

# Expression of Interest

## Shire of Northam/ Telethon Community Cinemas

We are seeking expressions of interest from community groups, clubs and organisations to assist in the running and operations of the proposed Telethon Community Cinemas in Northam. The proposed 12 week season will present a prime opportunity for interested groups to play an active role in Northam's development, while assisting us to raise money for children's charities and the Northam community.

### What is required

We are seeking active and enthusiastic community groups to assist with the operations of the Telethon Community Cinemas summer series. This initiative will require front of house volunteers, and management of the bar/ candy bar / bean bag hire elements of the attraction.

We are also actively seeking financial sponsorship for this initiative from interested parties. For more information on sponsorships, please contact us to discuss.

### How will you benefit

- Opportunity to fundraise for your club, group, or organisation
- Increased exposure for your business, club, group, or organisation

### Timeframes

The proposed timeframe for the Cinema to operate is a Thursday-Sunday event possibly from Thursday 20 December 2018 to Sunday 10 March 2019 at least (12 weeks) or 48 screenings

### How to contact us

Please send expressions of interest to [vcm@northam.wa.gov.au](mailto:vcm@northam.wa.gov.au), including any information you think may be of interest. Expressions of interest must be received by 30 June 2018.
