# Agenda Ordinary Council Meeting 20 March 2019

# NOTICE PAPER

# **Ordinary Council Meeting**

# 20 March 2019

President and Councillors

I inform you that an Ordinary Council meeting will be held in the Council Chambers, located at 395 Fitzgerald Street, Northam on 20 March 2019 at 5:30pm.

There will be a Forum meeting held in the Council Chambers on 13 March 2019 at 5:30pm to discuss the contents of this agenda.

Yours faithfully

11

Jason Whiteaker Chief Executive Officer

# DISCLAIMER

This agenda has yet to be dealt with by the Council. The Recommendations shown at the foot of each item have yet to be considered by the Council and are not to be interpreted as being the position of the Council. The minutes of the meeting held to discuss this agenda should be read to ascertain the decision of the Council.

In certain circumstances members of the public are not entitled to inspect material, which in the opinion of the Chief Executive Officer is confidential, and relates to a meeting or a part of a meeting that is likely to be closed to members of the public.

No responsibility whatsoever is implied or accepted by the Shire of Northam for any act, omission, statement or intimation occurring during Council or Committee meetings.

The Shire of Northam disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement of intimation occurring during Council or Committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee meeting does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or Officer of the Shire of Northam during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Northam.

The Shire of Northam advises that anyone who has any application lodged with the Shire of Northam must obtain and should only rely on <u>WRITTEN CONFIRMATION</u> of the outcome of the application and any conditions attaching to the decision made by the Shire of Northam in respect of the application.

The Shire of Northam advises that any plans or documents contained within this agenda may be subject to copyright law provisions (Copyright Act 1968, as amended) and that the express permission of the copyright owner(s) should be sought prior to their reproduction. It should be noted that copyright owners are entitled to take legal action against any persons who infringe their copyright. A reproduction of material that is protected by copyright may represent a copyright infringement.

# **Operational Matters:**

# Shire of Northam Community Grants

The Shire of Northam Community Grant applications for the 2019 / 2020 year are open from the middle of February to the middle of April. To check for eligibility, head to the Shire of Northam website under Community Grants. Grants can apply, and may be eligible, to assist with club sponsorship, events or projects. On the Shire website, there are also links to other forms of available grant funding.

# Functions at Shire of Northam facilities.

Following the launch of the new co-work space, "Create 298", the Northam Chamber of Commerce hosted its Business After Hours event at the March meeting where the full range of services at this facility were presented to the business community.

The Local Government Insurance Scheme Board met in Northam and was provided a tour of the exceptional Bilya Koort Boodja facility.

### Shire of Northam Events

The Northam Motor Sport Festival returns for another year during the first weekend of April. The festival incorporates both a twilight Motorkhana and fee community concert on the Saturday evening. The Flying 50 on Sunday is one of the few remaining street circuits in Western Australia, and travels around Northam's Central Business District. Congratulations to all the volunteers and Shire staff involved with this event.

### Strategic Matters:

### Major Projects

The Youth Precinct located at the corners of Peel Terrace and Chidlow Street is nearing completion. This will provide a readily accessible area for families of all ages.

# 5. PUBLIC QUESTION TIME

# 5.1 PUBLIC QUESTIONS

# 6. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

Council Forum Meeting, 13 February 2019

- Name: Brian Daniels.
- Question: Can you please advise what would be the cost and the ramifications of installing a microphone and speaker system along with a recording device to accurately record the minutes of the council meeting in the Shire of Northam Council Chambers?
- **Response:** The following response was provided in writing on 20 February 2019:

I refer to your question which was taken on notice at the Council Forum meeting held on 13 February 2019 in relation to installing a microphone, speaker and recording system in the Council Chambers and wish to offer the following response:

Staff are in the process of finalising quotes for Council, it is estimated the costs will be in the order of \$25,000 - \$35,000.

Name: Barb Sage.

- **Question:** Please explain how this application meets State Planning Policy No. 3?
- **Response:** The following response was provided in writing on 22 February 2019:

I refer to your question which was taken on notice at the Council Forum meeting held on 13 February 2019 and offer the following response. The question raised was in relation to State Planning Policy No.3 and how the development application which formed agenda item 12.3.2 meets these requirements:

Statement of Planning Policy No. 3 'Urban Growth and Settlement' is a "Statement Policy" only, and sits atop the following State Planning Policies (SPP):

- SPP 3.1 Residential Design Codes;
- SPP 3.2 Aboriginal Settlements;
- SPP 3.4 Natural Hazards and Disasters;
- SPP 3.5 Historic Heritage Conservation;
- SPP 3.6 Development Contributions for infrastructure; and
- SPP3.7 Planning in Bushfire Prone Areas.

The objectives of Statement of Planning Policy No. 3 are:

- To promote a sustainable and well planned pattern of settlement across the State, with sufficient and suitable land to provide for a wide variety of housing, employment, recreation facilities and open space.
- To build on existing communities with established local and regional economies, concentrate investment in the improvement of services and infrastructure and enhance the quality of life in those communities.
- To manage the growth and development of urban areas in response to the social and economic needs of the community and in recognition of relevant climatic, environmental, heritage and community values and constraints.
- To promote the development of a sustainable and liveable neighbourhood form which reduces energy, water and travel demand whilst ensuring safe and convenient access to employment and services by all modes, provides choice and affordability of housing and creates an identifiable sense of place for each community.
- To coordinate new development with the efficient, economic and timely provision of infrastructure and services.

Planning staff consider that this Policy would normally not be a relevant policy for the purpose of assessing the proposed extractive industry at 792 Clydesdale Road. Please refer to the Officer's Legislative Compliance & Technical Assessment Report that forms the subject of Attachment 5 to the Report.

### Ordinary Council Meeting, 20 February 2019

Name: Randle Beavis.

- Question: Can the Shire provide proof of officer inspections over the last two years for condition compliance on Jennapullin Rd Grass Valley for the extractive industry approval which was given in 2016 with some similar conditions as this current proposal?
- **Response:** The following response was provided in writing on 22 February 2019:

According to the Shire's records, the extractive industry (sand extraction) at Lot 16904 (#480) Jennapullin Road, Southern Brook has not gone operational since its approval by Council on 17 August 2016. An Extractive Industry Licence (EIL) was issued for the 2016/17 financial year. However, the holders of the EIL, Joseph and Tanya Naughton, requested the Shire cancel the EIL on 22 May 2018. The EIL was subsequently cancelled on 28 May 2018.

# Special Council Meeting, 27 February 2019

- Name: Matthew Pavlinovich
- **Question:** How many Shire of Northam buildings are not compliant with disability legislation/requirements?
- **Response:** The following response was provided in writing on 6 March 2019:

All of Council's buildings were compliant with legislation at the time of construction. There is no specific legislation that requires existing buildings to be modified as legislation is amended, unless ordered by state Equal Opportunities Commission, however the Shire is committed to ensuring that people with disability have the same opportunities as other people to access the buildings and other facilities of the Shire of Northam. The Disability (Access to Premises-Buildings) Standards 2010 applies to new buildings or new parts of buildings (i.e. extensions or anything that triggers a building application). This legislation is applied to all of Council's new buildings or modifications to existing buildings subject of a building application.

In terms of compliance against current standards including legislation and Council's Disability Access and Inclusion Plan (DAIP), it is believed that the majority of Council's buildings would not meet these requirements, however the percentage or number of buildings is unknown. In order to fully understand the extent of non-compliance a full disability access assessment would need to be undertaken for all of Councils buildings (similarly what has occurred at the Northam Library).

It should be noted, that Council is working towards achieving compliance which is detailed within the DAIP and is undertaken as resources permit.

# 7. RECEIVING OF PETITIONS, PRESENTATIONS AND DEPUTATIONS

7.1 PETITIONS

Nil.

**7.2 PRESENTATIONS** Nil.

7.3 **DEPUTATIONS** 

# 8. APPLICATION FOR LEAVE OF ABSENCE

# RECOMMENDATION

That Council grant Cr J E G Williams leave of absence from 11 April 2019 to 29 April 2019 (inclusive).

# 9. CONFIRMATION OF MINUTES

# 9.1 ORDINARY COUNCIL MEETING HELD 20 FEBRUARY 2019

### RECOMMENDATION

That the minutes of the Ordinary Council meeting held on Wednesday, 20 February 2019 be confirmed as a true and correct record of that meeting.

# 9.2 SPECIAL COUNCIL MEETING HELD 27 FEBRUARY 2019

# RECOMMENDATION

That the minutes of the Special Council meeting held on Wednesday, 27 February 2019 be confirmed as a true and correct record of that meeting.

# 9.3 NOTES FROM THE COUNCIL FORUM MEETING HELD 13 MARCH 2019

## RECOMMENDATION

That Council receive the notes from the Council Forum meeting held Wednesday, 13 February 2019.

#### 4. ANNOUNCEMENT BY THE PRESIDING MEMBER (WITHOUT DISCUSSION)

There were no questions or clarifications in relation to this item.

#### 5. PUBLIC QUESTION TIME

#### 5.1 PUBLIC QUESTIONS

Name: Jack Potter.

**Summary of** Is the Council aware and appreciate that he now has **Question 1:** access to the Northam Library?

Summary of The Shire President advised that the Council is aware. The Response 1: Chief Executive Officer advised that Council is currently awaiting advice from LGIS who are the Shire's insurer and risk assessors to provide direction moving forward in relation to this matter.

Summary of Are there any plans to further restrict his access i.e. on an **Question 2:** electric wheelchair?

Summary of No, wheelchairs are permitted at the Northam Library. Response 2:

Name: Brian Daniels.

Summary of<br/>Question 1:A question was raised at the Forum meeting on 13 February<br/>2019 and taken on notice in relation to microphones and<br/>recording equipment for Council meetings. Has there been<br/>any progress in relation to this matter?

Summary of The Chief Executive Officer advised that there is a response Response 1: within the Council agenda (agenda item 6). It was advised that these costings will be presented to Council for consideration through its budget process. The matter was also discussed at a Strategic Council meeting on 27 February 2019 and the indication from Council at that meeting was to proceed with costings for microphones and not with the recording equipment.

#### 6. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

There were no questions or clarifications in relation to this item.

#### 12. OFFICER REPORTS

12.1 CEO'S Office

Nil.

#### 12.2 ENGINEERING SERVICES

# 12.2.1 RFT 11 of 2018 – Reconstruction & Resurfacing for various roads in Northam

Clarification was sought in relation to whether this should have been included in the mid-year budget review process. The Executive Manager Engineering Services advised that staff were not aware of the cost savings at this time. The Chief Executive Officer advised that the tender was subject to a number of iterations, originally called in December, however some issues were encountered which meant it needed to be recalled, and if the tendering was completed as initially planned it could have been considered at budget review.

The Coordinator Governance / Administration returned to the Council Chambers at 5:39pm.

#### 12.2.2 RFT 08 of 2018 - Road and Footpath Sweeping

Clarification was sought in relation to the following:

- The type of equipment being used. The Executive Manager Engineering Services advised that this is unchanged.
- Whether the staff wait until the contract is expired before tendering. The Chief Executive Officer advised that ideally this will occur 3-4 months prior to the contract expiring however can be impacted by timing. On occasions, contracts are able to be extended for short periods until the tender process has been completed.
- The selection criteria and the weighting that applies to local tenderers. The Chief Executive Officer advised that Council has a Local Price Preference Policy which applies a 10% weighting. When this is applied, non-local tenders are either loaded up by 10% or the locals down by 10%, this is capped at \$50,000. The Executive Manager Engineering Services advised that this was not relevant with this tender as there were no local tenders. Previously a local contractor was used however the company was sold to Mint Civil.

The Project Development Manager departed the Council Chambers at 5:54pm.

| 13 | March 2019                   |  |

#### 12.3 DEVELOPMENT SERVICES

# 12.3.1 Application for Development Approval – Proposed Site Office & Telecommunications Tower

Clarification was sought in relation to the following:

- The towers proposed use. The Executive Manager Development Services advised that this is for their radio network/train control.
- Whether a telecommunication provider can add-on/attach to their tower, if so would this require Council's approval, if not can Council condition the Development Approval to require Council's approval? The Executive Manager Development Services advised that he believed that they can add-on to the tower and Council can provide comment in relation to this when it is referred to the Shire, however does not believe this can be conditioned to require Council's approval. It was advised that Council is approving the structure and the use is secondary. Council's approval may be required depending on the scale (i.e. size of the dish being added on) however this clarification would be confirmed.

Since the Council Forum meeting the following advice has been provided:

The applicant has advised that it is their infrastructure and no other service providers will be allowed to access it.

The Local Planning Scheme stipulates the following:

#### 4.34 TELECOMMUNICATIONS INFRASTRUCTURE AMD 6 GG 29/12/17

4.34.1 An application for development approval from the local government is required for the development of all telecommunication infrastructure (overhead cabling, telecommunications towers, radio communications, dishes etc) excluding those listed in the Telecommunications Low Impact Facilities Determination 1997 and subsequent Amendments to the Determination.

Apparently the above mentioned determination has been super ceded by the Telecommunications (Low Impact Facilities) Determination 2018). This lists a number of various telecommunication infrastructure that is exempt under the above clause. If it isn't exempt it does require Planning approval. It depends on the size and location of the proposed infrastructure as to whether it is deemed to be low impact.

The State Planning Policy 5.2 – Telecommunications Infrastructure states the following:

#### 3.5 Policy exemptions

Some telecommunications facilities are exempted from development approval under the Telecommunications Act. Schedule 3 of the Telecommunications Act and related subordinate legislation provides telecommunications carriers with powers to enter land to inspect land, maintain facilities and install certain types of facilities (known as lowimpact facilities), and immunity from some state and territory laws, including planning laws, when carrying out these activities.

Schedule 3 of the Telecommunications Act includes:

- low-impact facilities described in the Telecommunications (Low-Impact Facilities) Determination 1997 and all existing and future amendments, when installed by a carrier;
- a temporary defence facility; and
- a facility authorised by a Facilities Installation Permit issued under the Telecommunication Act.

Carriers seeking to install low-impact facilities are required to comply with Schedule 3 of the Telecommunications Act and the Telecommunications Code of Practice 1997.

 Can perspective be provided in relation to the height (i.e. in comparison with existing towers in Northam)? The Executive Manager Development Services advised that a perspective will be added to the agenda and advice provided in relation to height in comparison with other towers.

Since the Council Forum meeting the following advice has been provided:

- New Shopping Centre 40metre monopole;
- Golf Course 45 metre monopole; and
- Throssell Street is a TV antennae and is approximately 60 metres tall.
- Whether development approval is required as it is public work and in a railway corridor. The Executive Manager

Since the Council Forum meeting the following advice has been provided:

Clarification has been sought from the Public Transport Authority and the following response provided:

| Ordinary Council Meeting Notes |  |
|--------------------------------|--|
| 13 March 2019                  |  |

- Where the land is zoned for 'railway' purposes we do not require DA approval for comms towers but;
- Where the land is zoned for other purposes, even where it's actually used for railway, we have to seek development approval from the LGA.
- Buildings that are habitable e.g. stations, carparks, work depots must have development approval.

#### 12.4 CORPORATE SERVICES

#### 12.4.1 Accounts & Statements of Accounts - February 2019

Clarification was sought in relation to the super information being contained as this much detail is not usually provided. The Chief Executive Officer advised that this was provided in error and has been corrected within the Ordinary Council Meeting agenda.

The following questions were raised prior to the Forum meeting with responses provided as follows:

| 27/28       | 229       | \$10,657.00  | Cody St over<br>budget P234   | Yet 12<br>Transport<br>\$430k<br>under?   | Cr Pollard | Section of rehabilitation had<br>to be extended to cover<br>deteriorated sections  |
|             |           | \$11,636.00  | Foreman St over<br>budget P234                                      | Yet 12<br>Transport<br>\$430k<br>under?   | Cr Pollard | Section of road was<br>rehabilitated by external<br>contractor due to timeframes<br>to have it completed before<br>sealing contractor arrived.<br>This added cost to the original<br>budget which was offset by<br>savings made elsewhere  |

Clarification was sought in relation to the following:

- The response provided for Note 10 with respect to the relationship between flood mitigation and Synergy. The Executive Manager Corporate Services advised that this is related to the pumps in the river. Synergy were estimating these charges however now have access to the metre and can provide actual usage costings. This resulted in a refund as the estimate was less than the actual use.
- The response provided for Note 10 with respect to the drainage management being over budget due to drainage crews. Further advice was sought as it was believed that the salaries should be budgeted and clarification why this is over. It was also noted that it is the overall drainage budget which is over budget. The Executive Manager Corporate Services advised that he will review the response provided and provide further clarification.

Since the Council Forum meeting the following advice has been provided:

The drainage reported on at note 10 is an operating account whereas the drainage figures shown on page 235 is for capital expenditure on drainage, during budgeting the new drainage crew had been split between both capital and maintenance expenditure, however as per note 10 greater resources have been allocated to maintenance works than what was originally budgeted.

#### 12.4.3 Sale of Land to Recover Rates

Clarification was sought in relation to the following:

- Whether this is vacant land? The Rates Officer confirmed that there is a house on the property.
- What will happen if there is an amount leftover after the property has sold? The Rate Officer advised that the next stage will involve getting a valuation undertaken on the property. If this is less than the amount owing, Officers will put an item to Council to write off the outstanding rates. If there is money remaining after the property has sold this goes to the Court (Public Trustee) where the owner can claim this along with any other organisations that have an associated debt owing.

#### 12.5 COMMUNITY SERVICES

#### 12.5.1 Application for Fee Waiver – Pipeline Challenge

Clarification was sought in relation to whether Council's fee waiver policy for the Chief Executive Officer waiving requests under delegated authority. The Chief Executive Officer advised that his understanding is that it was assessed and would be approved therefore Officers have recommended Council approve the request. Further advice will be provided in relation to this assessment.

Since the Council Forum meeting the following advice has been provided:

The write off/Waive small fees or Debts policy applies to those write offs which come within the parameters set by Council under delegated authority. As this request is outside those parameters, it needs to be approved by Council. However, the application for fee waiver, has been assessed against the criteria, as outlined in the Policy namely:

- Promote the Shire of Northam's mission and objectives;
- Provides a benefit to the Shire of Northam community;
- Are for an activity, event or program with a charitable or community service oriented purpose; and
- Are for not-for-profit and non-government organisations.

Audit Committee Meeting Minutes 7 March 2019

#### DISCLAIMER

These minutes are yet to be dealt with by the Council. The Recommendations shown at the foot of each item have yet to be considered by the Council and are not to be interpreted as being the position of the Council. The minutes of the meeting held to discuss this agenda should be read to ascertain the decision of the Council.

In certain circumstances members of the public are not entitled to inspect material, which in the opinion of the Chief Executive Officer is confidential, and relates to a meeting or a part of a meeting that is likely to be closed to members of the public.

No responsibility whatsoever is implied or accepted by the Shire of Northam for any act, omission, statement or intimation occurring during Council or Committee meetings.

The Shire of Northam disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement of intimation occurring during Council or Committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee meeting does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or Officer of the Shire of Northam during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Northam.

The Shire of Northam advises that anyone who has any application lodged with the Shire of Northam must obtain and should only rely on <u>WRITTEN CONFIRMATION</u> of the outcome of the application and any conditions attaching to the decision made by the Shire of Northam in respect of the application.

The Shire of Northam advises that any plans or documents contained within this agenda may be subject to copyright law provisions (Copyright Act 1968, as amended) and that the express permission of the copyright owner(s) should be sought prior to their reproduction. It should be noted that copyright owners are entitled to take legal action against any persons who infringe their copyright. A reproduction of material that is protected by copyright may represent a copyright infringement.

# BRIEF

For Council to meet with a representative from the Office of Auditor General

# ATTACHMENTS

Attachment 1: Audit Strategy Memorandum

# BACKGROUND / DETAILS

As per changes to the Local Government Act 1995 and the Local Government (Audit) Regulations 1996, as of the first of July 2018 Council is to be audited by the Office of Auditor General.

# CONSIDERATIONS

# Strategic Community / Corporate Business Plan

Theme Area 6: Governance & Leadership

Outcome 6.3: The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

- Improve community access to information to ensure they are able to be informed of our activities;
- Encourage active community participation in our local government;
- Maintain a high standard of corporate governance; and
- Undertake our regulatory roles in a safe, open, accountable and respectful manner.

Outcome 6.4: The Elected Members of the Shire of Northam provide accountable, strong and effective community leadership.

Open, accountable and effective decision making.

Financial / Resource Implications

# Legislative Compliance

Local Government Act 1995 Division 1A Audit Committee. Local Government (Audit) Regulations 1996.

Policy Implications

Nil.

Stakeholder Engagement / Consultation N/A

# **Risk Implications**

- Reputational Nil.
- Financial Nil.
- Compliance Nil
- Legal Nil.

# OFFICER'S COMMENT

Anne Lei from the Office of Auditor General will attend along with Greg Goodwin from Moore Stephens whom will be carrying out the audit on behalf of the Office of Auditor General.

Anne will brief the Committee on changes that are likely to occur under the move to the Auditor General, Committee members & staff will then be giving the opportunity to ask questions of the Auditor General.

# RECOMMENDATION

# For Information Only

Ms Anne Lei advised that it is the second year that the Office of the Auditor General (OAG) has looked after local government audits. It was advised that a report has been prepared summarising the findings of the audits across local governments and was tabled in parliament on 7 March 2019. The Chief Executive Officer confirmed that this will be provided to the Committee. Discussion was held around this report and what was contained. It was clarified

that it contains a summary detailing any adverse trends, insights to any potential issues and also any good practices which have been identified through the audit process. The Chief Executive Officer advised the Committee that the report is worthwhile reading in detail.

Ms Lei clarified the process for this transition and confirmed that Moore Stephens will be continuing as the Shire's auditors for the coming year. Moving forward the OAG will conduct some audits in house as well as going to tender for those that are not conducted in house. This tender will not specifically be for one local government (i.e. Moore Stephens to audit Northam) and will be based on the services for a range of local governments.

Ms Lei explained that the audits will extend to the performance of the local governments. The Chief Executive Officer advised that these are generally provided to staff however can also be provided to the Council. This provides a good insight into any issues and practices that can be improved or require attention.

Clarification was sought in relation to whether there is a comparison between actual budget and YTD. Mr Goodwin confirmed that this is reviewed along with that of previous financial years.

Clarification was sought in relation to the cost, Ms Lei advised that this is currently being finalised and this should be known within the next few weeks.

Discussion was held around internal audits and whether any guidance will be provided in this area. Ms Lei advised that some local governments align this with the annual auditing and others separate to provide a bigger coverage. It was advised that the OAG can review the internal audit structure.

Mr Goodwin ran through the contents of the Audit Strategy Memorandum and discussed the process for the audit. Discussion was held around the services provided in addition to the audit (i.e. conducting the financial management review) and these services must not exceed 10% of the audit fee unless approved by the OAG on a case by case basis e.g. if hardship was demonstrated. This is to manage any conflict or perceived conflict.

Ms Lei and Mr Goodwin left the meeting at 3:40pm

Page | 39

The Accountant left the meeting at 3:40pm and returned at 3:43pm.

Moore Stephens I 2

Shire

Audit Committee Meeting Minutes 7 March 2019

# 1. Introduction

Moore Stephens has been engaged by the Office of the Auditor General (OAG) Western Australia to perform an audit of the Shire of Northam's (the Shire) annual financial report for the year ending 3D June 2019.

This memorandum sets out the proposed strategy for the audit of the Shire's annual financial report for the year ending 30 June 2019.

The key purposes of this memorandum are to:

- set out the audit scope and approach in summary;
- identify and communicate the key audit risk areas which we expect to be the focus of the audit procedures; and
- · promote effective communication between the auditor and those charged with governance.

This document is strictly confidential and although it has been made available to management and those charged with governance to facilitate discussions, it may not be taken as altering our responsibilities to the Shire arising under our audit contract with the OAG.

The contents of this Audit Strategy Memorandum should not be disclosed to third parties without our prior written consent.

Shire of Northam Audit Strategy Memorandum 30 June 2019

Moore Stephens I 3

Page | 11

2. Audit Scope, Approach and Key Deliverables

Scope

d)

### **Financial Audit**

The primary scope and objective is to express an opinion to Council on whether the Shire's general purpose financial report as a whole is free from material misstatements (whether due to fraud or error) and is prepared (in all material respects) in accordance with applicable Australian Accounting Standards, the Local Government Act 1995 (as amended) and the Local Government (Financial Management) Regulations 1996 (as amended).

### Statutory Reporting

The audit will also report on the following matters in accordance with Reg 1D(3) of the Local Government (Audit) Regulations 1996:

- al trends in the financial position or the financial management practices of the Shire;
- b) compliance with Part 6 of the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) or applicable financial controls of any other written law;
- details of whether information and explanations were obtained by the auditor; and c) conduct of audit.

# Audit Methodology and Approach

The audit will be conducted using our National methodology and audit automation systems (Caseware) which are underpinned by policies, procedures and templates to ensure the appropriate level of consistency and quality is achieved. Please refer to Appendix 1 for a summary of our audit methodology and approach.

### Key Deliverables

The following timetable is a broad outline of the key deliverables and timing aspects of the audit:

| Engagement Activity   | Timing.                          |
|---|----------------------------------|
| Audit Planning  | 26 February 2019                 |
| Entrance Meeting (Interim)  | 7 March 2019                     |
| Interim Audit Visit   | 29 April-1 May 2019              |
| Interim management letter - reported to CEO and Shire President   | 3D May 2019                      |
| Receipt of complete and balanced draft financial report   | 31 August 2019                   |
| Final Audit Visits  | 15-18 September 2019             |
| ssuance of Audit Concluding Memorandum  | 18 October 2019                  |
| Concluding (Exit) Meeting   | 25 October 2D19(to be confirmed) |
| Date CED sign off on financial statements and management<br>representation letter (cannot be in excess of 5 working days from<br>the Auditor General's audit report to the CED and Shire President) | 25 October 2019(to be confirmed) |
| Final sign-off of Auditor's report & management report  | 29 October 2019(to be confirmed) |

Shire of Northam udit Strategy Memorandum 30 June 2019

### 3. Key Audit Risks and Focus Areas Set out below is an overview of what we consider to be the key overall risks and focus areas for the 3D June 2D19 audit. This preliminary risk assessment has been compiled based on our extensive knowledge of the Shire, the industry and issues faced by regional local governments. The audit will include a focus on recent regulatory and technical developments during the financial year (Please refer Appendix 2 for details). This risk assessment process is designed to ensure that we focus our audit work on the areas of highest risk. The table below also includes our audit procedures to be performed to address these risks. This risk assessment and our responses will be updated throughout the engagement to ensure that all areas of material risk are addressed by our audit. **RISK AREAS** AUDIT PROCEDURES TO ADDRESS RISK PROPERTY, PLANT AND EQUIPMENT **NFRASTRUCTURE** This is a significant industry risk given A broad outline for our approach is as follows: the judgement applied in Property, Plant and Equipment and Infrast determining fair values as well as Document and test key audit controls around Property, Plant and depreciation expense. Equipment and Infrastructure balances. Assess accounting policy associated with fair value assessments and 2019 Estimated: \$220.8m ensure in accordance with accounting standards. 2018 Actual: \$199.6m Review any revaluations, including evaluation of independent valuer/consultant (if used) or management's expertise/experience. Particular attention to whether or not valuation methodology and assumptions used were reasonable. Sample testing of asset additions and disposals. **Review impairment assessments** Review fair value disclosures to ensure in accordance with AA5B13 requirements. on and amortisation Understand and document the depreciation policy and how it relates to the various asset classes. Document and test key audit controls around the calculation of depreciation/amortisation Perform depreciation recalculations based on our sampline approach. Perform substantive analytical procedures. In addition, given our industry experience, particular attention will be paid to the determination of applicable depreciation rates and reasonableness in light of any revaluations. EMPLOYEE BENEFIT PROVISIONS Provisions for annual leave and long We will document and test key audit controls and perform walkthroughs of the systems with a view to rely on the internal controls. We would perform service leave involves a degree of management estimation and substantive test of details utilising our sampling methodology as well as year and uncertainty in their calculation. analytical review to add to the level of audit assurance obtained. Employee benefit provisions will also be reviewed to ensure they are consistent 2019 Estimated: \$1.4m with the payroll records and calculated in accordance with AASB119. 2018 Actual: \$1.3m

Shire of Northam Audit Strategy Memorandum 30 June 2019

The primary objective will always be to balance our experience and knowledge of the Shire with appropriate independence and objectivity of thinking. The development of our people will always be a key objective. Our assurance team will be supported by our specialist technical, taxation and support teams.

### Independence

We have established policies and procedures designed to ensure our independence, including policies on holding financial interests in the Shire and other related parties, business relationships, employment relationships, and the provision of non-audit services.

We have assessed our audit independence at the planning stage and to the best of our knowledge and belief, we are of the opinion that each engagement team member and partners of all Moore Stephens network firms in Australia are not in contravention of the auditor independence and ethical requirements of the Accounting Professional and Ethical Standards Board's APES 11D *Code of Ethics for Professional Accountants* that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities with the Code. We have further considered the safeguards the Moore Stephens Australia network has in place and we are not aware of any services being provided that would compromise our independence as external auditor.

Moore Stephens | 8

Page | 16

# 5. Other Key Matters

### Auditor's Responsibility to Consider Fraud

As auditors, we obtain reasonable assurance that the financial statements (taken as a whole) are free from material misstatements due to fraud or error.

Accordingly, certain procedures will be performed as part of our audit by way of enquiry, evaluation and review as required by the Australian Auditing Standards on fraud, ASA 24D.

Responsibilities of Management and Council

### **Financial Reporting**

Management is responsible for the preparation of the Shire's Annual Financial Report that gives a true and fair view in accordance with Australian Accounting Standards, the Local Government Act 1995 (as amended) and the Local Government (Financial Management) Regulations 1996 (as amended) and for such internal control as management determines is necessary to enable the preparation of the Annual Financial Report that is free from material misstatement, whether due to fraud or error.

The primary responsibility for the prevention, deterrence and detection of fraud remains with the Council.

In preparing the Annual Financial Report, management is also responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting.

The Council is responsible for overseeing the Shire's financial reporting process.

Under "Clarity" Australian Auditing Standards, as a precondition of accepting the engagement we are required to determine whether the financial reporting framework to be applied in the preparation of the Shire's Annual Financial Report is acceptable. Given that the Shire's Annual Financial Report continues to be prepared as general-purpose financial reports in line with previous years and with no changes in terms of regulations or other issues that might impact the requirements of the report, as at the date of issuing this report we continue to consider this framework acceptable.

### Representations by Management

As part of the audit requirements, Management is to provide the auditor a written representation that.

- It has fulfilled its responsibility for the preparation of the financial report in accordance with the applicable and other statutory reporting requirements, including where relevant their fair presentation, as set out in the terms of the audit engagement;
- It has provided the auditor with all relevant information and access as agreed in the terms of the audit engagement.
- All transactions have been recorded and are reflected in the financial report; and
- (if any) significant representations made by management for which the auditor is relying on in forming the audit opinion.

Please refer to Appendix 3 for a standard Representation Letter which can be used as a template for this matter.

### Additional Scope / Work

Should additional matters or issues arise requiring additional scope we will in the first instance contact the OAG and will agree with the OAG and Shire's Management prior to commencing the work.

### APPENDIX 1

# Approach

Our audit process generally contains three phases being planning, fieldwork and completion.

The planning phase is critical to the audit process as this is where we address the audit risk. Our methodology focuses on the Shire's underlying business risks, recognising that audit risk is affected by the business risks of the Shire, as well as by how well management and Council address those risks.

The most critical aspect of our planning is the assessment of risk and consideration of where material misstatements could occur.

Our audit approach focuses on areas that represent higher risk to the business. Our methodology uses a risk-based approach to evaluate and, when appropriate, to test the effectiveness of internal controls with the expectation that a moderate level of reliance can be placed on the operating controls. We will make a combined assessment of inherent and control risk for significant accounts and the related financial statement assertions. We will then establish a portfolio of audit procedures that are customised based on the Shire's significant accounts, critical areas, disclosures and classes of transactions, as well as our assessment of risk, including the risk of fraud.

Our procedures include tests of details of significant account balances, transactions and disclosures and we will adopt a combination of controls and substantive approach to the audit of the Shire for the year ending 3D June 2019.

Shire of Northam Audit Strategy Memorandum 30 June 2019

Moore Stephens | 10

### APPENDIX 1

# Summary of Audit Methodology and Approach (Continued)

# Materiality

Materiality is set at the planning stage to ensure that an appropriate level of audit work is conducted. It is also set at the reporting stage in order to assess the impact of an item on the financial statements.

Materiality depends on the size of the item or error judged in the particular circumstances of its omission or misstatement. Thus, materiality provides a threshold or cut-off point rather than being a primary qualitative characteristic which information must have if it is to be useful. An item would be considered material to the financial statements if, through its omission or non-disclosure, the financial statements would no longer show a true and fair view.

### Materiality - Implications

This does not mean that transactions of an amount under the materiality level will not be tested; rather the setting of a planning materiality is used as a basis for determining sampling levels and analysing results in order to assist in the completion of an efficient and effective audit.

It must also be borne in mind that in many instances our audit approach is primarily based on the testing of controls and substantive tests of detail.

We will report uncorrected misstatements aggregated during our audit, and determined by management to be immaterial, both individually and in aggregate to the annual financial report. We will seek written explanation from management, explaining the reasons for not adjusting the misstatements.

### Sampling

In line with the requirements of Australian Auditing Standards a key element of our audit approach is the sampling of transactions for testing across all key control aspects and material account balances.

Our assessment of risk and determination of materiality are key inputs in determining the nature and level of the sample size of transactions to be tested within any particular area of our audit.

While this is always a key area of audit judgment, we confirm that our determination of samples selected for testing is supported by Moore Stephens Australia's audit methodology and procedures manuals as well as our audit automation software, Caseware. Thus, we confirm our approach to sampling is designed so as to provide a sufficient level of confidence in considering our audit conclusions arrived at from our testing.

Shire of Northam Audit Strategy Memorandum 30 June 2019

Moore Stephens | 11

Page | 19

### APPENDIX 1

# Summary of Audit Methodology and Approach (Continued)

### Fraud Risk

We will assess the overall fraud risk of the Shire and perform testing to satisfy ourselves the overall fraud risk is reduced to an acceptable level. In assessing the overall fraud risk of the entity, we consider the following factors:

- Competence of Management.
- Prior period audits of the Shire and industry experience.
- The extent of performance-based remuneration arrangements (i.e. bonus, options) with Management and Councillors (unlikely in local government environment).
- The complexity of the operations and transactions.
- Compliance framework.
- Nature of major assets of the entity and their revaluation cycles.
- Segregation of duties and monitoring of controls (such as authorisation, review) relation to the financial reporting process.
- Consideration of unrealistic timetables or deadlines

# APPENDIX 2

# **Recent Regulatory and Technical Developments**

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for current or future reporting periods, some of which are relevant to the Shire.

The new and amended pronouncements that are relevant to the Shire are set out as follows:

| Title   | bsued / Complied | Applicable <sup>(1)</sup> | Objective   |
|---|------------------|---------------------------|---|
| AASB 9 Financial<br>Instruments<br>Incorporating AASB<br>2014-7 and AASB 2014-<br>8)                | December 2014    | 1 January 2018            | This Standard is to improve and simplify the<br>approach for classification and measurement of<br>financial assets compared with the requirements<br>of AASB 139.   |
| AA5B 15 Revenue from<br>Contracts with<br>Customers   | December 2014    | 1 January 2019            | This Standard establishes principles for entities to<br>apply to report useful information to users of<br>financial statements about the nature, amount,<br>timing and uncertainty of revenue and cash flows<br>arising from a contract with a customer.<br>The effect of this Standard will depend upon the<br>nature of future transactions the Shire has with<br>those third parties it has dealings with. It may or<br>may not be significant.  |
| AASB 16 Leases  | February 2016    | 1 January 2019            | Under this Standard there is no longer a distinction<br>between finance and operating leases. Lessees will<br>now bring to account a right-to-use asset and lease<br>liability onto their statement of financial position<br>for all leases. Effectively this means the vast<br>majority of operating leases as defined by the<br>current AASB 117 Leases which currently do not<br>impact the statement of financial position will be<br>required to be capitalised on the statement of<br>financial position once AASB 16 is adopted. |
| -   |                  | )                         | Currently, operating lease payments are expensed<br>as incurred. This will cease and will be replaced by<br>both depreciation and interest charges.   |
| AASB 1058 Income of<br>Not-for-Profit Entities<br>Incorporating AASB<br>2016-7 and AASB 2016-<br>8) | December 2016    | 1 January 2019            | These standards are likely to have a significant<br>impact on the income recognition for NEP's. Key<br>areas for consideration are:         Assets received below fair value;         Transfers received to acquire or construct non-<br>financial assets;         Grants received;         Prepaid rates;         Leases entered into at below market rates; and         Volunteer services.   |
| Local Government<br>(Financial Management)<br>Regulation 17A(5)                                     | June 2018        | July 2018                 | This amendment states that from 1 July 2018, assets<br>acquired for less than \$5,000 must be excluded from<br>the fixed asset register.  |

The impact of these standards, if any, on the Shire's financial statements in future periods should be assessed by the management and disclosed in the 2019 annual financial report.

Management Representation Letter

[THE SHIRE'S LETTERHEAD]

Our Ref: Your Ref:

Ms Caroline Spencer Auditor General Office of the Auditor General 7<sup>th</sup> Floor, Albert Facey House 469 Wellington Street PERTH WA 6000

Dear Ms Spencer

# REPRESENTATION LETTER IN RESPECT OF THE SHIRE OF NORTHAM'S ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2019

This representation letter is provided in connection with your audit of the Shire of Northam's annual financial report for the year ended 30 June 2019 for the purpose of expressing an opinion as to whether the annual financial report is fairly presented in accordance with the Local Government Act 1995 (the Act), the Local Government (Financial Management) Regulations 1996 and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

We submit the following representations for the year and/of 30 June 2019 after making appropriate enquiries and according to the best of our knowledge and belief. This representation covers all material items in each of the categories listed below.

- 1. GENERAL
- (a) We have fulfilled our responsibilities for the preparation and fair presentation of the annual financial report in accordance with the Local Government Act 1995 (the Act), the Local Government (Financial Management) Regulations 1996 and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.
- (b) We have advised your auditors of all material contentious methods used in the presentation of the financial report.
- (c) There have been no changes in accounting policies or application of those policies that would have a material effect on the financial report, except as disclosed in Note XX to the financial report.
- (d) The prior period comparative information in the financial report has not been restated except as disclosed in Note XX to the financial report.
- Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. We confirm the disclosures related to accounting estimates are complete and appropriate.

Shire of Northam Audit Strategy Memorandum 30 June 2019

Moore Stephons 1:14

Audit Committee Meeting Minutes 7 March 2019 Shire We have established and maintained an adequate internal control structure and adequate (f) financial records as we have determined are necessary to facilitate the preparation of the financial report that is free from material misstatement, whether due to fraud or error. (g) We have provided your auditors with (i) Access to all information of which we are aware that is relevant to the preparation of the financial report, such as records, documentation and other matters.
 (ii) Additional information that your auditors have requested for the purpose of the audit (iii) Unrestricted access to persons within the Shire from whom your auditors determine it necessary to obtain audit evidence. All transactions have been recorded in the accounting and other records and are reflected in (h) the financial report. All internal audit reports and reports resulting from other management reviews, including legal (1) issues and legal opinions which have the capacity to be relevant to the fair presentation of the financial report including, where relevant, minutes of meetings, have been brought to your auditors' attention and made available to them. We have advised your auditors of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the 6) financial report. ssessment of the risk that the financial (k) We have provided to your auditors the results of out a report may be materially misstated as a result of froud No frauds or suspected frauds affecting the Shire (1) alvina. (i) Management; (ii) Employees who have signifi nal control; or ant roles in int (iii) Others where the fraud could have a material effect on the financial report have occurred to the knowledge of management of the Shire. [OR] We have provided informal affecting the Shire involving n to your auditors of our knowledge of fraud or suspected fraud Management; (ii) Employees who have significant roles in internal control; or (iii) Others where the fraud could have a material effect on the financial report. A summary of these is provided below/attached. (m) To our knowledge no allegations of fraud or suspected fraud affecting the Shire's financial report has been communicated to us by employees, former employees, analysts, regulators or others. Shire of Northam Page | 23

# [OR]

We have provided information to your auditors of our knowledge of any allegations of fraud or suspected fraud affecting the Shire's financial report communicated by employees, former employees, analysts, regulators or others.

Details are as follows/attached.

(n) We have disclosed to your auditors all known actual or possible litigation and claims whose effects should be considered when preparing the financial report, and they have been accounted for and disclosed in accordance with Australian Accounting Standards.

### 2. FAIR VALUE MEASUREMENTS AND DISCLOSURES

We confirm that where assets and liabilities are recorded at fair value, the value attributed to these assets and liabilities is the fair value.

We confirm that the carrying amount of each physical non-current asset does not materially differ from its fair value at the end of the reporting period. Significant fair value assumptions, including those with high estimation uncertainty, are reasonable.

We confirm the measurement methods, including related assumptions, used by management in determining fair values are appropriate and have been consistently applied.

- We confirm that the fair value disclosures in the financial report are complete and appropriate
- 3. GOING CONCERN

We confirm that the going concern basis of accounting is appropriate for the annual financial report.

### 4. CONTINGENT LIABILITIES

There are no material contingent liabilities at year end that have not been completely and adequately disclosed in the Notes to the financial report.

# 5. COMMITMENTS FOR CAPITAL AND OTHER EXPENDITURE

Other than those commitments reported in the Notes to the financial report, there were no significant commitments for capital or other expenditure contracts carrying over at year end

### 6. FINANCIAL LIABILITY FOR CONTAMINATED SITES

We are aware of our obligations under the Contaminated Sites Act 2003 and have reported to the Department of Water and Environmental Regulation, all land owned, vested or leased by the Shire that is known to be, or is suspected of being, contaminated. All actual liabilities or contingent liabilities, if any, have been recognised and/or disclosed in the financial report as appropriate.

#### 7. RELATED ENTITIES

We acknowledge our responsibility under section 17(1) of the Auditor General Act 2006 (as applied by section 7.12AL of the Local Governmont Act 1995) to give written notice to the Auditor General if any of the Shire's functions are being performed in partnership or jointly with another person or body, through the instrumentality of another person or body, and/or by means of a trust. We confirm that we have provided the Auditor General with details of all related entities in existence at 30 June 2019.

Shire of Northam Audit Strategy Methorandum 30 kine 2019

Moore Stopmans | 18

### 8. RELATED PARTIES

We have disclosed to your auditors the identity of the Shire's related parties, as defined in Australian Accounting Standards, of which we are aware, and all the related party relationships and transactions of which we are aware. These include the Shire's key management personnel (KMP) and their related parties, including their close family members and their controlled and jointly controlled entities.

We have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of Australian Accounting Standards.

### 9. KEY MANAGEMENT PERSONNEL COMPENSATION

We confirm the Shire's key management personnel (KMP) have not received any other money, consideration or benefit (except amounts being reimbursements for out of pocket expenses), which has not been included in the compensation disclosed in the Notes to the financial report.

### **10. SUBSEQUENT EVENTS**

All events subsequent to the date of the financial report and up to the date of this letter for which Australian Accounting Standards require adjustment or disclosure, have been adjusted or disclosed.

### [OR]

No matters or occurrences have come to our attention between the date of the financial report and the date of this letter which would materially affect the financial report or disclosures therein, or which are likely to materially affect the future results or operations of the Shire.

### 11. INTERNAL CONTROL

We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud

12. INSURANCE

We have established procedures to assess the adequacy of insurance cover on all assets and insurable risks. We believe, where appropriate, assets and insurable risks are adequately covered by insurance.

13. RISK MANAGEMENT

We confirm that we have established and maintained a risk management framework that is appropriate to the Shire.

### 14. FINANCIAL RATIOS

We confirm that the financial ratios included in the annual financial report have been prepared and fairly presented in accordance with the Local Government (Financial Management) Regulations 1996.

We confirm that the asset consumption ratio and the asset renewal funding ratio are supported by verifiable information and reliable assumptions.

Shire of Northam Audit Strategy Memorandum 30 Jone 2029

Moore Stephens ( 17

### 15. ACCOUNTING MISSTATEMENTS

The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial report taken as a whole. A summary of these uncorrected misstatements is listed below.

| Account | Reported balance | Actual balance | Variance |
|---------|------------------|----------------|----------|
|         |                  |                |          |

16. ELECTRONIC PRESENTATION OF THE AUDITED ANNUAL FINANCIAL REPORT AND AUDITOR'S REPORT

- (a) We acknowledge that we are responsible for the electronic presentation of the annual financial report.
- (b) We will ensure that the electronic version of the audited annual financial report and the auditor's report presented on the Shire's website is the same as the final signed versions of the audited annual financial report and the auditor's report.
- (c) We have clearly differentiated between audited and unaudited information in the construction of Shire's website and understand the risk of potential misrepresentation in the absence of appropriate controls.
- (d) We have assessed the security controls over the audited annual financial report and the auditor's report and are satisfied that procedures in place are adequate to ensure the integrity of the information provided.
- (e) We will ensure that where the suditor's report on the annual financial report is provided on the website, the annual financial report is also provided in full.
- 17. OTHER (UNAUDITED) INFORMATION IN THE ANNUAL REPORT

We will provide the final version of the annual report to you when available, to enable you to complete your required procedures.

# BRIEF

This report is for Council to adopt the Compliance Audit Return (CAR) for 2018.

# ATTACHMENTS

3.

Attachment 1: Compliance Audit Return 2018.

# **BACKGROUND / DETAILS**

Under the Local Government (Audit) Regulations 1996, a Local Government is required to carry out a Compliance Audit for the period 1 January to 31 December of each year. The certified return should be submitted to the Director General, Department of Local Government and Regional Development by 31 March each year.

The Compliance Audit Return must be:

Presented to Council at a meeting of the Council; 1. 2.

Be adopted by the Council; and

Recorded in the minutes of the meeting at which it is adopted.

In relation to the year 2018 a copy of the return is to be submitted for Councillor's perusal, comment and adoption by Council prior to 31 March 2019. It is necessary for the Shire President and the Chief Executive Officer to sign off the return as a certified copy.

The 2018 Compliance Audit Return has been completed in house, with the CEO and senior staff reviewing and approving the completed return.

The compliance review process provides both the CEO and the Council with an additional element of accountability through a check on internal management systems, procedures and record keeping and this demonstrates the Shire's emphasis on improving its good governance, compliance, and best practice.

# CONSIDERATIONS

# Strategic Community / Corporate Business Plan

Theme 6: Governance and Leadership

Outcome 6.3: The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Objectives:

- Implement systems and processes which deliver quality outcomes for our community; and
- Maintain a high standard of corporate governance.

# Financial / Resource Implications

Nil.

# Legislative Compliance

- Local Government Act 1995;
- Local Government (Functions and General) Regulations 1996;
- Local Government (Administration) Regulations 1996;
- Local Government (Elections) Regulations 1997;
- Local Government (Audit) Regulations 1996;
- Local Government (Rules of Conduct) Regulations 2007.

# Policy Implications

N/A.

# Stakeholder Engagement / Consultation

All senior staff were asked to review the document and make any comments.

# **Risk Implications**

- Reputational Moderate
- Maintains the Shire's high standards.
- Financial Low
  - o Cost effective with no financial outlay.
- Compliance Moderate
- The Audit ensures the Shire maintains an open and honest workplace.
- Legal -Moderate
  - The Audit ensures the Shire is abiding by all legislative requirements.

# OFFICER'S COMMENT

Page | 29

The standard of compliance in 2018 was in general extremely good. Each year the Shire strives to improve the services it provides to stakeholders both internal and external.

- 1. Commercial Enterprises As there were none for 2018 there is 100% compliance.
- 2. Delegation of Power/Duty There was 100% compliance
- 3. Disclosure of Interests There was 93.75% compliance as one officer did not put in his Primary Return on time.
- 4. Disposal of Property 100% compliance
- 5. Finance 100% compliance
- 6. Integrated Planning and Reporting 100% compliance
- 7. Official Conduct 100% compliance
- 8. Tenders and Providing Goods and Services There was one tender which did not have the advertisement placed with the paperwork. A minor omission which has been rectified 96% compliance.

Overall an excellent result.

# **RECOMMENDATION / COMMITTEE DECISION**

Minute No: AU.116

Moved: Cr Mencshelyi Seconded: Cr Proud

That Council adopt the Audit Compliance Return 2018 as attached for submission to the Department of Local Government and Communities.

CARRIED 3/0

Clarification was sought in relation to:

- Whether this is conducted in house. The Chief Executive Officer confirmed that it is conducted in house.
- Whether there is comparative's with other local governments. The Chief Executive Officer advised that this does not occur as it is a self-audit.

#### BRIEF

To provide Council with an update of the progress made towards the Better Practice Review (BPR) Action Plan.

This report aims to establish a level of accountability in respect to completing the actions identified through the Better Practice Review Program to ensure that continuous improvement occurs within the organisation.

#### ATTACHMENTS

Attachment 1: BPR Action Plan.

#### **BACKGROUND / DETAILS**

The Local Government BPR Program is an initiative undertaken in October 2015, with the Final Report received by Council in March 2016, by the Department of Local Government and Communities to recognise and promote good practice in Western Australian country local government. The BPR Program involved a team reviewing key areas of the Shire of Northam's activities and operations. The BPR Program objectives are to:

- Generate momentum for a culture of continuous improvement and greater compliance across the local government sector;
- Promote good governance and ethical regulation;
- Identify and share innovation and best practice in the local government sector; and

• Act as a 'health check' by providing departmental advice and support to local governments that may be experiencing operational problems.

The key findings from the review are summarised in the areas of Governance, Planning and Regulatory function, Plan for the Future (strategic and corporate planning), assets and finance, workforce planning / Human Resource (HR) management and community and consultation. The report aims to highlight areas where the local government is demonstrating better practice as well as providing constructive feedback on addressing any areas for further development. The areas requiring further development are provided to the local government with suggested recommendations that the local government can aim to address through a documented action plan (Attachment 1).

#### CONSIDERATIONS

#### Strategic Community / Corporate Business Plan

Theme 6: Governance and Leadership

Outcome 6.3The Shire of Northam council is a sustainable, responsive,

innovative and transparent organisation.

Objective: Ensure robust financial management

#### Financial / Resource Implications

Staffing resources are required in order to action the recommendations detailed within the BPR Action Plan.

#### Legislative Compliance

Local Government Act 1995 and relevant subsidiary legislation.

#### **Policy Implications**

N/A

#### Stakeholder Engagement / Consultation

All senior staff were asked to review the document and make any comments.

#### **Risk Implications**

- Reputational Moderate
- Council may be at risk of not generating continuous improvement, better practice, good governance and legislative compliance.
- Financial Low
  - o There are only staffing costs to this update
- Compliance Moderate
  - Regular reviews ensure compliance
- Legal Low
  - o Complying with legislations ensures there are no legal issues

#### OFFICER'S COMMENT

#### Page | 43

This review found that overall the Shire is an organisation that functions well. Areas of further development identified related to enabling planning, building and health staff to work more cohesively to deliver consistent information to the community, the improvement of asset management, financial reporting practices, meeting/briefing procedures and standing orders. Areas for further development and recommendations have been detailed in Attachment 1 with comments in respect to the progress made towards each of these.

Officers are working towards addressing the areas for further development whilst continuing the improvements already underway in order to achieve good practice, governance and legislative compliance into the future. The action plan for the review has been provided in Attachment 1 with an update of the progress made towards the recommendations.

Minute No: AU.117

Page | 75

Moved: Cr Proud Seconded: Cr Mencshelyi

That Council receive the update as provided in the Attachment 1 in relation to the progress made towards the Better Practice Review Action Plan.

#### CARRIED 3/0

Clarification was sought in relation to item 14 and how much progress has been made. The Executive Manager Corporate Services took the question on notice. Since the meeting the following additional advice has been provided:

There is a standing purchase order for this project. Officers have engaged Jacky Jurmann (Planning Consultant) to undertake the process for establishing the List but she has not formally commenced the process due to needing further information from Officers. It is proposed that this will be provided in the coming weeks.

The enabling legislation for Heritage Lists is Clause 8 of the deemed provisions for local planning schemes. In order to establish / enter a place / remove a place or modify an entry on the List, the Shire must follow the procedures for that under Clause 8(3)(a) up to and including (d) and 8(4). This is what the consultant will undertake on behalf of the Shire.

#### BRIEF

This report provides Council with an update of the progress made towards the Customer Service Audit in order to ensure that continuous improvement occurs within the organisation.

#### ATTACHMENTS

Attachment 1: Customer Service Audit Plan.

#### BACKGROUND / DETAILS

The Shire of Northam procured Aveling to conduct a Customer Service Management System Audit at the end of 2017 which included a review of the effectiveness of our ICS system and our Customer Service Charter. The report included an internal survey as well as an external customer survey.

Key findings of the review related to areas of recommended improvement for both ICS and the Customer Service Charter. Suggested improvements relating to the Customer Service Charter included document control and ensuring the document is easily accessible by customers.

For ICS' the recommended improvement areas included closing out of the documents and ensuring that the customer is kept up to date on the actions taken by staff.

#### CONSIDERATIONS

Strategic Community / Corporate Business Plan

Page | 51

Theme Area 6 Governance and Leadership

Outcome 6.3: The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Objective: Ensure robust financial management.

#### Financial / Resource Implications

Nil.

#### Legislative Compliance

Local Government Act 1995 and relevant subsidiary legislation.

#### **Policy Implications**

N/A.

#### Stakeholder Engagement / Consultation

Nil.

#### **Risk Implications**

- Reputational Moderate
- Council may be at risk of not generating continuous improvement, better practice, good governance and legislative compliance.
- Financial Low
  - o There are only staffing costs to this update
- Compliance Moderate
  - o Regular reviews ensure compliance
- Legal Low
  - o Complying with legislations ensures there are no legal issues

#### OFFICER'S COMMENT

Progress is being made toward improving the Customer Service Charter to include being a controlled document.

Work has also commenced on a whistle-blower policy to allow confidentiality for anyone including staff who may have information of a sensitive nature they wish to report.

The Customer Service Charter will be made more accessible and information provided on making a complaint as well as compliment and requests within the next six months.

All staff are working toward the progression of action the in the ICS' and to advise customers of the steps taken including the close out stage.

Completed

No Action

RECOMMENDATION / COMMITTEE DECISION

Minute No: AU.118

Moved: Cr Mencshelyi Seconded: Cr Proud

That Council receive the update as provided in Attachment 1 in relation to the progress made towards the Customer Service Audit Plan.

#### CARRIED 3/0

Clarification was sought in relation to the ICS's and whether these are believed to be performing well as some feedback was received in respect to a matter being reported and not being completed. The Chief Executive Officer advised that staff are of the strong opinion that the system is working really well and has significantly improved. The number of concerns raised with the CEO Office in relation to ICS's has decreased. Once an ICS is reported it will either be addressed immediately, programmed and closed or not completed. Where they are not completed within a month a letter is to be sent to the customer advising when it is programmed (can be subject to change) or if it is not being completed this advice will also be communicated to the customer. The Coordinator Governance Administration advised that if customers contact administration they are able to provide them with an update in relation to when it is programmed.

Shire of

#### Audit Committee Meeting Minutes 7 March 2019

|            |  |     | Attachment  | 10.1                   |   |
|------------|--|-----|---|------------------------|---|
| Commitment |  | 2.5 | 17/6  | Responsible<br>Officer | Comments  |
| 3.1        | Does the organisation<br>have a customer<br>service Code of<br>Conduct? (WSM)  | 2   | Customer Service Charter supplied<br>is an uncontrolled word document.<br>This is written as addressing the<br>community but there is no<br>indication of how it is<br>communicated to them.  | GOV Officer            | Completed. A TV with rolling information in the Admin<br>area has been installed.   |
| 3.2        | Have you determined<br>the external and<br>internal issues that are<br>relevant to your<br>organisation's purpose<br>and the achievement<br>of customer<br>satisfaction in the<br>organisation's strategic<br>direction? (ISO10001<br>6.2) | 2   | Charter identifies major stakeholders<br>and attempts to provide them with<br>workable solutions. The main areas<br>missing are stakeholder closeout<br>and reporting to elected members.<br>The elected member monthly report<br>for October 2017 appears to be<br>flawed closeout numbers. It shows<br>approximately 30% of year to date<br>requests are still not closed, but<br>does not seem to trigger any alarm.<br>It is also suspected that significant<br>numbers of complaints have been<br>closed out on the ICS system,<br>without being actually closed.<br>Examples of this include where a<br>letter has been sent by Shire staff<br>requesting action and then closed<br>on the system, but no follow up visit<br>to ensure that the action has been<br>completed. | Executive<br>Managers  | Weekly reporting is occurring for complaints and ICS's<br>received.<br>Complaints autstanding and completed over the<br>period are monitored to ensure that complaints are not<br>closed without actioning.<br>Changes have been made to the Customer Requests<br>process so that these are only allocated to one officer<br>to ensure ownership of the complaint/ICS.<br>This reporting is ongoing and the total number of<br>ICS's/complaints received will be monitored. |
| 3.4        | Has input been gained<br>to identify and assess<br>the needs of customers<br>in the development of<br>the Code and   | 2   | There are no document control<br>records for the process to indicate<br>community consultation in the<br>development.   | GOV Officer            | Completed. The process has been placed in Promapp   |

|          | procedures? (ISO10001<br>6.3)  |     |  |                       | $\wedge$  |
|----------|--|-----|--|-----------------------|---|
| 3.5      | Is the Code clear,<br>concise and written in<br>simple language?<br>(ISO 10001 6.4)                                | 3.5 | The customer service charter is well<br>written and copies have been<br>made available in the main<br>reception area (at times), however<br>the majority or customer responses<br>indicated that it has not been<br>publicized as well as it could have<br>been. It is recommended that a<br>shortened version be produced and<br>displayed in a similar manner to the<br>City of Cockburn example shown in<br>section 11. | GOV Officer           | Completed. A rolling TV selection is being considered.<br>Copies of the document are also available in the<br>Admin area.   |
| Capacity | 2  |     | 8/4  |                       |   |
| 3.8      | Have the objectives<br>been established at<br>relevant departmental<br>and individual levels<br>with the business? | 1.5 | No Key Performance Indicators<br>(KPI's) have been set to monitor the<br>number of requests/complaints or<br>their close out times. This should be<br>completed as a priority after the<br>next round of staff training.   | Executive<br>Managers | <ul> <li>No KPI's have been established to date for employees or training provided.</li> <li>KPI's are listed within the complaints process as follows: <ul> <li>Complaint Resolution - 90% of Complaints closed and determination provided within 20 working days;</li> <li>Complaint Acknowledgement - 100% of Complaints acknowledged within 5 working days.</li> </ul> </li> <li>KPI's are listed within the ICS process as follows: <ul> <li>ICS Closure - 90% of ICS's closed within 20 working days.</li> <li>ICS Closure - 90% of ICS's closed within 20 working days.</li> <li>ICS Acknowledgement - 100% of ICS's are acknowledged within 72 hours from receiving the ICS.</li> </ul> </li> </ul> |
| 3.10     | Is customer service<br>included in the<br>business plan? (WSM)<br>If so, what elements of<br>customer service do   | 2   | While there is a customer service<br>charter and reports are compiled<br>for elected members and as part of<br>the quarterly report card, there was<br>no evidence available to suggest  | Gov Officer           | Completed<br>The Corporate Business Plan outlines the following<br>actions:   |

|            | you regularly monitor?<br>(WSM)   |     | that customer service forms part of<br>a formal business plan.<br>Customer service requests and<br>aloseouts are reported monthly and<br>quarterly, but no KPI appears to<br>exist on this data.   |                       | <ul> <li>Manage customer services through use and<br/>maintenance of appropriate systems and<br/>processes.</li> <li>Implement Shire of Northam Customer Services<br/>Charter.</li> <li>Implement an organisational wide process for<br/>dealing with/responding to customer<br/>requests/complaints.</li> </ul>  |
|------------|---|-----|--|-----------------------|---|
| Visibility | 2   |     | 7/3  |                       |   |
| 3.13       | Is it relevant and<br>responsive to customer<br>needs? (ISO 10001 4.6)  | 2   | These issues are difficult to assess<br>given that over 90% of customer<br>survey respondents claimed that<br>they had not seen it.  | Gov Officer           | Completed   |
| Monitoring | 2   | -   | 8/4  |                       |   |
| 3.25       | Are KPI results and/or<br>other statistical<br>measures used to<br>review the<br>performance of the<br>organisation's<br>austomer service?<br>(ISO 10001 6.5 & 8.2) | 2.5 | An elected member monthly report<br>and quarterly report card are<br>produced which both include basic<br>ICS statistics. These do not however<br>offer any insight into long term open<br>items or provide a performance<br>target. As discussed previously, it<br>was considered that a number of<br>requests had been closed out<br>without verification and that the<br>statistics may not therefore show the<br>true picture. | Executive<br>Managers | <ul> <li>Ongoing.</li> <li>Since the audit was undertaken the reporting graph for ICS's has been amended from only showing how many are outstanding and received to also include how many ICS's have been actioned/closed out for the corresponding month.</li> <li>KPI's are listed within the complaints process as follows: <ul> <li>Complaint Resolution - 90% of Complaints closed and determination provided within 20 working days;</li> <li>Complaint Acknowledgement - 100% of Complaints acknowledged within 5 working days.</li> </ul> </li> <li>KPI's are listed within the ICS process as follows: <ul> <li>ICS Closure - 90% of ICS's closed within 20 working days.</li> <li>ICS Acknowledgement - 100% of ICS's are acknowledged within 72 hours from receiving the ICS.</li> </ul> </li> </ul> |

#### BRIEF

To provide Council with an update of the progress made towards the Procurement Review Report in order to ensure that continuous improvement occurs within the organisation.

#### ATTACHMENTS

Attachment 1: Outcomes from the Procurement Process Review Report.

#### **BACKGROUND / DETAILS**

In July 2017 under the direction of the CEO, staff called for quotes from qualified business to conduct a Procurement Process Review on the Shire of Northam's purchasing focusing on, Tenders, Records Management, Probity and Credit Card Usage.

The Audit was designed to provide both the CEO and the Council with an additional element of accountability through a check on current procurement processes, ensuring these are being adhered to by staff.

#### CONSIDERATIONS

# Strategic Community / Corporate Business PlanTheme Area 6 Governance and LeadershipOutcome 6.3 The Shire of Northam council is a sustainable, responsive,<br/>innovative and transparent organisation.Objective:Ensure robust financial management.

# Shire of Northam

#### Financial / Resource Implications

No current implications as this is an update.

#### Legislative Compliance

There is no legislative requirement to hold an Internal Procurement Review, however it is best practice.

#### **Policy Implications**

N/A.

#### Stakeholder Engagement / Consultation

All senior staff were asked to review the document and make any comments.

#### **Risk Implications**

- Reputational Moderate
  - Reviewing practices ensures compliance and maintains the Shire's good reputation.
- Financial Low
  - o There is no cost to this update
- Compliance Moderate
   Regular reviews ensure compliance
- Legal Low
  - o Complying with legislations ensures there are no legal issues

#### OFFICER'S COMMENT

On Monday 22 January 2018 Moore Stephens conducted an Audit on the Shire of Northam's Procurement processes, after the site visit follow up interviews were conducted with the Executive Management Team and the Procurement Officer.

A final report was received on 7 May 2018 that included the following contents:

- 1. Engagement Overview;
- 2. Executive Summary;
- 3. Summary Controls Table;
- 4. Review Findings and Recommendations;
- 5. Improvement Opportunities;
- 6. Procurement Processes Tenders and Contracts Management;
- 7. Other Matters;

The major areas identified for improvement works are detailed in Attachment 1:

| Audit Comm<br>7 March 201 | ttee Meeting Minutes                            | Shire of Northam<br>Mentage Connects and Interpre- |

#### BRIEF

To provide Council with an update of the progress made towards the Safety & Risk Management Plan.

This report aims to establish a level of accountability in respect to completing the actions identified through the audit undertaken by LGIS in 2014 and 2016 in order to ensure that continuous improvement occurs within the organisation.

#### ATTACHMENTS

Attachment 1: Safety & Risk Management Plan.

#### BACKGROUND / DETAILS

The AS/NZS 4801:2001 Audit Report undertaken by LGIS in August 2016 has highlighted significant improvements pertaining to all aspects of Occupational Safety and Health at the Shire of Northam. The total 'average' score for the Shire of Northam was 67% which is significantly higher than the previous audit result of 28% which was achieved in 2014.

As a consequence and to ensure that any shortfalls identified during the audit are addressed, the Safety & Risk Management Plan has been developed to ensure that required improvements are made in a timely manner. This Plans demonstrates the commitment of the Executive team together with the Occupational Safety & Health Committee to the achievement of a safe working environment.

#### CONSIDERATIONS

#### Strategic Community / Corporate Business Plan

Theme Area 6 Governance and Leadership

Outcome 6.3 The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Objective: Ensure robust financial management.

#### Financial / Resource Implications

Staffing resources are required in order to action the recommendations detailed within the BPR Action Plan.

#### Legislative Compliance

Local Government Act 1995 and relevant subsidiary legislation. Occupation Safety & Health Act 1984 and relevant subsidiary legislation.

Policy Implications

N/A

Stakeholder Engagement / Consultation

#### **Risk Implications**

- Reputational Moderate
- Council may be at risk of not generating continuous improvement, better practice, good governance and legislative compliance.
- Financial Low
   There are only staffin
  - There are only staffing costs to this update
- Compliance Moderate
  - Council would be at risk of not meet its responsibilities in respect to legislative compliance and providing a safe working environment for its employees and contractors.
- Legal Low
  - Complying with legislations ensures there are no legal issues

#### OFFICER'S COMMENT

The Shire, as an employer, must ensure that all employees and contractors across the entire scope of operations are considered and included in the application of occupational health and safety management systems.

As with all system based programs there is opportunity for continuous improvement aligned with AS/NZS 4801 guidance specifications. The implementation of the recommendations contained in audit report have assisted the Shire of Northam to improve its current occupational health and safety performance.

Officers are working towards addressing the areas requiring attention whilst continuing the improvements already underway in order meet its occupational health and safety responsibilities into the future. The Safety & Risk Management Plan has been provided as Attachment 1 with an update of the progress made towards the actions.

Key to table

| Completed  |                             | $\sim$  |
|------------|-----------------------------|---|
| No Action  |                             |   |
| Underway   |                             |   |

| Moved:     | Cr Proud                    |   |
| Seconded:  | Cr Mencshelyi               |   |
|            |                             | d in the Attachment 1 in relation<br>Safety & Risk Management Plan. |
|            | and a                       | CARRIED 3/0   |

Clarification was sought in relation to implementing a Supplier/Contractor selection criteria and listing based on safety practices. It was advised that limited progress has been made as it is not considered a high priority, in addition staff have had difficulty establishing the structure of this. It was advised however that this is a factor that is considered for major projects and tenders.

#### BRIEF

To provide Council with an update of the progress made towards the Regulation 17 Review Action Plan.

This report aims to establish a level of accountability in respect to completing the actions identified through the Regulation 17 Review to ensure that Council's risk management, internal controls and legislative compliance is appropriate and effective.

#### ATTACHMENTS

Attachment 1: Regulation 17 Review Action Plan. Appendix A, B, & C

## **BACKGROUND / DETAILS**

The Shire of Northam procured AMD Chartered Accountants to undertake the Shire of Northam's Regulation 17 Review in accordance with Local Government (Audit) Regulations 1996, Regulation 17 for the period ending 31 December 2016. This Regulation 17 Review includes a review of the appropriateness and effectiveness of the risk management, internal controls and legislative compliance of the Shire of Northam. A report has then been prepared identifying the findings from the review along with recommendations (if applicable). These findings and recommendation have been developed into an action plan and provided in Attachment 1.

#### CONSIDERATIONS

Strategic Community / Corporate Business Plan

#### Theme Area 6 Governance and Leadership

Outcome 6.3 The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Objective: Ensure robust financial management.

#### Financial / Resource Implications

Staffing resources are required in order to action the recommendations detailed within the BPR Action Plan.

#### Legislative Compliance

Local Government Act 1995 and relevant subsidiary legislation.

#### **Policy Implications**

N/A

#### Stakeholder Engagement / Consultation

All senior staff were asked to review the document and make any comments.

#### **Risk Implications**

- Reputational Moderate
- Council may be at risk of not generating continuous improvement, better practice, good governance and legislative compliance.
- Financial Low
  - There are only staffing costs to this update
- Compliance Moderate
  - Regular reviews ensure compliance
- Legal Low
  - Complying with legislations ensures there are no legal issues

#### OFFICER'S COMMENT

This review indicated that the Shire of Northam is proactive in managing risk, internal controls and legislative compliance as well as taking the necessary steps to ensure appropriate risk management, internal controls and legislative compliance policies and practices are in place. Areas for improvement and recommendations have been detailed in Attachment 2 with comments in respect to the progress made towards each of these.

Officers are working towards addressing the recommendations from the review whilst continuing the improvements already underway in order to achieve an optimum levels of risk management, internal controls and legislative compliance into the future. The Action Plan for Review has been provided in Attachment 1 with an update of the progress made towards the recommendations.

**RECOMMENDATION / COMMITTEE DECISION** 

Minute No: AU.121

Moved: Cr Proud Seconded: Cr Mencshelyi

That Council receive the update as provided in the Attachment 1 in relation to the progress made towards the Regulation 17 Action Plan.

CARRIED 3/0

Clarification was sought in relation to:

- The risk register. The Chief Executive Officer advised that staff are currently trialling software for this. Council does have a risk register however it is difficult to update. The software being trialled currently is considered to make this process significantly easier and considered to be user friendly.
- Plant Replacement/Vehicle Usage Policy. It was advised that staff are currently finalising this policy which is anticipated to be presented to Council in the next few months and will be workshopped prior. Staff were waiting for an independent review of its plant prior to finalising the policy, this review will cover whether Council has too much plant and identify areas which can be improved. Discussion was held around staff use, it was clarified that this will be included in the policy and will be a discussion for Council.
- Information Communication Technology (ICT). It was advised that and audit was recently undertaken for this however reporting on the audit was unable to be prepared in time for this meeting, however will be included at the next meeting. A number of critical matters raised in the audit have already been addressed with the other matters being worked through. Discussion was held around the new IT support provider and it was advised that staff are extremely happy with these services.

Cr M P Ryan entered the meeting at 4:09pm and departed at 4:09pm.

The Executive Assistant – CEO departed the meeting at 4:09pm and returned at 4:10pm.

#### Attachment 1

#### APPENDIX A SHIRE OF NORTHAM RISK MANAGEMENT

| No. | Finding   | Finding<br>Rating | Implication  | Recommendation  | Management Comment   | Responsible<br>Officer        | Progress to Date   |
|-----|---|-------------------|--|---|--|-------------------------------|--|
| 1   | Shire of Northam have not<br>developed an organisational-<br>wide risk register which<br>identifies risks, assesses the<br>impact of the risk and<br>identifies controls to mitigate<br>risk.<br>We would expect the<br>organisational risk register to<br>encompass each business<br>unit incorporating the<br>following categories for each<br>business unit:<br>• Operational;<br>• Strategic;<br>• Finance;<br>• Technological; and<br>• Compliance risks (also<br>refer Appendix C)<br>While we acknowledge Shire<br>of Northam has developed a<br>Risk Management<br>Framework, Risk Dashboard<br>and many individual policies<br>and operational procedures, | Medium            | Lack of<br>documentation in<br>place to evidence<br>risks have been<br>identified. | We recommend the Shire of<br>Northam develop an<br>organisational risk register.<br>This should include<br>conducting a<br>comprehensive risk<br>identification process to<br>identify potential Shire of<br>Northam risks within each<br>business unit and<br>incorporating the following<br>categories:<br>(a) Operational;<br>(b) Strategic;<br>(c) Finance;<br>(d) Technological; and<br>(e) Compliance risks.<br>The risk register should<br>identify the risk, analyse the<br>risk by determining the<br>likelihood, consequence<br>and current controls in<br>respect to each identified<br>risk; evaluate the risk by<br>deciding whether the risk is | even though it is not as<br>extensive as that<br>suggested, the risk register<br>will be updated in the future<br>as recommended.<br>Agree, the three identified | Chief<br>Executive<br>Officer | A risk register has been<br>developed, not to the<br>extent as identified. |

Shire of Nort

| 13  | We noted that there is<br>currently no process<br>documented in Promapp<br>which covers the following:<br>• Receiving of<br>goods/services;<br>• Matching of purchase<br>order to invoice;<br>• Invoice verification; and<br>• Invoice authorisation<br>ready for payment. | Low               | Lack of a formalised<br>documented<br>processes. | We recommend that the<br>Shire designs and<br>implements in Promapp an<br>all-encompassing<br>purchasing process which<br>includes the following (in<br>addition to the current<br>Purchasing Process<br>documented in Promapp):<br>• Receiving of<br>goods/services;<br>• Matching of purchase<br>order to invoice;<br>• Invoice verification and<br>authorisation | procedure with the Promapp<br>system for creditor | Manager<br>Corporate   | Completed November 17 |

#### APPENDIX B SHIRE OF NORTHAM INTERNAL CONTROLS

| No. | Finding  | Finding<br>Rating | Implication  | Recommendation  | Management<br>Comment  | Responsible<br>Officer                | Progress to Date  |
|-----|--|-------------------|--|---|--|---------------------------------------|---|
| 1   | Our inquiries of the Executive<br>Manager, Corporate Services<br>identified that the Shire of<br>Northam does not currently<br>have a formal documented IT<br>Disaster Recovery Plan in<br>place.<br>We acknowledge that IT<br>Disaster Recovery is briefly<br>commented on in the<br>Business Continuity Plan and<br>that by coincidence the Shire<br>put to test the recovery of the<br>Shire's back-up due to an<br>incident that occurred on 22<br>September 2016. | Medium            | Risk of significant<br>delays and<br>business<br>interruption in the<br>event of unforeseen<br>circumstances in<br>respect to Council<br>organisational<br>business. | We recommend the IT<br>Disaster Recovery Plan be<br>developed and implemented<br>by the Shire of Northam.<br>Once the plan has been<br>completed, we recommend it<br>is endorsed and<br>communicated to all staff,<br>implemented and monitored<br>on a regular basis including<br>testing the plan to ensure that<br>in the event of a disaster,<br>appropriate actions can be<br>taken. | Staff are currently<br>looking to develop<br>an IT disaster<br>recovery plan.  | Exec Manager<br>Corporate<br>Services | Processes have been put<br>in place they are, onsite<br>and offsite backups,<br>active monitoring for<br>potential cyber attacks<br>etc, new ups for protection<br>against power surges.<br>Documentation of the<br>steps is still pending,<br>expected to be carried out<br>2 <sup>rd</sup> or 3 <sup>rd</sup> Qtr 2019.<br>Updated 28/02/2019 |
| 2   | We noted there is a<br>Contractor Induction process<br>in place. However, testing<br>identified no evidence that the<br>contractor had<br>attended/completed the<br>Contractor Induction process.  | Medium            | Risk of non-<br>compliance with<br>stated policies,<br>procedures<br>including relevant<br>health and safety<br>requirements.  | We recommend contractors<br>be required to complete some<br>level of induction (the level of<br>induction completed should<br>be determined based on the<br>risks associated with the<br>service or product provided)<br>and the induction process be<br>formally documented as<br>evidence of attendance.  | A current register<br>exists even though it<br>is not as extensive<br>as that suggested,<br>the risk register will<br>be updated in the<br>future as<br>recommended. |                                       | Induction process,<br>documentation and<br>checklist in Promapp for<br>the attention and action of<br>all departments.  |

Shire of Northam

Audit Committee Meeting Minutes 7 March 2019

| No. | Finding  | Finding<br>Rating | Implication  | Recommendation  | Management<br>Comment                           | Responsible<br>Officer                | Progress to Date   |
|-----|--|-------------------|--|---|---|---------------------------------------|--|
| 3   | Our inquiries of the Executive<br>Manager, Corporate Services<br>indicated that the Shire of<br>Northam does not currently<br>have an ICT Framework in<br>place. | Medium            | Risk that existing<br>procedures and<br>practices in respect<br>to information and<br>communication<br>technology are not<br>formally<br>documented. | We recommend the ICT<br>Framework be developed to<br>ensure procedures and<br>practices in respect to<br>information and<br>communication technology is<br>documented and presented to<br>Council for review and<br>adoption. The framework<br>should be monitored on a pre-<br>determined basis to ensure<br>compliance with stated<br>policies and procedures.<br>As part of the development of<br>the ICT framework, we<br>suggest consideration be<br>given to.<br>•A formal cost v benefit<br>analysis or feasibility study<br>be completed prior to major<br>ITC projects, including post<br>implementation reviews;<br>•KPI's are set for the IT<br>process and regular<br>monitoring against KPI be<br>performed, including user<br>satisfaction reviews;<br>•Confidentiality clause be<br>included in key service<br>level agreements with<br>external supplies; and<br>•Review of external service<br>level against targets<br>included within those<br>agreements. | Currently<br>nvestigating<br>available options. | Exec Manager<br>Corporate<br>Services | An internal audit has been<br>carried out, framework is<br>now being developed,<br>progress to date, IT<br>provider changed, service<br>levels put in place, new<br>service agreement in<br>place, updated<br>28/02/2019 |

Shire of Northam

Audit Committee Meeting Minutes
7 March 2019

| No. | Finding  | Finding<br>Rating | Implication   | Recommendation   | Management<br>Comment  | Responsible<br>Officer                  | Progress to Date  |
|-----|--|-------------------|---|--|--|---|---|
| 4   | Our inquiries of Council's<br>Building Supervisor indicated<br>the Shire of Northam does not<br>currently have a signed<br>contract in place with the<br>external security companies<br>used for monitoring and call-<br>outs. | Medium            | Risk of the Shire of<br>Northam locations<br>not being protected<br>from break-ins,<br>vandalism etc. | We recommend that<br>contracts are in place with all<br>third parties engaged to<br>provide said security<br>services.   | Staff will develop an agreement.   | Exec Manager<br>Engineering<br>Services | Contract expired on 30<br>June 2017. Extension<br>granted until RFQ has<br>been prepared and<br>advertised.<br>For the monitoring and<br>servicing we have some<br>monitoring agreements for<br>individual buildings as<br>they were upgraded to 4g<br>monitoring however we<br>don't have an overall<br>contract for monitoring<br>and servicing.<br>Staff are further<br>investigating. |
| 5   | Our inquiries of the Executive<br>Manager, Corporate Services<br>indicated there is no ongoing<br>security awareness program<br>in respect to IT.  | Low               | Risk of security<br>breaches due to<br>changing security<br>environment.                              | We recommend an ongoing<br>security awareness program<br>be developed to ensure<br>security needs of the Shire is<br>updated as required (for<br>example due to IT<br>infrastructure or application<br>changes) and to prevent any<br>security breaches from<br>occurring.<br>This could be incorporated as<br>part of Shire of Northam's<br>overall Risk Management<br>Framework. | Staff to investigate.<br>While there is no<br>formal program the<br>Council IT Officer<br>regularly sends<br>notifications in<br>regards to 'cyber<br>alerts' and other<br>potential IT related<br>issues. | Exec Manager<br>Corporate<br>Services   | Alerts being sent as they<br>come to light  |
| 6   | Our inquiries of the Executive<br>Manager, Corporate Services<br>identified that the Shire of<br>Northam computers do not  | Low               | Risk of someone<br>else using the<br>computer to access<br>information that                           | We recommend that the Shire<br>of Northam implements a<br>policy where all Shire owned<br>computers are automatically  | Staff to investigate<br>and implement.   | Exec Manager<br>Corporate<br>Services   | Completed June 2017   |

| No. | Finding   | Finding<br>Rating | Implication   | Recommendation   | Management<br>Comment  | Responsible<br>Officer                | Progress to Date  |
|-----|---|-------------------|---|--|--|---------------------------------------|---|
|     | currently automatically log out<br>when left dormant for a period<br>of time.<br>We acknowledge that the<br>licensing computers at the<br>front counter does<br>automatically log out when<br>left formant. |                   | they do not<br>currently have<br>authority to view<br>and/or amend<br>details in order to<br>receive some<br>benefit etc. | logged out after five minutes<br>of being dormant (or as<br>considered appropriate time<br>limit).   |  |                                       |   |
| 7   | Our inquiries of the<br>Governance Officer identified<br>that there is currently no cash<br>handling policies and<br>procedures in place.   | Low               | Risk that cash is not<br>being handled<br>appropriately by<br>staff.  | We recommend that cash<br>handling policies and<br>procedures are developed<br>and implemented.<br>Once developed, these<br>policies and procedures<br>should be reviewed and<br>approved by Council and then<br>communicated to all staff that<br>handles the Shire's cash. | Staff are verbally<br>informed of the<br>procedures, these<br>however are not<br>written, and staff will<br>look at developing a<br>written procedure.   | Exec Manager<br>Corporate<br>Services | Complete - There is a<br>'Guide to Reception<br>Duties' document at<br>Reception which is<br>maintained and used for<br>training. |
| 8   | We note that there is currently<br>no independent review of the<br>general journal adjustments<br>posted to Synergy Soft.   | Low               | Risk that errors will<br>not be identified in a<br>timely manner.   | We recommend that all<br>general journal adjustment<br>journals are independently<br>reviewed and physically<br>signed off by the reviewed as<br>evidence of this review.  | The measure will be<br>implemented.  | Exec Manager<br>Corporate<br>Services | Implemented.  |
| 9   | We note that that credit card<br>statements were not signed<br>off to evidence review as<br>required by policy HR 2.7<br>Credit Card Use.   | Low               | Risk that fraud or<br>errors will not be<br>identified in a timely<br>manner.   | We recommend that all credit<br>card statements are signed<br>off by the reviewer as<br>evidence of this review, as<br>per stated policy.  | Credit Cards are<br>independently<br>reviewed by<br>Finance Officer,<br>Accountant, Exec<br>Manager of<br>Corporate Services<br>and finally the Credit<br>Card Holder. It is<br>noted however that<br>the reviewing<br>persons do not sign | Exec Manager<br>Corporate<br>Services | Completed   |

## BRIEF

For the Council to consider the award of RFT 11 of 2018 – Reconstruction & Resurfacing for various roads within Northam.

This report provides details of the scope of works to be addressed, the evaluation process, and the recommendation to be made by Staff to Council.

# ATTACHMENTS

- Attachment 1: Evaluation Matrix (provided as a separate confidential attachment to this agenda/minutes).
- Attachment 2: Evaluation Report (provided as a separate confidential attachment to this agenda/minutes).

Attachment 3: Summary of Cost Savings.

# **BACKGROUND / DETAILS**

Included in the 2018/19 endorsed road program were a number of roads which had similar treatments in terms of reconstruction and resurfacing. These roads were originally intended to be delivered utilising either the Shire's internal road construction crew or external Contractors.

In an effort to gain value for money by offering a larger scope of work package staff invited tenders for all roads which involved this similar scope at each project location. These were:

- 1. Gordon Street SLK 0.32 0.41
- 2. Selby Street SLK 0.37 0.52
- 3. Byfield Street SLK 0.35 0.55
- 4. Wellington Street East SLK 1.4 1.47
- 5. Wellington Street East SLK 2.35 2.43
- 6. Glass Avenue SLK 0.00 0.09
- 7. Balga Terrace SLK 0.07 0.18

The intent was that submissions would be received and assessed, in term of what projects could be outsourced also taking into consideration any financial savings made on other projects, already awarded or completed within the same GL budget.

The tender was advertised using Local Government Purchasing Services of WALGA through the E-Quote portal on 13<sup>th</sup> of December 2018 with closing date of 20<sup>th</sup> December 2018. The Shire received a request to extend the submission date until 17<sup>th</sup> January 2019 which was accepted by the Shire.

The Shire received 2 (two) submissions for the tender which were from;

- 1. Roads 2000
- 2. KESLAKE

The tenders were evaluated which ranked Roads 2000 as the preferred supplier, the submission from KESLAKE was not evaluated being noncompliant, however Roads 2000 was significantly over the available budget of \$321,279 (Materials and Contractors)

Following this the Shire entered into negotiations with the contractor to review their pricing and determine the exact scope that could be delivered externally and within budget.

The outcome of the negotiations resulted in Balga Terrace being removed from the scope, (and rather delivered by the Shire's internal Crews) and the preferred contractor agreeing to re-evaluate the pricing for the remaining roads with consideration of simultaneous mobilization/demobilization to various locations.

Since the scope of the original package had notably changed, the advice from WALGA was to reject all submissions received and then re-advertise the revised scope through WALGA E-Quote portal sending the invitation to quote preferred supplier only.

This process was followed and a final submission from the preferred contract received.

# CONSIDERATIONS

# Strategic Community / Corporate Business Plan

Theme Area 5:Infrastructure & Service Delivery

- Outcome 5.3: To have safe, well-maintained community infrastructure and services to a standard expected of a Regional Centre.
  - Deliver infrastructure projects effectively, on budget and schedule, aligned with local community plans and infrastructure projects; and
  - Maintain an efficient and safe regional road network.

## Financial / Resource Implications

The quote received for the revised package (Balga Terrace removed) was \$410,700.60 this represented an \$89,421.60 shortfall when compared to the available budget of \$321,279, (Materials & Contractors funds which is specific to those roads only.)

In addition to the available funding for these roads, cost savings have been achieved on other roads within the same GL account which will contribute to covering this shortfall. A summary of cost savings is provided as Attachment 3.

Utilising these savings will result in an overall shortfall of approximately \$27,000 for Materials and Contracts on GL 12379054 which has an overall available budget of \$920,440 (Materials). It is intent this minor shortfall be covered by cost savings achieved over the entire annual budget at end of financial year.

## Legislative Compliance

Section 3.57 of the Local Government Act 1995 requires A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods and services".

The Local Government (Functions & General) Regulations 1996 prescribe the manner in which Tenders are to be called and assessed.

# **Policy Implications**

Policy F 4.2 – Purchasing and Tendering Policy.

# Stakeholder Engagement / Consultation

N/A.

# **Risk Implications**

- Reputational Low There is low risk involve in terms of reputation of Shire, if it is unable to deliver its entire planned program.
- Financial Moderate
   There is a risk that the forecasted \$27,000 shortfall within the GL account
   is increased as works across all roads are completed. If this were to occur
   Council would in essence begin the 2019/20 financial in deficit. If this
   were to occur Council could reduce its planned 2019/20 road program
   to accommodate the carried forward deficit. To further mitigate this staff
   have sought firm costings for all components of each individual project
   to ascertain as best as reasonably practicable the financial position prior
   to making the recommendation to Council
- Compliance Low The tendering process that has been performed has followed all protocols necessary which have been re-confirmed by WALGA Low risk involved on compliance part.
- Legal Low There is low risk involved for legal matters.

# OFFICER'S COMMENT

During the evaluation phase of this tender, the following pre-determined criteria's were used in the assessment:

Compliance Criteria

- Compliance with the conditions in the request;
- Compliance with Specification;
- Intent to Sub-Contract;
- Quality assurance;
- Occupational Health and Safety requirements;

Qualitative Criteria (Scored)

| • | Pricing                    | 50% |
|---|----------------------------|-----|
| ٠ | Relevant Experience        | 25% |
| ٠ | Timeliness of Delivery     | 15% |
| • | Safety and Risk Management | 10% |

Based on the assessment outcome and favourable negotiated price staff recommend that the works package be awarded to Roads 2000.

## RECOMMENDATION

That Council Award Tender 11 of 2018 to Roads 2000 for the sum of \$410,700.60 to complete to works in 2018/19, under contract for the following roads:

- Gordon Street SLK 0.32 0.41
- Selby Street SLK 0.37 0.52
- Byfield Street SLK 0.35 0.55
- Wellington Street East SLK 1.4 1.47
- Wellington Street East SLK 2.35 2.43
- Glass Avenue SLK 0.00 0.09

## 12.2.2 RFT 08 of 2018 – Road and Footpath Sweeping

#### BRIEF

For Council to consider the award of RFT 08 of 2018 – Road and Footpath Sweeping.

This report provides details of the scope of works to be addressed, the evaluation process, and the recommendation to be made by Staff to Council.

## ATTACHMENTS

- Attachment 1: Evaluation Matrix (provided as a separate confidential attachment to this agenda/minutes).
- Attachment 2: Evaluation Report (provided as a separate confidential attachment to this agenda/minutes).

# **BACKGROUND / DETAILS**

The former sweeping contract was in place for past three years which expired in January 2019, the current Contractor has been continuing the service on a monthly basis until such time the new contract was tendered.

The tender was advertised publically on the 9<sup>th</sup> of Feb 2019 closing at 1pm 27<sup>th</sup> Feb 2019.

The scope of works generally remained unchanged from the previous contract as staff were of the opinion that the former contract worked well, the only minor change was the additional of the new Purslowe Park carpark being

added. The term of the new contract was for another 3 year period with the following scope of work.

## ROADS

**Scope:** All roads in the Northam town site

Frequency: Three (3) days per week, 52 weeks per year

## **DRAINAGE STRUCTURES**

**Scope**: Gullies, grates, bubble up pits and side entry pits.

Frequency: Monthly, or as directed by the Principal

# FOOTPATHS / VERGES (sealed)

| Scope:     | Fitzgerald Street:<br>Avon Mall: | Peel Terrace to Gairdner Street<br>Fitzgerald Street to Minson Avenue |
|------------|----------------------------------|---|

| CARPARKS   |                                  |   |
| Scope:     | Minson Avenue:                   | All car parks and parking bays.                                       |
| Frequency: | 3 times / week                   |   |
| Scope:     | Elizabeth Place:                 | Gordon Street to Northam Boulevard                                    |
| -          | 1 time / week                    |   |
| Scope:     | Recreation Centre                | e: Adjacent to Jubilee Pavilion                                       |
|            |                                  | Adjacent to Reception Building  |
| Scope:     | Bert Hawke Oval                  |   |
| Frequency: | 1 time / month                   |   |
| Scope:     | Gairdner Street Pu               | rslowe Park parking: opposite to Police station                       |
| Frequency: | 1 time / week                    |   |

A provision has also been made in the contract for call-outs and ad-hoc works which do not fall within this scope.

# CONSIDERATIONS

# Strategic Community / Corporate Business Plan

Theme Area 5:Infrastructure & Service Delivery

Outcome 5.3: To have safe, well-maintained community infrastructure and services to a standard expected of a Regional Centre.

- Deliver infrastructure projects effectively, on budget and schedule, aligned with local community plans and infrastructure projects; and
- Maintain an efficient and safe regional road network.

# Financial / Resource Implications

The 2018/19 adopted budget has made provision for the following;

GL 12382012

- Job 2145 Street sweeping/cleaning town roads \$135,000
- Job 2150 Street Sweeping CBD Footpath/Street \$67,000

Total = \$ 202,000

There is sufficient funding remaining for the remainder of the current financial year. The same allocation for future annual budgets will be sufficient to cover the works under contract.

# Legislative Compliance

Section 3.57 of the Local Government Act 1995 requires A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods and services".

The Local Government (Functions & General) Regulations 1996 prescribe the manner in which Tenders are to be called and assessed.

# **Policy Implications**

Policy F 4.2 – Purchasing and Tendering Policy.

# Stakeholder Engagement / Consultation

N/A.

# **Risk Implications**

- Reputational Low There is low risk involve in terms of reputation of Shire as works performed under to former contract did not present any raised concerns from various stakeholders.
- Financial Low

The financial risk is low as the contract price is within the current adopted budget for the financial year. Past experience has determined the same allocation each year moving forward will be sufficient.

- Compliance Low
   Low risk involved for compliance.
- Legal Low
   There is low risk involved for legal matters.

# OFFICER'S COMMENT

In response to the advertised tender, the Shire received submissions from the following tenderers;

- 1. C & W Sweeping
- 2. Envirosweep
- 3. Autosweep
- 4. Mint Civil

These submissions were assessed against the following pre-determined criteria's:

Compliance Criteria

- Compliance with the conditions in the request;
- Compliance with Specification;
- Intent to Sub-Contract;
- Quality assurance;
- Occupational Health and Safety requirements;

Qualitative Criteria (Scored)

- Pricing 50%
  Relevant Experience 25%
  Timeliness of Delivery 15%
- Safety and Risk Management
   10%

The assessment determined ranking of tenders to be as follows (in order of preference):

- 1<sup>st</sup> Mint Civil
- 2<sup>nd</sup> Autosweep
- 3<sup>rd</sup> C & H Sweeping
- 4<sup>th</sup> Envirosweep

The assessment determined Mint Civil to be preferred tenderer to perform the works.

It should be noted Mint Civil is the Contractor that performed the works under the former contract, therefore staff are confident that the scope of works have been addressed accurately, and fully understood by the Contractor.

# RECOMMENDATION

1. Award RFT No 8 of 2018 Road & Footpath Sweeping to Mint Civil for a 3 year term as follows:

| Road Sweeping<br>Footpath Sweeping<br>Total                  | \$131,274.00<br>\$ 64,350.00<br>\$ 195,624.00 |
|--|---|
| <u>Year 2</u><br>Road Sweeping<br>Footpath Sweeping<br>Total | \$132,732.60<br>\$ 66,924.00<br>\$ 199,656.60 |
| <u>Year 3</u><br>Road Sweeping<br>Footpath Sweeping<br>Total | \$134,191.20<br>\$ 68,640.00<br>\$ 202,831.20 |

# 12.3 DEVELOPMENT SERVICES

## BRIEF

Resolve Group on behalf of the applicant Arc Infrastructure proposes to develop a portion of Reserve 37427 (Public Transport Authority – Railway Reserve) for the purpose of site offices and a telecommunications tower(35m in height). The application for the Site Offices complies with the Scheme (Zone - Mixed Use, Land Use – Office, Permissibility – P), however the proposed Telecommunications Tower is a use which cannot be 'approved' by Officers under delegated authority.

# ATTACHMENTS

| Attachment 1: | Location Plan                       |
|---------------|-------------------------------------|
| Attachment 2: | Proposal Location                   |
| Attachment 3: | Site Office Plans                   |
| Attachment 4: | Telecommunications Tower Plans      |
| Attachment 5: | Technical Assessment                |
| Attachment 6: | Summary of Submission               |
| Attachment 7: | Fitzgerald Street Tower Perspective |

# **BACKGROUND / DETAILS**

Reserve 37427 consists of the former Northam Railway Reserve and is located between Fitzgerald Street and Wellington Street and Glass Avenue and Morrell Street (Attachment 1). The proposed Site Offices and Telecommunications Tower are both proposed to be constructed in the middle of the Reserve in the

area bound by Fitzgerald Street, Wellington Street and the Hatton Street and Poole St/Parker Street alignments (Attachment 2).

The Site Office is a Permitted Use (P) whilst the Telecommunication Tower is a Discretionary Use (D).

The proposal consists of as follows:

Site Office: (11.09 x 27.90m) Area – 309.41m<sup>2</sup>

- Storeroom
- Water Tank
- Conference Room
- Ablutions
- Kitchen
- Office Area (29 Persons)
- Site Works
- On-Site Parking (Existing Area 16 Bays)

Telecommunications Tower (35m in height)

- 33m Level 1x 1.2m Dish Antenna
- 29m Level 3x Panel Antenna
- 25m Level 1x 0.6m Dish Antenna

Both the proposed Site Office and Telecommunications Tower are to be used by Arc Infrastructure in its management of its rail operations.

# CONSIDERATIONS

## Strategic Community / Corporate Business Plan

Theme Area 1: Economic Growth

- Outcome: The Shire of Northam is an attractive investment destination for a variety of economic sectors.
- Objective: Promote the business case for Government offices servicing the Wheatbelt to choose to locate in Northam.

## Financial / Resource Implications

There are no financial or resource based implications for the Shire of the recommendations of this report.

## Legislative Compliance

The application complies with State Planning Policy 5.2 – Telecommunications Infrastructure, Planning and Development (Local Planning Scheme) Regulations 2015 and Shire of Northam Local Planning Scheme No.6.

Refer Attachment 5 – Technical Assessment.

## **Policy Implications**

- SPP5.2 Telecommunications Infrastructure; and
- Local Planning Policy No. 20 Advertising of Planning Proposals (LPP20)

# Stakeholder Engagement / Consultation

The application was advertised in accordance with LPP20 which requires that telecommunication facilities are advertised within a 250m radius in urban areas to all landowners within this area. 57 landowners, Water Corporation, Northam Chamber of Commerce, Department of Planning, Lands and Heritage and Department of Water and Environmental Regulation were advertised from the 15<sup>th</sup> of January 2019 until the 6<sup>th</sup> of February 2019 (23 days).

Two submissions from members of the public were received during the submission period (one objection – land value), while two government agency submissions were also provided.

The summary of submissions and the Officers Response to the matters raised is provided within Attachment 6 – Summary of Submissions.

## **Risk Implications**

- Reputational Low
  - The proposal has been advertised in accordance with Council's Advertising of Planning Proposals' Policy (LPP20).
- Financial Low
  - Relevant planning fees in respect to the planning application and advertising of the planning proposal have been paid.
- Compliance Low
  - A development approval granted by Council has statutory weight, which is the applicant is required to comply with the conditions of development approval (Arc Infrastructure).
- Legal Low
  - o Nil.

# **OFFICER'S COMMENT**

It is advisable that the Northam Regional Growth Plan identifies the area proposed to be developed as within the "West Northam Renewal Project". This area is basically identified as being the former railway line and surrounding the West Northam Railway station. There was initially some discussion regarding the proposed relocation of these type of uses to the "West Industrial Precinct" which is located adjacent to the existing railway lines. This was included in one of the unsuccessful business cases (Revitalise Northam). The intent of the business case was to relocate the more industrial land uses out of the West Northam locality and look to introduce more mixed use/residential development. Approving the development as it currently stands would not encourage this relocation. It should also be noted that the Water Corporation

has recently constructed new offices in the general locality (Council approval was not required).

The proposal consists of matters considered 'public works' as per Planning Bulletin 94 - Approval Requirements for Public Works and Development by Public Authorities, the applicant has chosen to apply to Council as an example of good governance. It is relevant to advise Council that they are in fact exempt from Development Approval but have undertaken to proceed to seek development approval from the Local Government:

"If a private corporation undertakes a public work as part of a joint venture or private-public sector partnership with a government department, they are deemed to be undertaking that work on behalf of that body. As such, the section 6 exemption that the government department would be entitled to if it was undertaking the public work can be claimed by that private corporation.

Section 6 has the effect of exempting section 6 bodies from the requirement to obtain development approval for a public work under a local planning scheme."

As the works are undertaken in agreement with the Public Transport Authority (Government Department), Arc Infrastructure is exempt from gaining development approval of the Local Government as a Section 6 body.

The application is consistent with the requirements of Local Planning Scheme No.6, the Planning and Development (Local Planning Scheme) Regulations 2015 and SPP5.2 - Telecommunications Infrastructure.

Council Officers have been in discussions with the proponents regarding the proposed landscaping conditions. The proponent have provided the following response:

"As discussed, Arc Infrastructure would like to propose an alternative arrangement to replace Conditions 5 and 7 of the Development Approval. They would like to make a commitment to the Shire of Northam to work closely with community groups and Shire officers to beautify and improve the street verge through landscaping. This would be a great opportunity for Arc's community relations team to engage with local school groups to assist with the planting as an educational exercise. This arrangement would allow works to be undertaken without delay while the landscaping design is being prepared in conjunction with the Shire.

Arc Infrastructure have a long term commitment to the site and are happy to work closely with the Shire to address any concerns and achieve the best result for the community. They would look to undertake the landscaping

works within 12 months of completion of the building works which takes into account planting seasons for specific species."

Given all site aspects related to both the proposed telecommunications tower and site offices are consistent with the assessable legislation, it is recommended for development approval, subject to conditions.

#### RECOMMENDATION

That Council grant Resolve Group Pty Ltd on behalf Arc Infrastructure development approval for the construction of the Site Office and Telecommunications Tower at Reserve 37427 (438 Morrell Street), subject to the following conditions:

## General Conditions:

- 1. The development hereby permitted must substantially commence within two years from the date of this determination notice.
- 2. The development hereby permitted taking place in accordance with the approved plans dated 20/03/2019.
- 3. All telecommunications and power connections (where by means of cable) and associated infrastructure to the land must, where possible, be underground to the satisfaction of the Local Government.
- 4. Within 90 days of the commencement of development, a notice is to be placed on the Certificate of Title under Section 70A of the Transfer of Land Act 1893 as follows:

"As the land hereinbefore described falls within the 100 Year Flood Fringe of the Avon River, the Registered Proprietor for the time being is required to indemnify the Shire of Northam by executing a Deed of Indemnity in favour of the Shire of Northam pursuant to Clause 5.2.5 (h) of the Shire of Northam's Local Planning Scheme No.6 and Clause 5.2.3.4 where the finished floor level of any building on this land is less than 500mm above the designated 100 year flood level as determined by the Department of Water & Environmental Regulation."

#### Conditions To Be Met Prior To The Commencement Of Development

5. Prior to commencement of development, a detailed landscaping plan is to be submitted to and approved by the local government, with landscaping being provided to the Wellington Street verge frontage in lieu of the provision of on-site landscaping on the subject site, which shall be installed at the applicant's expense.

Conditions To Be Met Prior To Occupation Of Development

5. Provision of sealed and drained on-site car parking in accordance with Clause 4.13 of the Shire of Northam Local Planning Scheme No.6 to accommodate a minimum of 12 vehicles at any given time.

- 7. Prior to occupation, landscaping is to be completed in accordance with the approved plans or any approved modifications thereto to the satisfaction of the local government.
- 6. Prior to occupation, a detailed landscaping plan is to be submitted to and approved by the local government, with landscaping being provided to the Wellington Street verge frontage in lieu of the provision of on-site landscaping on the subject site, which shall be installed at the applicant's expense.

Conditions Requiring Ongoing Compliance

- 7. Fencing as shown on the endorsed plans must be maintained to the satisfaction of the Local Government.
- 8. The stormwater shall be discharged in a manner so that there is no discharge onto the adjoining properties to the satisfaction of the local government.
- 9. Landscaping in accordance with the approved landscaping plan shall be maintained by the applicant to the satisfaction of the Local Government.
- 10. Within six months of occupation, landscaping is to be completed in accordance with the approved plans or any approved modifications thereto to the satisfaction of the local government.

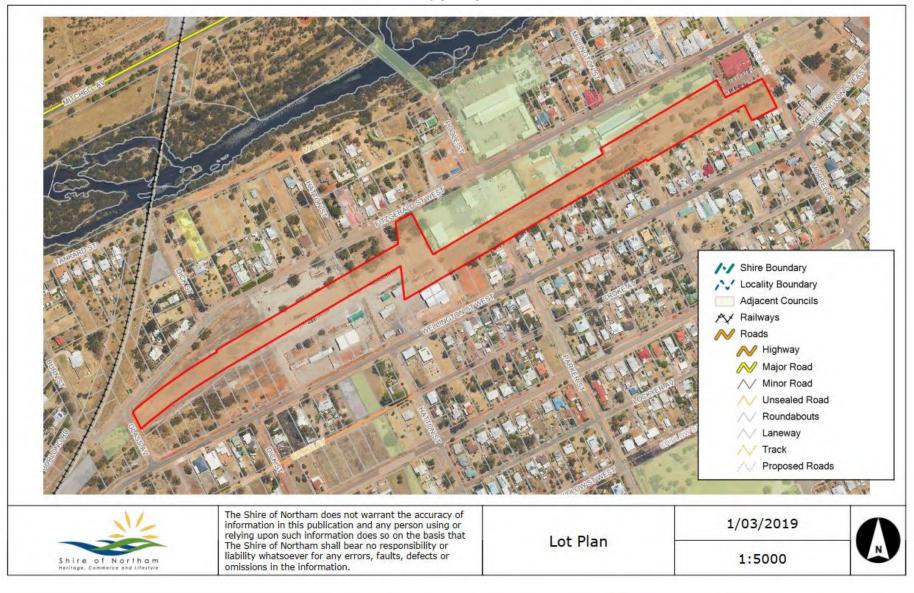

# ADVICE NOTE:

NOTE 1: Pursuant to the advice of the Department of Water and Environmental Regulation, an Asbestos Management Plan shall be prepared and utilised by the applicant, Arc Infrastructure, to mitigate potential risk to human health of construction and other on-site personnel in the direct vicinity of the development hereby approved (See Advice Note 2).

NOTE 2: The Asbestos Management Plan shall provide methods of controlling or mitigating risk to persons during construction and operational stages of development. Where the applicant has demonstrated the remedial works were successful and completed to the satisfaction of the Department of Water and Environmental Regulation, the requirement for the Asbestos Management Plan shall be nullified.

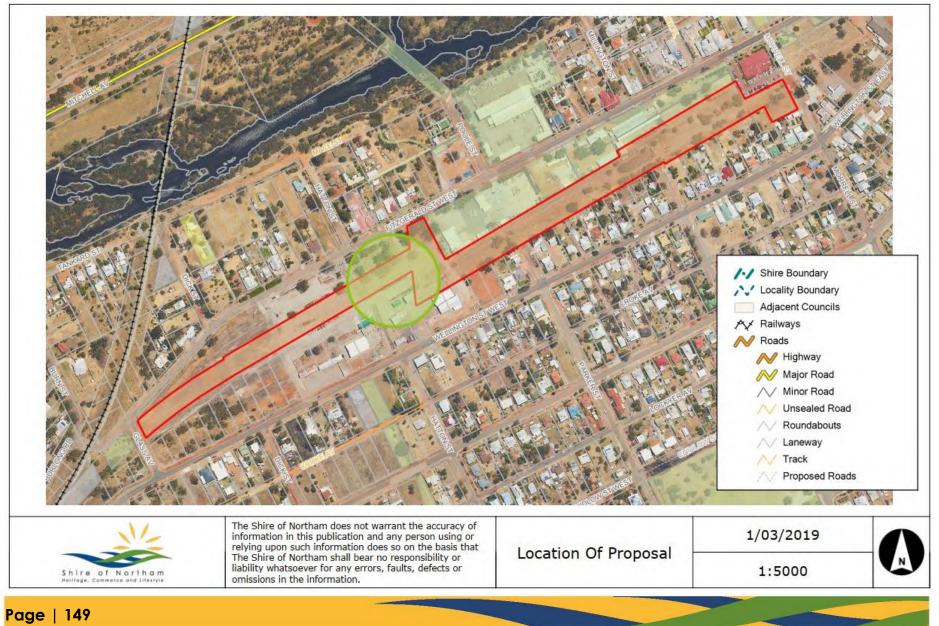

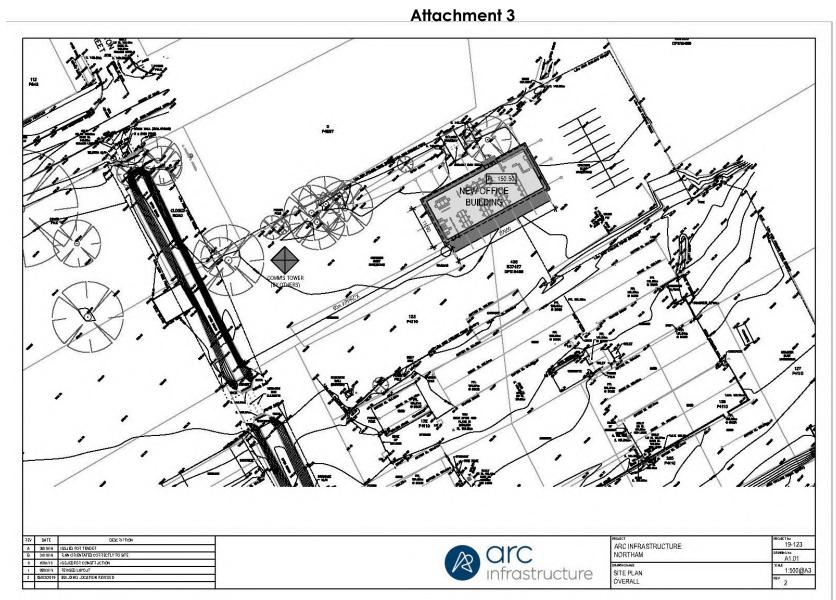

## Attachment 2

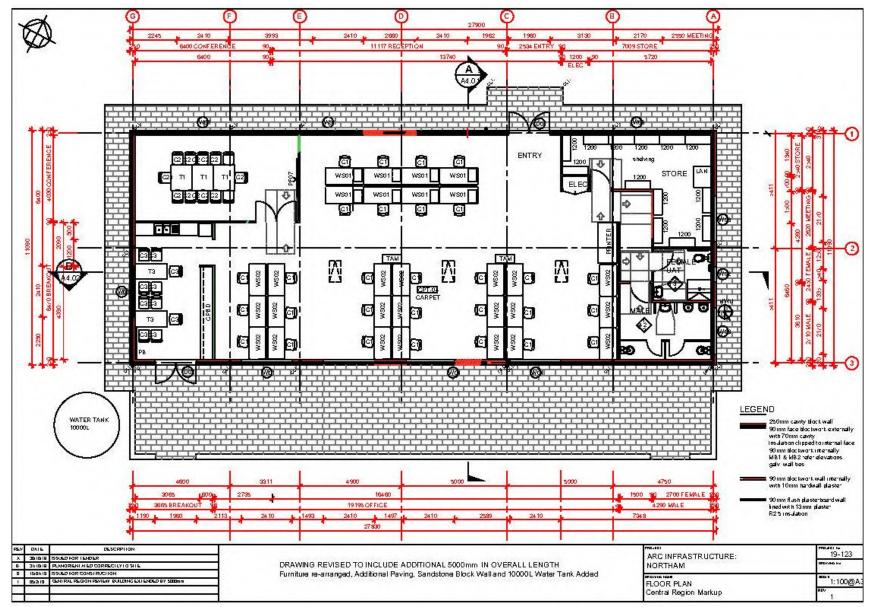

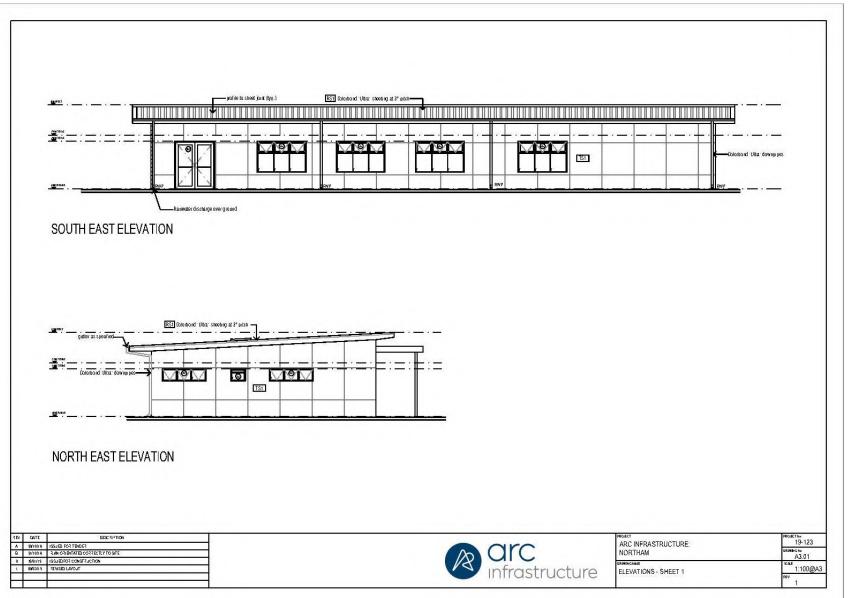

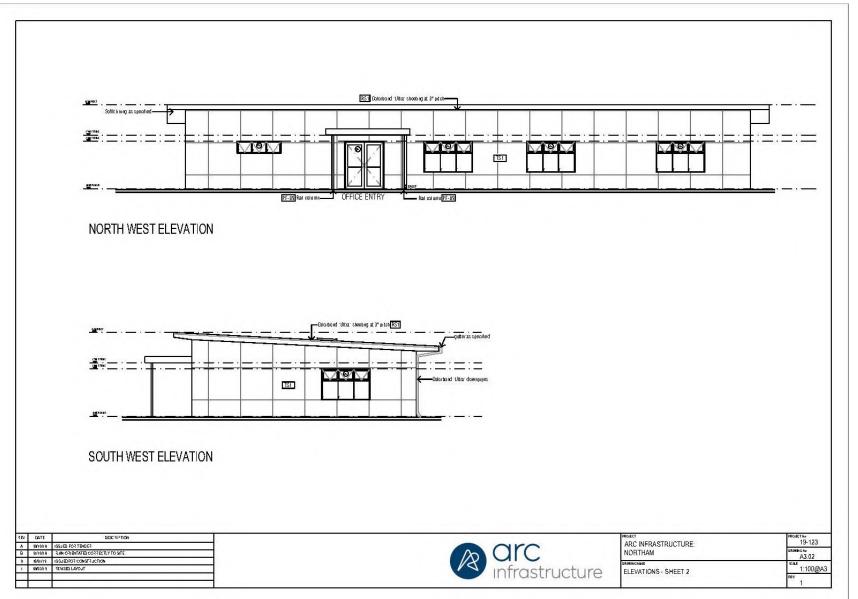

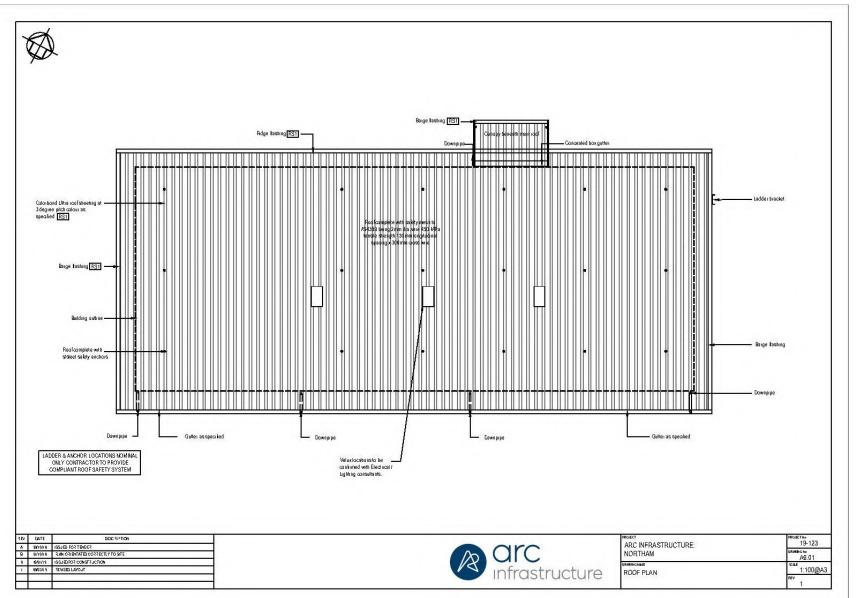

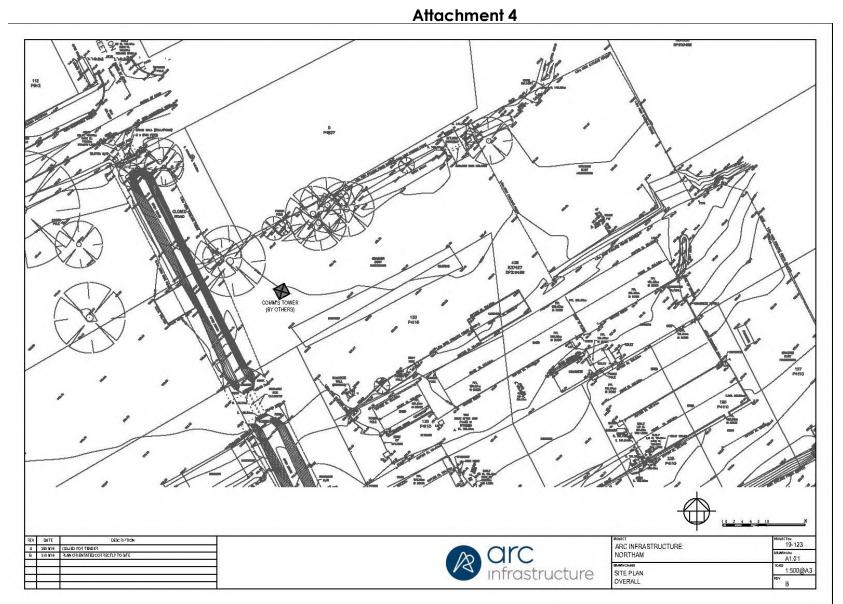

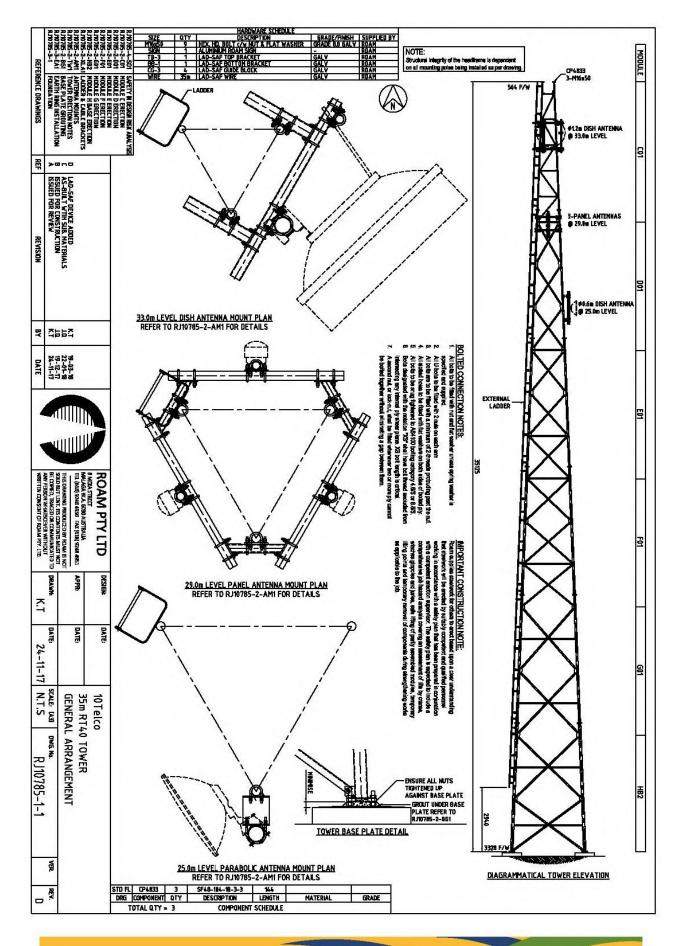

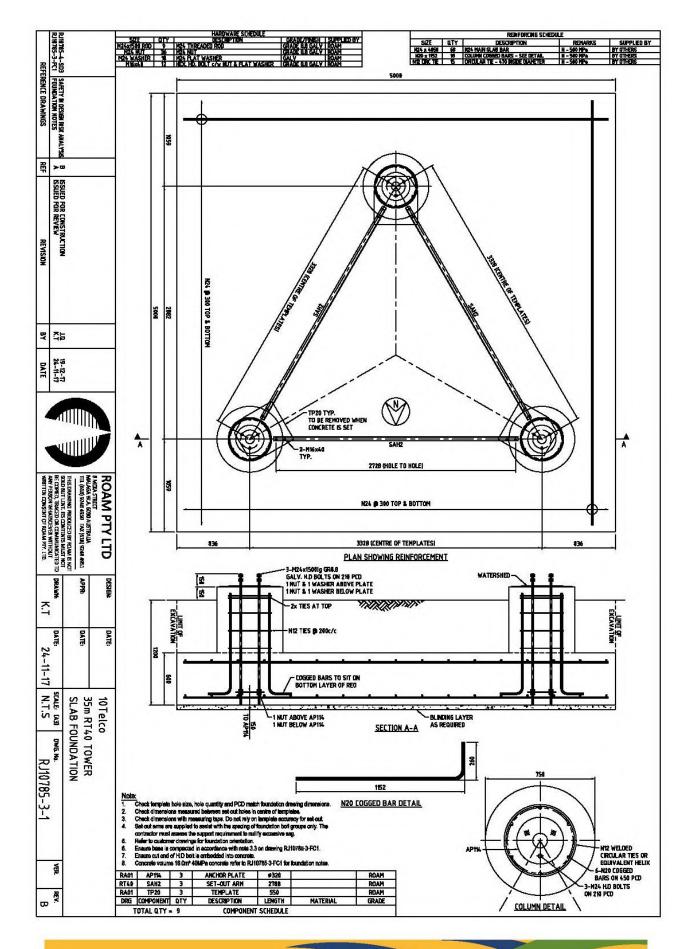

## Attachment 5

## Shire of Northam Local Planning Scheme No.6

The Shire's Local Planning Scheme No.6 indicates 'Telecommunications Infrastructure' is a 'D' use within the 'Mixed Use' zone.

'Telecommunications Infrastructure' is defined by the Scheme as follows:

"means land used to accommodate any part of the infrastructure of a telecommunications network and includes any line, equipment, apparatus, tower, antenna, tunnel, duct, hole, pit or other structure used, or for use in or in connection with, a telecommunications network;"

The Shire's Local Planning Scheme No.6 indicates 'Office' is a 'P' use within the 'Mixed Use' zone.

'Office' is defined by the Scheme as follows:

"Means premises used for administration, clerical, technical, professional or other like business activities;"

The proposal is consistent with the land use and use classification and as the setbacks may be nil and are more than 10m from any boundaries. It is consistent with the development standards of the scheme. It is advised that the matters itemised under section 4.34 under the scheme are addressed in the response to SPP 5.2 (Complies).

Given the proposal uses existing access and egress as well as containing appropriate parking, the relevant remaining aspect is consideration of the Special Control Area for the Avon & Mortlock Rivers Floodplain. Based on the advice of DWER, a relevant Condition is recommended for inclusion regarding the developments Finished Floor Level (FFL).

## State Planning Policy 5.2 'Telecommunications Infrastructure (SPP 5.2)

SPP5.2 establishes a framework to assess telecommunications infrastructure in regards to its siting, location and design. The Officers Report outlines that the proposal is consistent with all objectives of SPP5.2.

State Planning Policy 5.2 (SPP 5.2) establishes the core decision making framework in relation to this proposal, and is therefore appropriately examined below under Section 5.1.1 – "The benefit of improved telecommunications services should be balanced with the visual impact on the surrounding area."

i. Assessment of the visual impact of development proposals should be made on a case by case basis

<u>Response:</u> It is considered the proposal is consistent with Section 5.1.1.i of SPP 5.2, with the tower being located in the centre of the site and partially obstructed from view by vegetation and existing buildings between Fitzgerald Street and Wellington Street. Given existing site infrastructure of Arc Infrastructure in the direct vicinity, it is an optimal site location to meet SPP 5.2 and operational requirements.

- *ii.* Telecommunications infrastructure should be sited and designed to minimise visual impact and whenever possible:
  - a. be located where it will not be prominently visible from significant viewing locations such as scenic routes, lookouts and recreation sites;
  - b. be located to avoid detracting from a significant view of a heritage item or place, a landmark, a streetscape, vista or a panorama, whether viewed from public or private land;
  - c. not be located on sites where environmental, cultural heritage, social and visual landscape values maybe compromised and
  - d. display design features, including scale, materials, external colours and finishes that are sympathetic to the surrounding landscape;

<u>Response:</u> It is considered the proposal is consistent with Section 5.1.1.ii. The location of the tower is consistent with the location of other similar towers in the townsite (centrally positioned where possible on sites to reduce visual bulk and therefore visual impact from the development to streetscapes). The proposal has a base width of less than 5m (2.7m from mounting hole to mounting hole of the tower poles) and as the tower increases in height the width of the tower decreases. Views to significant landforms from the townsite (Wellington Street to Mount Ommaney) are presently obstructed by other industrial buildings in the vicinity and being a development located in a brownfield development area (existing, developed land), its appearance is not of significance as assessed against the assessing criteria.

- *iii.* In addition to the existing exemptions under the Telecommunication Act, local governments should consider exempting telecommunications infrastructure from the requirement for development approval where:
  - a. The infrastructure has a maximum height of 30 metres from finished ground level;
  - b. The proposal complies with the policy measures outlined in this policy; and
  - c. The proponent has undertaken notification of the proposal in a similar manner to 'low impact facilities' as defined and set out in the Mobile Phone Base Station Deployment Industry Code (C564:2011);

<u>Response:</u> It is considered the proposal is consistent with 5.1.1.iii, whereby the applicant requests development approval for the facility, being greater than 30m from FFL/NGL (Finished Floor Level & Natural Ground Level).

*iv.* Telecommunications infrastructure should be located where it will facilitate continuous network coverage and/or improved telecommunications services to the community; and

# <u>Response:</u> It is considered the proposal is consistent with 5.1.1.iv, being a site for Arc Infrastructures operations and therefore meets the intent of SPP 5.2.iv.

- v. Telecommunications infrastructure should be collocated and whenever possible:
  - a. Cables and lines should be located within an existing underground conduit or duct; and
  - b. Overhead lines and towers should be co-located with existing infrastructure and/or within existing infrastructure corridors and/or mounted on existing or proposed buildings.

<u>Response:</u> The proposal is consistent with 5.1.1.v, as the operational requirements of Arc Infrastructure requires the tower to be located with a site office (control office). This is not available at standard telecommunications towers (Network Carriers – Telstra, Vodaphone, Optus). No suitable locations for collocation to meet the service requirements were identified by the applicant in the vicinity of the proposal.

# Shire of Northam Local Planning Strategy (2013)

The Shire of Northam Local Planning Strategy Section 4.6 outlines the role of telecommunications, an objective under the Strategy is "to provide affordable, state of the art and equitable telecommunication services to the Shire in a timely manner that are sensitive to economic, social, environmental and technical conditions and help to maximise opportunities for economic growth and development."

Further to this, under Section 4.6.5 'Actions' the following point is made:

• "Work with relevant authorities to have new towers installed in appropriate places to assist in the increased coverage at no cost to the Shire of Northam"

The proposal is consistent with the provisions of the Shire of Northam Local Planning Strategy (2013).

# <u>Planning and Development (Local Planning Schemes) Regulations 2015 (Sch2,</u> <u>Part 9, Clause 67.)</u>

(a) the aims and provisions of this Scheme and any other local planning scheme operating within the Scheme area; Shire of Northam Local Planning Scheme No.6 (See Above-mentioned Assessment)

| (b) the requirements of orderly and<br>proper planning including any<br>proposed local planning scheme or<br>amendment to this Scheme that has<br>been advertised under the Planning<br>and Development (Local Planning<br>Schemes) Regulations 2015 or any<br>other proposed planning instrument<br>that the local government is<br>seriously considering adopting or<br>approving; | Shire of Northam Local Planning<br>Scheme No.6 (See Above-mentioned<br>Assessment)   |

#### BRIEF

For Council to receive the accounts for the period from 1 February to 28 February 2019.

# ATTACHMENTS

Attachment 1:Accounts & Statements of Accounts – February 2019.Attachment 2:Declaration.

# **BACKGROUND / DETAILS**

The reporting of monthly financial information is a requirement under section 6.4 of the Local Government Act 1995, and Regulation 34 of the Local Government (Financial Management) Regulations.

Pursuant to Financial Management Regulation 13, a list of payments made from Municipal and Trust accounts is required to be presented to Council on a periodical basis. These details are included as Attachment 1. In accordance with Financial Management Regulation 12, the Chief Executive Officer has delegated authority to make these payments.

## CONSIDERATIONS

# Strategic Community / Corporate Business Plan

Theme Area 6: Governance & Leadership.

Outcome 6.3: The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

## Financial / Resource Implications

Payments of accounts are in accordance with Council's 2018/19 Budget.

## Legislative Compliance

Section 6.4 & 6.26(2) (g) of the Local Government Act 1995. Financial Management Regulations 2007, Regulation 12 & 13.

## **Policy Implications**

Nil.

# Stakeholder Engagement / Consultation

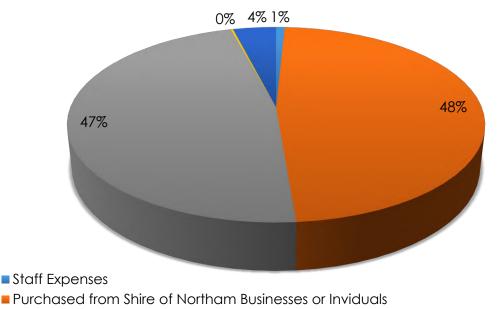

Not applicable.

# **Risk Implications**

Nil.

## OFFICER'S COMMENT

The matter of Council 'supporting local business' has been raised over a long period. To assist in providing a greater understanding of the purchasing patterns of the Shire of Northam, the following graph summarises the payments made locally for the month of February 2019;

- No Organsiation or Business in Shire of Northam that can offer service required
- Purchase from Businesses or Inviduals outside Shire of Northam
- Contract has gone to Tender

## RECOMMENDATION

That Council endorse the payments for the period from 1 February to 28 February 2019, as listed, which have been made in accordance with the delegated authority reference number (M/F/F/Regs LGA 1995 \$5.42).

### BRIEF

For Council to receive the Financial Statement for the period ending 28 February 2019.

## ATTACHMENTS

Attachment 1: Financial Statement for the period ending 28 February 2019.

# **BACKGROUND / DETAILS**

The reporting of monthly financial information is a requirement under section 6.4 of the Local Government Act 1995, and Regulation 34 of the Local Government (Financial Management) Regulations.

The Statement of Financial Activity for the period ending 26 February 2019 is included as Attachment 1 & 2 to this Agenda and includes the following reports:

- Statement of Financial Activity;
- Operating Statements;
- Balance Sheet;
- Acquisition of Assets;
- Disposal of Assets;
- Information on Borrowings;
- Reserves;
- Net Current Assets;
- Rating Information

The report includes a summary of the financial position along with comments relating to the statements. If Councillors wish to discuss the report contents or any other matters relating to this please contact Council Finance staff prior to the meeting.

  - Valuations and searches \$14,310
  - Rubbish site maintenance \$279,808(timing)
  - Regional verge bins \$23,542.
  - Septage pond maintenance \$13,179
  - Municipal Heritage inventory \$10,000
  - Cemeteries expenditure \$16,256
  - Maintenance Council property \$45,109
  - Marketing and promotion \$18,700
  - Festival and events \$44,486
  - Consultants as disclosed at points 6,9 & 10 above
  - Bridge maintenance \$88,323
  - Verge maintenance \$156,960
  - Parks, ovals and gardens and reserves \$65,465
- 17. Utility charges are under budget by 6%, water by \$31,400.
- 18. Depreciation is under budget 6% due to changes to the fair value of Council's infrastructure assets.
- 19. Interest expense is under budget \$23,930 (timing)
- 20. Other expenditure is over budget by \$155,039, predominantly due to the timing of internal allocations relating to POC (non-cash).
- 21. Non operating grants are as disclosed in item 3
- 22. Profit and loss variation are due to the timing of the plant replacement program.

# Capital expenditure

- 23. Server upgrade is over budget by \$5,700 due to additional unforseen hardware requirements during the upgrade.
- 24. The Flocon unit required maintenance of \$19,260, due to the significant expenditure this item has been capitalized.
- 25. Spencers Brook Road is over budget \$27,804 due to additional plant and labour costs.
- 26. Katrine Road \$72,477 over budget, due to additional plant and labour costs
- 27. Cody Street is over budget due to additional tree root removal costs
- 28. Foreman Street is over budget due to reconstruction of the side of road for drainage
- 29. Newcastle Road Bridge was handed over to the Shire from Mainroads and has been added to the asset register \$10,943,000

# CONSIDERATIONS

# Strategic Community / Corporate Business Plan

Theme Area 6: Governance & Leadership.

Outcome 6.3: The Shire of Northam Council is a sustainable, responsive, innovative and transparent organisation.

# Financial / Resource Implications

The Financial Statements have been prepared in accordance with Council's 2018/19 Budget.

## Legislative Compliance

Section 6.4 and 6.26(2)(g) of the Local Government Act. Local Government (Financial Management) Regulations 1996.

## **Policy Implications**

Nil.

## Stakeholder Engagement / Consultation

N/A.

## **Risk Implications**

- Reputational Nil.
- Financial Nil.
- Compliance Low
  - Risk assessed as low as there are processes in place to ensure that this report is presented to Council each month in order to comply with relevant legislation.
- Legal –Nil.

## OFFICER'S COMMENT

Nil.

## **RECOMMENDATION / COUNCIL DECISION**

That Council receive the Financial Statements, prepared in accordance with the Local Government (Financial Management) Regulations, for the period ending 28 February 2019.

## BRIEF

This report is to request that Council sell the land to recover outstanding rates and charges in excess of 3 years, in accordance with Section 6.64(1)(b) of the Local Government Act 1995.

# **ATTACHMENTS**

Nil.

# **BACKGROUND / DETAILS**

This property has outstanding rates of greater than 3 years with no payments made since July 2014. Legal action has been taken against the ratepayer but to date this has been unsuccessful.

The last legal action taken was a property seizure and sale order in November 2017 for which a bailiff attended the property, the bailiff was unable to find any items of value or make contact the ratepayer.

We can also confirm that the Water Corporation has not been paid for a similar period and has water restrictions placed on this property.

# CONSIDERATIONS

## Strategic Community / Corporate Business Plan

Theme Area 6: Governance & Leadership Outcome 6.3: The Shire of Northam council is a sustainable, responsive, innovative and transparent organisation.

Objective: Ensure robust financial Management.

# Financial / Resource Implications

The Shire of Northam is currently owed \$9,929 in overdue rates and charges which we would be looking to recover through public auction. The ratepayer also has outstanding water charges of \$3,463 which are required to be discharged at sale.

It is estimated the cost of public auction would be between \$7,000- \$10,000 which would be paid upfront by council but would be recoverable at the point of sale.

# Legislative Compliance

- 6.64 Actions to be taken
- (1) If any rates or service charges which are due to a local government in respect of any rateable land have been unpaid for at least 3 years the local government may, in accordance with the appropriate provisions of this Subdivision take possession of the land and hold the land as against a person having an estate or interest in the land and
  - (a) from time to time lease the land;
  - (b) sell the land;
  - (c) cause the land to be transferred to the Crown; or
  - (d) cause the land to be transferred to itself.

# Schedule 6.3 Power of sale

The power of sale includes -

- (a) power to sell the whole or part of the land either together or in lots -
  - (i) by public auction; or
  - (ii) by private contract, if having been offered for sale by public auction, it has not been sold, subject to such terms and conditions with respect to the payment of the purchase money or any other matter, including power to fix a reserve price, as the local government thinks fit;

# **Policy Implications**

Nil.

# Stakeholder Engagement / Consultation

Court documents served in person by bailiff.

# **Risk Implications**

- Reputational High
  - Legal action required to recover the outstanding rates may result in poor public perception.
- Financial Moderate

- If auction is passed up or reserve not met council may need to consider write off of some interest and rates to facilitate sale.
- Compliance Low
  - This Course of action is Compliant with section 6.64 of the local government act 1995.
- Legal Low
  - As per compliance, the local government act give council the power to facilitate sale for recovery of outstanding rates and charges.

# **OFFICER'S COMMENT**

As legal action to date has been unsuccessful Officers are requesting the property be sold under section 6.64 (1)(b) of the local government act.

## RECOMMENDATION

That Council pursuant to Section 6.64(1) (b) of the Local Government Act 1995, proceed to sell the property known as assessment A11901 and recover from the proceeds of sale the outstanding balance which currently totals \$9,928 plus future charges raised against the property.

# 12.5 COMMUNITY SERVICES

## 12.5.1 Application for Fee Waiver – Pipeline Challenge

### BRIEF

For Council to consider a waiver of fees for the use of Northam Recreation Centre and Jubilee oval for the Pipeline Challenge, an annual charity mountain bike event conducted by Youth Futures.

## **ATTACHMENTS**

Nil.

# **BACKGROUND / DETAILS**

The Pipeline Challenge is an annual charity mountain biking event conducted by Youth Futures, which fund raises for homeless and disadvantaged young people.

The ride follows the golden pipeline from Kalgoorlie to Perth.

The organisers, Youth Futures, are requesting Council waive fees as below:

| Description                 |   | Start<br>Time | End<br>Time | Comments              | Start Date | Finish<br>Date | Fee Charged            |

The riders are scheduled to arrive in Northam on 7<sup>th</sup> May for an overnight stop before continuing to the finish of the ride on the 8<sup>th</sup> May.

Youth Futures are aiming to raise in excess of \$150,000 from this year's event.

Council has previously supported this event by providing fee waivers in 2017 and 2018. Fees waived in 2017 totalled \$864.50 and in 2018 totalled \$1,474.

# CONSIDERATIONS

## Strategic Community / Corporate Business Plan

Theme Area 1: Economic Growth.

Outcome 1.4: A robust tourism industry which contributes to the economic development of the Shire of Northam and optimises Northam's role as a hub for tourists to the region.

Objective Effectively market the tourism options available in the Shire of Northam including annual flagship events.

## Financial / Resource Implications

The fees that Council resolve to waive will represent foregone income. This will be to a maximum of \$1674.00 (inc GST).

## Legislative Compliance

Local Government Act 1995, Section 6.12 - Power to defer, grant discounts, waive or write off debts.

## **Policy Implications**

The Chief Executive Officer is delegated authority to make a determination to waive or grant concessions in relation to any amount of money or write off any amount of money that is owed to the local government up to a maximum of \$500. Any other requests for fee waiver above this amount are submitted for the consideration of Council.

## Stakeholder Engagement / Consultation

Nil.

**Risk Implications** 

• Reputational – Low

- o Council has previously supported this event
- Financial Low
  - Council has previously supported this event.
- Compliance Low
  - Council can waive fees as per the Local Government Act 1995.
- Legal Low
  - Council can waive fees as per the Local Government Act 1995.

# **OFFICER'S COMMENT**

This event is becoming a regular event, with the numbers of participants increasing each time. Whilst there is not likely to be a great return on investment for the Shire in waiving of fees, there will still be some exposure from a tourism point of view, and some economic benefit from hosting this event for one day.

# RECOMMENDATION

That Council waive the following fees as a donation to Youth Futures to assist with the conduct of the 2019 Pipeline Challenge:

- a. Hire fees for Henry St Oval including lights (\$460.00 incl GST)
- b. Hire fees for Hospitality Room, including kitchen (\$1080.00 incl GST)
- c. Event application fee (\$154.00 incl GST)

## 13. MATTERS BEHIND CLOSED DOORS

## 13.1 CHIEF EXECUTIVE OFFICER REVIEW COMMITTEE MEETING HELD ON 27 FEBRUARY 2019

**Receipt of Minutes:** 

## RECOMMENDATION

That Council receive the minutes from the Chief Executive Officer Review Committee meeting held on 27 February 2019.
