EXPLANATION NOTES

General

Section 5.42 of the Local Government Act 1995 allows a local government to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act.

Section 5.44 of the Act provides for the Chief Executive Officer to delegate any of their powers to another employee, this must be done in writing. The Act allows the Chief Executive Officer to place conditions on any delegations if desired. The powers cannot, however, be further sub delegated.

The purpose of this document is to detail which authorities have been delegated by Council to the Chief Executive Officer. The document also indicates delegations which the Chief Executive Officer intends to delegate to other staff, however this is for information/indication purposes only and may change from time to time at the discretion of the Chief Executive Officer. The register details the related document(s) where the power to delegate is derived from, which includes legislation and policies of the Council.

Transfer of Authority Due to Absence

Where an Officer not named has been appointed by Council or by an Officer authorised to make the appointment to act in a position to which the named Officer is appointed, the authority shall transfer to the Officer acting as appointed, for the duration of Council authorisation.

Where a named Officer holding a delegation, is temporarily absent and no Officer has been appointed to act in the position, the authority will transfer to the relevant Executive Manager for the period of absence.

Register of, and Records Relevant to, Delegations - Section 5.46

A register of delegations, being this manual, relevant to the Chief Executive Officer and other employees is to be kept and reviewed at least once every financial year.

If a person is exercising a power or duty that they have been delegated, the Act requires them to keep necessary records to the exercise of the power or discharge of the duty. The written record is to contain:

- How the person exercised the power or discharged the duty;
- When the person exercised the power or discharged the duty; and

The persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.
