Operational Matters:

If ratepayers have not already done so, there is the opportunity to register for e-rates. What this means is the ability to receive rates in a convenient electronic form. If chosen, this assists the environment by generating less paper, less plastic, greenhouse gas emissions and landfill waste.

Events Calendar:

During July, the Shire of Northam Participated in an important event during NAIDOC Week. Themed "For our Elders", the event included a Smoking Ceremony, Welcome to Country and traditional cultural entertainment.

The next major event is during August, when the Shire is hosting the Bilya Avon Descent Festival. This forms part of the 50th anniversary of the Avon descent, of which the Shire of Northam has consistently been the official starting place.

Strategic Matters:

The Shire of Northam is continuing with a number of strategies, as identified by our community. A recent example of this is the opening of a new Short Stay RV Park in Northam. The new RV park is located on Mitchell Avenue and is located within walking distance of main shopping areas, retailers and hospitality venues. The site is located behind the old Northam Swimming Pool site, which will be redeveloped in the future. The site was the historic location of a Caravan Park.

This complements the very successful RV park in Wundowie. The Shire has plans for more short stay RV parks across more locations.

Council Forum Meeting Notes
12 July 2023

- Name:** Ms Lindsay Newland.
- Agenda Item:** 13.1.3 – Renewal of Lease for a portion of 33 Wellington Street, Northam – Avon Valley Art Society.
- Deputation:** The Avon Valley Arts Society (known as AVAS) mission statement is: To collect, study, exhibit and stimulate appreciation for and advance knowledge of works of art that collectively represent the broadest spectrum of human achievement at the highest level of quality, all in the service of the public and in accordance with the highest professional standards.
- Lindsay Newland, chair of the Avon Valley Arts Society and the committee formed in 2021. During this time they have achieved considerable growth including:
- Memberships have built back up to pre-covid numbers, currently at 78 memberships.
 - Increased representation of the arts in the community with free activities at events.
 - Increased engagement with other community groups and businesses.
 - Reinstated regular art and craft workshops and events, weekly art nights and 1-2 workshops a month, free activities at events.
 - Gained new local creators to stock the retail section at the Northam Visitor Centre.
 - Held continual exhibitions in the gallery space of the Northam Visitors Centre.
 - Increased the prize pool of the Northam Art Prize, with the help of local businesses, which has led to entry numbers doubling to 180 artworks in the past two years.
 - Broadened the representation of the arts in the Northam Art Prize and the Killick Art Awards with new categories specifically for Indigenous artists and youth artists.
- AVAS are in the process of creating a long-term plan for growth and have identified the following issues: A two-year lease option does not give us the security to take on more ambitious projects.
- Our growth has led to increased expenses and will continue to do so. Equipment and material needs have increased to enable us to provide and facilitate workshops and exhibitions.
 - Despite increased membership, volunteer numbers are still low. We are currently looking at

Council Forum Meeting Notes
12 July 2023

seeking professional help to maintain our finances and provide training to encourage volunteers.

- The current cost of living has impacted participation rates at our paid workshops, meaning less income to put towards running costs. AVAS seeks the following endorsement and support from the Shire of Northam.

Proposition 1:

The recommendation has been made that a further term of 5 years be granted to our existing two-year lease. We ask the council to consider extending that recommendation to provide an optional five years once the initial term is over.

Outcome:

A longer lease will provide us with the security to source funding to accomplish more ambitious projects such as a sculpture garden on the grounds and developing new spaces to offer further services.

Proposition 2:

We ask the council to consider varying the policy requirements to charge for building insurance and rates for electricity and water.

Outcome:

The removal of these costs will allow AVAS to continue to develop and run free and low-cost activities for the community. It will provide us with the extra support to ensure we can continue to grow the arts in Northam.

Thank you for your consideration in this matter.

Name: Mr Denis Beresford.
Agenda Item: Not applicable.
Summary of Deputation: In 1912, after the old Northam post office was closed it was taken over by the army and used until the end of 2nd world war, before the battalion was disbanded and the building was left empty again.

Between the early 1950s and early 1980s a new regiment was formed, this was known as the 10th Light Horse infantry. There were three (3) squadrons, one of which was located in Northam and where granted the Freedom of the Town of Northam.

Council Forum Meeting Notes
12 July 2023

The history of the unit was heavily associated with Northam, however once the unit was moved to Perth in the 1980's there was no sign left of them being here at all.

Mr Beresford is proposing station a decommissioned armoured vehicle and situating it in a place of prominence in Northam as a memorial to the 10th Light Horse infantry. Mr Beresford requested Council to issue a letter of support and identify a prominent location for its positioning.

Clarification was sought in relation to:

- Was this suggestion looked at previously for behind the RSL?

The Chief Executive Officer confirmed that the newly created park behind the RSL had been identified as a potential location for war time or emergency service related plant or equipment. Provision has been made within the design for locations..

- If the Shire of Northam was to issue a letter of support what would be the next steps?

Mr Beresford advised that he has already approached the local member, Melissa Price, and she is willing to approach the Minister of Defence regarding the proposal, however she believes that the request would be more powerful with the Council's support.

Additional Comment:

This request will be considered further at the Council's upcoming Strategic meeting.

13.1.1 Lease of former Bakers Hill Fire Shed to Bakers Hill Out of School Hours Care

Clarification was sought in relation to:

- The 10 year lease with the 10 year extension option, is this regardless of the organisation receiving funding?

The Governance Coordinator confirmed that the intent of the recommendation is regardless of if they receive funding. It was noted that the funding is for a new build and if they don't receive it they are proposing to proceed with their original plan to refurbish/extend the existing building.

- Once the fire shed is sold would the \$5,000 be provided if the sale price was less than this amount?

The Governance Coordinator advised that staff are of the view that the sale of the she would yield \$5,000 or more.

- If the fire shed were to be demolished, would the Shire need to pay for the demolition and then still pay the group \$5,000 on top of that?

The Governance Coordinator advised that demolition could be included as part of a tender process. Discussion was held around conditioning the provision of the \$5,000 to the disposal of the shed.

- It was noted that one of the risk ratings in the table of the report was missing. This will be corrected in the agenda for the Ordinary Council Meeting.

- Would the group be better off on private land rather than Shire land?

The Chief Executive Officer advised that this is not something that has an impact on Council and would be something for the group to consider.

- Clarification was provided on the closing dates for the mentioned funding.

- If the building goes ahead, should the group ever vacate the property, would it revert back to being Shire property?

Council Forum Meeting Notes
12 July 2023

The Chief Executive Officer confirmed this to be correct.

- The report states that the funding is for disadvantaged rural areas, would Bakers Hill be considered a low socio-economic area?

The Chief Executive Officer advised that it is possible if they are using the Socio-Economic Indexes for Areas (SEIFA) rating.

Additional Comment:

SEIFA indexes are a good place to start to get a general view of the relative level of disadvantage in one area compared to others, but it is important to also look at these underlying characteristics as they can differ markedly between areas with similar SEIFA scores and shed light on the type of disadvantage being experienced.

A higher score on the index means a lower level of disadvantage, or (in the case of IRSAD only) a higher level of advantage. A lower score on the index means a higher level of disadvantage on both indexes, and a lack of advantage on the IRSAD.

The percentile column indicates the approximate position of this small area in a ranked list of Australia's suburbs and localities in 2021. It's meant to give a broad indication of where the area sits within the whole nation. A higher number indicates a higher socio-

Index of Relative Socio-economic Disadvantage

Shire of Northam's small areas and benchmark areas		
Area	2021 index	Percentile
Greater Perth	1,020.0	54
Western Australia	1,011.0	48
Northam Rural Districts	1,002.8	43
Australia	1,001.2	42
Bakers Hill	998.2	41
Wheatbelt Region (SA4)	979.6	31
Regional WA	973.0	28
Shire of Northam	938.4	17
Wundowie	922.8	13
Northam	910.5	11

economic status. For instance, a percentile of 72 indicates that approximately 72% of Australia's suburbs have a SEIFA index lower than this area (more disadvantaged), while 28% are higher. This applies a comparison to suburbs even when the index concerned doesn't relate to a suburb.

Council Forum Meeting Notes
12 July 2023

Based on the above information Bakers Hill would not be classified as lower socio economic in the view of staff, whereas the Shire of Northam would be.

13.1.2 HR Policy Reviews

Clarification was sought in relation to:

- In the summary table within the report for the Alcohol Consumption Policy, it states that only low alcohol will be available, is this correct?

The Chief Executive Officer advised that this is incorrect and will be updated for the Ordinary Council meeting agenda.

- The Alcohol Consumption Policy also states that low/mid strength alcohol will be available, is this the only type that will be available?

The Chief Executive Officer confirmed that this is not the case and it will be an alternative option in addition to non-alcoholic.

- Whether councillors should be listed in the scope of the Smoking and Vaping Policy?

The Chief Executive Officer advised that this will be updated in the Ordinary Council Meeting agenda.

The Shire President, Cr C R Antonio, brought item 13.1.3 - Renewal of Lease for a portion of 33 Wellington Street, Northam – Avon Valley Art Society forward for the convenience of those in the public gallery.

Cr M I Girak declared an "Impartiality" interest in item 13.1.3 – Renewal of Lease for a portion of 33 Wellington Street, Northam – Avon Valley Art Society, as in previous years Cr Girak was a Council Representative on the Avon Valley Art Society Committee and many of AVAS are known to Cr Girak.

Cr C R Antonio declared an "Impartiality" interest in item 13.1.3 – Renewal of Lease for a Portion of 33 Wellington Street, Northam – Avon Valley Art Society, as he is a general member of the Avon Valley Art Society.

Cr D A Hughes declared an "Impartiality" interest in item 13.1.3 – Renewal of Lease for a Portion of 33 Wellington Street, Northam – Avon Valley Art Society, as Cr Hughes is a member of the Avon Valley Art Society and is also the Shire representative to attend committee meetings.

Council Forum Meeting Notes
12 July 2023

13.1.3 Renewal of Lease for a portion of 33 Wellington Street, Northam - Avon Valley Arts Society

Clarification was sought in relation to:

- Why is this a lease agreement when a previous community group was offered a licence agreement?

The Chief Executive Officer advised that the licence to occupy is preferred if there is more than one user of the facility or it is for an area within a larger facility or if the area is proposed to be used by others, which could include the Shire. The previous proposal regarding a community group was for a small portion of a larger facility, whereas this is for the whole facility with no other users proposed.

- The earlier deputation by the Avon Valley Art Society has requested that the Shire consider covering some of the costs associated with the building insurance and water rates. The community group was requested to provide their financial statements for the Council to take into consideration.
- Are there many other organisations that have the building insurance covered by the Shire?

The Governance Coordinator advised that the building insurance is usually the responsibility of the lessee to pay unless council has determined otherwise.

The Governance Coordinator will provide a list of all community groups and costs associated with the lease/licence agreements to allow Council to consider holistically.

- Why was the agreement for a 5 year lease with a 2 year extension option and not a 5 year extension option?

The Governance Coordinator advised that Officers are unsure why a two year option was included as part of the original lease agreement.

Ms L Newland left the meeting at 5:58pm.

13.1.4 Extension of Lease for Hangar 20, Northam Airport - Department of Biodiversity & Attractions

**Council Forum Meeting Notes
12 July 2023**

Clarification was sought in relation to:

- Why is this lease with the Department of Biodiversity and not with DFES?

The Governance Coordinator advised that Officers are unsure of the reason for this state government department being responsible for the lease.

- What is the difference between points 4 and 5 in the recommendation?

The Governance Coordinator advised that point 5 is an error and will be removed.

- Why are Officers recommending that the Shire cover the fees and not the Lessee?

The Governance Coordinator advised that the Shire was responsible for the costs in their previous lease and recommends that we remain responsible for the fees due to a decision of council at the June Ordinary Council Meeting. This was to request the Department of Fire and Emergency Services (DFES) to continue to base water-bombers out of the Northam Airport during the fire season. The Chief Executive Officer advised that if we are requesting their continued presence, it could be seen as counterintuitive to then charge them.

- The report mentions that their lease had been terminated, do they currently hold a lease?

The Governance Coordinator advised that while the lease has expired there is a holding over period which is still in effect.

INTRODUCTION

On October 30, the Northam Army Camp Heritage Association created and coordinated one of Northam's major events in 2022, the NACHA HERITAGE & MULTICULTURAL FESTIVAL.

The Festival comprised of two major components: the NACHA MUSIC TRAIL which was held on the Saturday and the HERITAGE & MULTICULTURAL FESTIVAL, held on the Sunday. The event attracted almost 3000 people from all over WA. The Shire of Northam provided a grant of \$20,000 of funding toward the event, aiding in its success.

For this support, NACHA is extremely grateful. In 2023, NACHA needs the same support to continue this incredible event for Northam.

UNCONFIRMED

WHAT DOES NACHA NEED & WHY?

NACHA respectfully requests for the additional \$10,000 as provided for the 2022 Heritage and Multicultural Event.

As evident, the money would assist the shortfall required to enable this wonderful group of volunteers to keep providing the community of Northam and the greater community of WA with an event celebrating the Multiculturalism of the Shire of Northam, in both heritage and future.

Any additional grants that NACHA can secure will allow them to provide the weekend event with the following:

1. More entertainers and performers including children's groups from Perth and the greater WA.
2. The possibility of doing another NACHA MUSIC TRAIL – starting later in the afternoon and incorporating more locations across the Shire.
3. More advertising on both Social Media and TV. Radio was used on 6IX last year, and an interview was conducted on 6PR which assisted the event being attended by more Perth based residents.
4. This event, if supported by The Shire of Northam has the ability to grow into one of Perth's leading Multicultural events as it is estimated that approximately 15,000 men, women and children passed through the Northam Camp. Prior to this the camp housed 3500 Italian POW's. The connection to Northam in greater Perth and WA is enormous, and if publicised correctly, could draw a new tourist to the Shire annually.
5. A survey was conducted by participants from 2022, and out of 48 filled in forms, we can sample that 22 people were from North am, 26 people came from Perth and 1 person came from Meckering.

SUMMARY

In short, without the \$20,000 of Grant Funding from the Shire of Northam, the 2023 Heritage and Multicultural Festival will be unable to produce the same level of entertainment and foot traffic as 2022. The SoN council was asked to decide on the Grant for 2023's budget allocation BEFORE the 2022 event took place.

The \$10,000 grant allocation was based upon 2021's results and therefore was not based on actual figures or attendance in 2022.

We ask that you please reconsider and allow this dedicated group of volunteers the opportunity to continue their good works.

Many thanks

All members were in agreement, so this will now form part of the meeting procedure.

A. OFFICER'S COMMENT

Community Safety Committee Meeting Minutes
14 February 2023

The Shire of Northam's Community Development Officer to provide an update on recent activities.

Focus Area 1: Building Partnerships & Internal Capacity

Quarterly Shire of Northam Crime Statistics (January – April 2023) presented below

- Monthly figures on the reports of crime within the Shire of Northam boundaries are compiled and supplied to the Shire by WALGA based on the figures they receive from the WA Police Force. Data excludes family and domestic assaults.
- The areas of most concern remain shoplifting, drug possession, property damage and dwelling burglary. It is requested that the committee identify programs that are operating by agencies within the shire to address these problematic areas or initiatives that can be considered for implementation. This links to objective 3.1, where it is proposed to commence a mapping of services at the next Community Safety Committee meeting.
- At the meeting held 14 February 2023, SSGT Martin Glynn said that WA Police Force would be increasing traffic policing in the area, targeting drink driving. It is noted that the April figures show a slight increase in transport related offences. An update is requested as to whether this has occurred and whether it has been successful.
- The chart below shows that overall crime reports dropped over the January – March quarter last year, and have increased again this year, however not to the same levels as 2017 -20219.
- An update to provided in Item 10.2 from the Northam & Wundowie Police Stations

C. OFFICER'S COMMENT

Constructing a new facility will enable the BHOSHC to increase their childcare numbers which will assist in addressing the availability of childcare within the Shire. This proposal aligns with the Shire's strategic direction and will provide a benefit the current / new businesses and residents moving into the community.

In the event that BHOSHC are unsuccessful in obtaining grant funding for the construction of a new building, the BHOSHC may revert to the original proposal to refurbish the existing building.

FIRE SHED PROPOSAL

Thank you for the opportunity to provide more information regarding BHOSHC relocating to the former Bakers Hill Fire Shed.

Summary and Background

BHOSHC provides Before and After School and Vacation Care to children from the Bakers Hill area and is also open to children in the district and surrounds. We cater for school children from Kindy to Year 6.

We are licensed for 24 children at our current location, (Bakers Hill Primary School library) however relocating to the Fire Shed will result in us having a larger space to operate and the opportunity to expand our service license to cater for a higher capacity of children.

After recently visiting the site again, we decided that it might be better to remove the existing Fireshed and build a new one. That way, we can expand the space to cater for more families.

This calendar year, our client base has increased and some days we are at capacity after having many new families move into the area and requiring childcare.

Vision

Our numbers allowed are based on the area provided. The area required for childcare is 3.25m² of unincumbered space per child. We'd like to build a new larger building on site and extend 3m at the back and 8-10m at the front of the existing shed size.

Our internal plans won't deviate much from the original proposal but will just have the extra metreage at the front of the building which will allow us to have an extra 27 to 35 children.

I've attached a quote and plans from a local supplier for what we have in mind. Although, if approved, we'd look into a different type of structure than a shed, if allowed.

Speaking with young families in the area, they're currently being turned away from other daycare centres as they are full. We'd like the build to be within the requirements of the Childcare and Building Legislations to allow us to move to a full day care facility without having to change the internals of the building.

Proposal outline

Depending on availability of trades and materials – we'd like to be operating out of the Fireshed within 12 months.

The Community Child Care Fund (CCCF) has a grant coming out shortly. Details:

The Australian Government has made available grant funding of up to \$18 million (GST exclusive) over 2 years from 2023–24 to 2024–25 as part of the Stronger Regional Futures package.

Grants are available to Child Care Subsidy (CCS) approved early childhood education and care (ECEC) providers that meet the eligibility criteria.

Establishment and Capital support funding will be available to assist in establishing up to 20 new child care services in disadvantaged regional and remote areas of Australia where there is an absence, or limited supply, of Centre Based Day Care or Family Day Care services.

Estimated period of release is between January to June 2023.

We are confident of receiving a substantial amount from this grant as we already have been receiving Operational Grants from CCCF over the past years.

BHOSHC would be looking to extend our Peppercorn lease further than the original 10 years as we'd be providing the Shire with a new, aesthetically pleasing, fit-for purpose building.

We'd also request that BHOSHC receive the funds for the sale of the shed if that would be possible.

Other Grants for Childcare are readily available and easily obtainable. Being rural, we have better opportunities for grants as the Government recognises the need for childcare in regional areas and understands our limitations (population, available services in the area)

If this proposal is declined, we will go ahead with the original plans.

We thank you for your time and look forward to the outcome.

Yours sincerely

Dianne Ferguson

dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not;

(a) it gives local public notice of the proposed disposition —

- (i) describing the property concerned; and
- (ii) giving details of the proposed disposition; and
- (iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given; and
- (b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.

Delegated Authority Register – F 06 Disposing of Property by Lease or Licence

This delegation grants authority to the Chief Executive Officer to dispose of property by lease or licence subject to conditions. The delegation contains a condition requiring the disposal to be in accordance with Council policy, however as this lease has historically had a rental fee of \$1.00 per annum which is less than the recent market rental review, the lease cannot be considered under delegated authority.

B.5 Stakeholder Engagement / Consultation

Officers contacted the Department in August 2022 seeking their interest to renew the lease. The Department have now confirmed that they wish to renew this lease and are requesting a further term be included.

B.6 Risk Implications

Refer to Risk Matrix [here](#).

Risk Category	Description	Rating (likelihood x consequence)	Mitigation Action
Financial	Nil.		
Health & Safety	Nil.		
Reputation	Damage to reputation should Council not approve an extension under the same terms and conditions given it is requesting the services to be based at the Northam Airfield during peak bush fire periods.	Minor (2) x Possible (3) = Moderate (6)	Approve an extension to the lease under the same terms and conditions as the existing lease.
Service Interruption	Nil.		
Compliance	Non-compliance with disposal requirements within <i>Local Government Act 1995</i> .	Minor (2) x Unlikely (2) = Low (4)	Apply the requirements of the <i>Local Government Act 1995</i> and <i>Local Government (Functions and General) Regulations 1996</i> .
Property	Nil.		
Environment	Nil.		

B.7 Natural Environment Considerations

This report has no direct natural environment considerations, however indirectly through granting this lease it provides facilities to state

government departments to manage bush fire incidents and risks associated which could impact the natural environment.

C. OFFICER'S COMMENT

Given Council has previously indicated its support for emergency services aircraft to be based at the Airfield during peak bush fire periods, Officers are recommending that Council grant the extension with the same terms and conditions of the current lease (i.e. rental of \$1.00 per annum).

Notes to the Financial Statements (items in bold represent new notes)

Operating Revenue

1. Interest earnings over budget by 8% as the Shire earned more than budgeted as the interest rates from most banks improved post covid .
2. Other revenue above budget by 19% due to the various delegated authority items sold via auction.

Operating Expenditure

3. Interest expense under budget by 21% due to timing of payment of the WATC loans interest.
4. Other expenditure is over budget by \$183,688 mainly due to public works overheads allocations that are under budget.

Non-Operating Grants, Profit & Loss

5. Non-Operating grants are under budget by 37% due to the timing of BFB grants not yet received and other recreations and sports grants yet to be received.
6. Profit and Loss on asset disposal is significantly down as lead times for obtaining replacement vehicles have been longer than expected. Procurement has ordered the budgeted vehicles in December 2022 we are waiting for appropriate replacements before disposing of our current vehicles.

Proposed Budget amendment Capital Expenditure - Bush fire brigade sheds

7. Request to move budget allocations within the same program area to cater for a shortfall in expenditure for relocating a generator. This budget variation is being done in accordance with policy F4.11 budget variation reporting section 2.2.1 We propose to allocate \$23,642 to account 05067034 to cater for cost of relocating the generator from inside the existing shed to outside and secure by fencing. The cost of moving the generator outside and fencing is not covered by DFES and this was not picked during design of the RFQ process. The amount will be allocated from within the program area and reallocated as follows;

15.1 PLACEMENT OF DECOMMISSIONED ARMOURED VEHICLE IN NORTHAM

BACKGROUND

Further to the deputation made by Mr Denis Beresford at the Council Forum Meeting held on 12 July 2023, the following motion is proposed.

OFFICER COMMENT

The park located at 108 Wellington Street is adjacent to the RSL Hall and Memorial and would appear to be the logical place to place a vehicle associated with the RSL. As part of the the design for the park there are two areas which were identified for public art (which the armoured vehicles can be categorised as), although assessments would need to be undertaken in relation to size and fit.

MOTION / COUNCIL DECISION

Minute No: C.4817

Moved: Cr Williams

Seconded: Cr Ryan

That Council:

1. Provide a letter of support for a decommissioned armoured vehicle to be positioned in Northam; and
2. Identify the park located at 108 Wellington Street, Northam (rear of Northam Returned Services League building) as a suitable location for the placement of a decommissioned armoured vehicle.
