, equivalent to the superannuation guarantee, should be over and above the fees and allowances determined by the Salaries and Allowances Tribunal.

Wording for motion to support the WALGA position:

That Council supports WALGA in its advocacy to the Minister for Local Government that the Local Government Act 1995 be amended to require

local governments to pay Elected Members, into a nominated superannuation account, an amount equivalent to the superannuation guarantee determined with reference to fees and allowances paid to each Elected Member.

The case against WALGA's proposed position

As has been mentioned previously, Elected Members can under current arrangements voluntarily decide to have all or a portion of their allowances paid into a superannuation fund.

The Salaries and Allowances Tribunal each year determines minimum/maximum bands for each level of local government, where under the Shire's current position Elected Members are paid the mid-point of the Band 2 entitlement. An alternative to legislative amendment to mandate superannuation guarantee contributions could be for the Tribunal to review the band levels in this context, and for individual local governments to set its payments to Elected Members at an appropriate level.

Of relevance also is a statement by the Tribunal in its most recent determination for Local Government Chief Executive Officers and Elected Members dated 8 April 2021, where the Tribunal emphasises at paragraph 17 of its preamble that it is emphasised that fees and allowances, in lieu of reimbursement of expenses, provided to elected members are not considered payment for work performed in a manner akin to regular employment arrangements. Elected members are provided these fees and allowances to recognise the commitment of their time and to ensure they are not out of pocket for expenses properly incurred in the fulfilment of their duties. The Tribunal's original 2013 determination stated that "fees and allowances provided to elected members are not intended to be full time salaries for members". The Tribunal continues to recognise the degree of voluntary community service in the role of elected members.

Wording for motion to support an alternative to the WALGA position, and the recommendation of staff is:

That Council:

- 1. Not support WALGA proposed policy position that the Local Government Act 1995 be amended to require local governments to pay Elected Members, into a nominated superannuation account, an amount equivalent to the superannuation guarantee determined with reference to fees and allowances paid to each Elected Member.*
- 2. Support advocacy to the Minister for Local Government to request that the Salaries and Allowances Tribunal, when allocating band ranges,*

consider sections 2.7 to 2.10 of the Local Government Act, which outlines the roles and responsibilities of local governments, councillors, mayors, presidents and their deputies, in the context of foregone superannuation guarantee contributions.

RECOMMENDATION / COUNCIL DECISION

That Council:

- 1. Not support WALGA proposed policy position that the Local Government Act 1995 be amended to require local governments to pay Elected Members, into a nominated superannuation account, an amount equivalent to the superannuation guarantee determined with reference to fees and allowances paid to each Elected Member.**
- 2. Support advocacy to the Minister for Local Government to request that the Salaries and Allowances Tribunal, when allocating band ranges, consider sections 2.7 to 2.10 of the Local Government Act, which outlines the roles and responsibilities of local governments, councillors, mayors, presidents and their deputies, in the context of foregone superannuation guarantee contributions.**

Entitlement to Superannuation

Elected Members, like all workers, should be entitled to payment of superannuation. Payment of superannuation to Elected Members would address a historical anomaly that has seen Elected Members denied a benefit enjoyed by the broader workforce.

Given community expectations and the time commitment of serving on or leading a Council, many Elected Members are sacrificing opportunities for paid work to serve their community on Council.

As has been well documented through recent Inquiries into Local Government, "the role of a Councillor is challenging. Councillors are responsible for overseeing a complex business – that provides a broad range of functions, manages significant public assets, and employs in some cases hundreds of staff – all in a political and publicly accountable environment."¹

It is crucial to the functioning of Local Government that Elected Members are appropriately remunerated for their time and contribution.

Payment of superannuation to Elected Members aligns with the objective of the superannuation system, which is "to provide income in retirement to substitute or supplement the Age Pension."²

In addition, it is hoped that payment of superannuation would lead to greater interest and more nominations to serve on Council from women and younger people, leading to greater representation on Councils by people from traditionally underrepresented demographics.

Current Arrangements

Under current arrangements, Elected Members can voluntarily decide to have all or a portion of their allowances paid into a superannuation fund.

In addition, under the *Superannuation Guarantee (Administration) Act 1992* (Cth), Local Governments can unanimously resolve to be considered an 'eligible local governing body' through the *Taxation Administration Act 1953* (Cth).

As a consequence of such a resolution, Elected Members would then be treated similarly to employees and the Local Government would be required to make superannuation

contributions in addition to payment of allowances. However, a resolution of this nature also has significant implications: pay as you go (PAYG) tax would be required to be withheld for remission to the Australian Taxation Office (ATO), and Fringe Benefit Tax (FBT) would be applicable to all benefits provided to Elected Members. For these reasons, Local Governments in Australia typically do not pursue this course of action.

Other Jurisdictions

Approaches in other jurisdictions are mixed, however the issue of superannuation entitlements for Elected Members has increasingly been the subject to public debate in other states of Australia.

In New South Wales, following a state-led discussion paper and consultation process, amendments to the Local Government Act have been put forward that would enable Councils to resolve to pay superannuation contributions from July 2022.

This mirrors the approach in Queensland where, under the state's Local Government Act, Councils may resolve to pay superannuation contributions to Elected Members.

Elected Members in Victoria are paid a cash loading equivalent to the superannuation guarantee, but this is not required to be paid into a superannuation fund.

No superannuation is paid in Tasmania, South Australia or the Northern Territory.

Proposed Approach

The recommended advocacy approach is to propose that the *Local Government Act 1995* be amended to facilitate the payment of superannuation to Elected Members in addition to fees and allowances.

This approach avoids the problems associated with the current arrangements around the need to withhold income tax and pay fringe benefits tax.

A fundamental question relates to whether the proposed amendment to the Local Government Act should *require* Local Governments to pay superannuation, or whether the decision to pay superannuation should be a decision of Council.

Under the principle of general competence, Local Governments should be empowered to manage their own affairs and the case could be made that this ought to extend to the payment of superannuation to Elected Members. However, as the superannuation system is underpinned by its universality, and there is potential for payment of superannuation to

become a political debate around the Council table, a strong case can be made for the payment of superannuation to Elected Members to be a legislative requirement.

On balance, it is posited that, to achieve the objectives of the superannuation system and to avoid politicisation of the decision at a local level, payment of superannuation should be a universal entitlement for Elected Members and therefore a requirement of Local Governments contained in the Local Government Act.

Feedback is sought from Members on this specific issue:

Should Local Governments be enabled or required to pay superannuation to Elected Members?

Why is that approach preferred?

As is the case in other jurisdictions, the Salaries and Allowances Tribunal should not consider the payment of superannuation as part of their deliberative process. Specifically, payment of superannuation, equivalent to the superannuation guarantee, should be over and above the fees and allowances determined by the Salaries and Allowances Tribunal.

Costs

There will be a cost associated with the payment of superannuation to Elected Members. These costs will be particularly noticeable in the first year when superannuation becomes payable.

The table below identifies the maximum possible cost of paying superannuation based on the current Salaries and Allowances Tribunal (SAT) determination³, and the current superannuation guarantee of ten percent.

The second column in the table identifies the maximum number of Elected Members currently elected to at least one Local Government in each SAT band in Western Australia. The third column then assumes that the maximum allowances are paid to all Councillors, the Mayor or President and the Deputy Mayor or Deputy President. From this, the maximum superannuation liability, based on the current SAT determination and the current superannuation guarantee of ten percent, per SAT band is calculated.

³ Salaries and Allowances Tribunal (2021) *Determination of the Salaries and Allowances Tribunal on Local Government Chief Executive Officers and Elected Members*, 8 April 2021. <https://www.wa.gov.au/sites/default/files/2021-04/Local%20Government%20Chief%20Executive%20Officers%20and%20Elected%20Members%20Determination%20No%20of%202021.pdf>

It is acknowledged that the actual liability for each Local Government is likely to be less than the maximum due to fewer Elected Members than the maximum listed in the second column, and / or paying less than the maximum allowances to Elected Members. In this way, the table below represents the **maximum** potential cost to Local Governments in each band.

Band	Maximum number of Elected Members (currently)	Maximum fees and allowances	Maximum Superannuation liability
1	15	\$603,199	\$60,320
2	13	\$389,101	\$38,910
3	11	\$235,208	\$23,521
4	11	\$139,653	\$13,965

While the costs are acknowledged, it is argued that on balance the benefits of paying superannuation to Elected Members as outlined in this paper outweigh the costs.

Recommendation

WALGA recommends to the Minister for Local Government:

That the *Local Government Act 1995* be amended to require Local Governments to pay Elected Members, into a nominated superannuation account, an amount equivalent to the superannuation guarantee determined with reference to fees and allowances paid to each Elected Member.

Process for Consultation

This paper has been prepared as a *Draft Policy Position Paper*. Feedback is sought from members in regards to the recommendation put forward by this paper.

Comments or submissions should be made to Tim Lane, Manager Strategy and Association Governance, at tlane@walga.asn.au by **Friday, 22 October**.

State Council's Governance Policy Team will meet in late October to consider member comments and submissions and provide guidance to inform a State Council agenda item, which will be considered at November Zone meetings and the 1 December meeting of State Council.

Following a State Council decision, advocacy will be undertaken with the Minister for Local Government.

BRIEF

For Council to consider awarding a contract in response to a request for Quotation for Management of Old Quarry Road Waste Facility.

Council obtained quotes through the WALGA preferred supplier network for a five year term commencing 20 December 2021 for the management of the facility. There are two twelve month extension options available at the discretion of the principal.

In addition, as part of the request process two separable portions were included as follows –

- Separable Portion 1, Tip Shop and Transfer Station Management; and
- Separable Portion 2, Inkpen Landfill Facility Management are included in this contract award.

ATTACHMENTS

- Attachment 1: Evaluation Matrix (provided as a separate confidential attachment to this agenda and minutes)
- Attachment 2: Evaluation Report (provided as a separate confidential attachment to this agenda and minutes).

A. BACKGROUND / DETAILS

The current management contract for the Old Quarry Road Waste Management Facility is due to expire in December 2021. The Tip Shop and Transfer Station are currently under construction with a scheduled completion date of February 2022.

Separable Portion 1 has been included in this contract for the management of the new facility proposed to be awarded to the same contractor that will come online post completion without impacting the commencement of the contract for the management of the existing facility.

Separable portion 2 was let as an option for the Shire to opt into for the Management of the Inkpen Landfill Facility, which is currently managed by Avon Demolition and Earthmoving that is out of contract. It is proposed to establish a new contract for the management of the Inkpen Facility with an increased scope that will include all operations, labour, plant, materials, supervision and survey administration.

A separate Public Tender was let for the Inkpen Landfill Facility Management to enable smaller local companies who are not part of the WALGA Preferred Supplier Program the opportunity to submit. This Tender received a single submission and upon completion of the evaluation it was decided to reject all tenders under Delegated Authority F04. This decision was made on the basis of best value for money when compared to the price submitted within the Separable portion 2 of the Request for Quotation process.

B. CONSIDERATIONS

B.1 Strategic Community / Corporate Business Plan

Theme Area 4: Environment and Heritage

Outcome 4.3: Residents and organisations within the Shire of Northam are supported to reduce their environmental impact.

Objective: Sustainable waste management with the aim of reducing and reusing waste effectively.

B.2 Financial / Resource Implications

Council currently budgets funds to cover the ongoing management of the Old Quarry Road facility, the Tip Shop and Transfer station and the Inkpen Facility as set out below:

Old Quarry Road Landfill Facility

Annual management fee for the facility (Job 1303)	\$531,792
General Site Maintenance	\$ 6,000
	\$537,792

Transfer Station & Tip Shop

Estimated first 6 month operational costs (x2)	\$270,000
--	-----------

Inkpen Landfill Facility

Annual Management Fee for the facility (Job 1500)	\$ 80,000
General Site Maintenance	\$ 3,500
Maintain Loader	\$ 11,000
	\$ 94,500

Total Budgeted expenditure across 3 sites for 12 months **\$902,292**

RFQ Quoted expenditure

Old Quarry Road Landfill Facility

Annual management fee for the facility (Job 1303)	\$554,052
Includes General Site Maintenance	

Transfer Station & Tip Shop

Estimated first 6 month operational costs (x2)	\$242,064
--	-----------

Inkpen Landfill Facility

Annual Management Fee for the facility (Job 1500)	\$212,568
Includes General Site Maintenance and plant	

Total Quoted expenditure across 3 sites for 12 months **\$1,008,684**

Currently the Shire receives income from scrap metal from both Old Quarry Road and Inkpen Road facilities, which is budgeted at \$20,000 per year. By giving the new contractor salvage rights over both sites the savings of the contract management cost stated above equates to approximately \$60,000 per year, which is \$40,000 over the budgeted income.

Total Quoted expenditure across 3 sites for 12 months
Including Salvage Rights **\$948,672**

The budget shortfall of approximately \$46,000 per year will be accounted for with the planned increase in fees and charges in the next financial year. In addition, any profit from the operation of the Tip Shop will be returned to the Shire of Northam which will also offset operating costs, however the extent of this is not known at this time.

All Quoted prices are subject to CPI increases on the 1st July each year.

B.3 Legislative Compliance

Section 3.57 Tenders for Providing Goods or Services of the Local Government Act 1995 states –

- (1) A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods or services.
- (2) Regulations may make provision about tenders.

Section 11(2) of the Local Government (Functions and General) Regulations 1996 states, tenders do not have to be publicly invited according to the requirements of this Division if —

- (b) the supply of the goods or services is to be obtained through the WALGA Preferred Supplier Program.

B.4 Policy Implications

Council Purchasing policy also states the following –

3.2 Tendering Exemptions

An exemption to publicly invite tenders may apply in accordance with s11 (2) of the Local Government Act (Functions & General) Regulations 1996, which includes, but may not be limited to the following instances:

- the purchase is from a pre-qualified supplier(s) under a Panel of Pre-qualified Suppliers (Panel) established by the Shire;
- the purchase is obtained from a pre-qualified supplier under the WALGA Preferred Supply Program;
- the purchase is to be obtained from expenditure authorised in an emergency (Regulation 11(2)(a));
- the purchase is of a unique nature, with a sole source of supply (Regulation 11(2)(f));
- the purchase is acquired from a person registered on the WA Aboriginal Business Directory, as published by the Chamber of Commerce and Industry of Western Australia Limited or a person registered with the Australian Minority Supplier Office Limited (trading as Supply Nation), where the consideration under contract is worth \$250,000 or less and represents value for money (Regulation 11(2)(h));
- the purchase is acquired from an Australian Disability Enterprise (Regulation 11(2)(i)); or
- any of the other exclusions under Regulation 11 of the Regulations apply.

6. Sustainable Procurement and Corporate Social Responsibility
Sustainable Procurement and Corporate Social Responsibility (CSR) is defined as the procurement of goods and services that have less environmental and social impacts than competing goods and services. The Shire is committed to sustainable procurement, and will ensure that sustainable and CSR considerations are balanced against value for money outcomes, in accordance with the Shire's sustainability objectives.

B.5 Stakeholder Engagement / Consultation

Council officer sought advice from WALGA regarding the process for this procurement methodology.

C. OFFICER'S COMMENT

The operation of waste management facilities, particularly landfills, is becoming more and more highly regulated by State government agencies, such as the Department of Water and Environmental Regulation (DWER), and therefore it is imperative to ensure that the Shire's facilities are managed professionally by an experienced operator.

The recommendation to appoint Avon Waste as the manager of the Shire's waste management facilities, will ensure that the operation of the facilities meet the conditions of their respective DWER licenses together with improved maintenance regimes.

The inclusion of metal salvage rights in the management of both facilities will provide improved incentive to maximise recycling of this product, which will in turn reduce the amount of metal products being disposed of by landfill, increasing air space and extending the life of the landfills.

Further opportunities to improve recycling and reduce waste being disposed of by landfill will occur when the tip shop and transfer station are operational.

The new Contract will provide a consistent and professional approach to the management of the Shire's waste management facilities.

That Council:

1. Accept the quote received from Stondon Pty Ltd (trading as Avon Waste) through the WALGA preferred supplier program for the management of the Old Quarry Road Landfill facility for the submitted price including salvage rights of \$514,044 +GST per annum with an annual CPI increase commencing 20 December 2021.
2. Accept the quote received from Stondon Pty Ltd (trading as Avon Waste) through the WALGA preferred supplier program for Separable Portion 1 for the Transfer Station and Tip Shop Management for the submitted price of \$242,064 +GST per annum with an annual CPI increase commencing late February 2022, dependent upon completion and handover of the current civil construction of the site.
3. Accept the quote received from Stondon Pty Ltd (trading as Avon Waste) through the WALGA preferred supplier program for Separable Portion 2 for the Management of the Inkpen Landfill Facility for the submitted price of \$192,564 +GST per annum with an annual CPI increase commencing 1 July 2022.
4. Authorise the CEO to enter into a contract with Stondon Pty Ltd (trading as Avon Waste) for a period of 5 years with 2 x 1 year extension options at the discretion of the Shire in accordance with the specifications contained within the request for quote documents.

C. OFFICER'S COMMENT

Two expressions of interest (EOI's) have been received for community representation on the Community Safety Committee. Details of the EOI's have been provided to Councillors as a confidential attachment.

RECOMMENDATION

That Council appoint the following community members to the Community Safety Committee:

- Ulo Rumjantsev
- Elizabeth Hoek

MOTION / COUNCIL DECISION

Minute No: C.4342

Moved: Cr Williams

Seconded: Cr Hughes

That Council, in relation to the Community Safety Committee,

- 1. Amend the terms of reference at point 3 - Membership, to include 1 proxy delegate position for elected members.**
- 2. Replace Cr Tinetti with Cr Williams as the Council delegate for the ensuing two (2) years;**
- 3. Appoint Cr Tinetti as the Council Proxy delegate for the ensuing two (2) years.**
- 4. Appoint the following community members to the Community Safety Committee:**
 - Ulo Rumjantsev
 - Elizabeth Hoek

**CARRIED 9/0
BY ABSOLUTE MAJORITY**

Reason for Change to Officer's Recommendation

Having a proxy delegate position for elected members will help to achieve a quorum and help ensure there is council representation if one or both elected member delegates are unable to attend a meeting. The change of Cr Tinetti to Cr Williams as council delegate is that Cr Tinetti has time constraints and feels he may not be able to attend most meetings.

Attachment 2 – Community Safety Committee Terms of Reference

Community Safety Committee Terms of Reference 2021 to 2023

TERMS OF REFERENCE

SHIRE OF NORTHAM COMMUNITY SAFETY COMMITTEE

1. Objectives of the Shire of Northam Community Safety Committee
