

## Presidents Message

On behalf of both the Shire of Northam Councillors and Staff, I extend my best wishes for the Festive Season. I hope that every one of you has both an enjoyable and safe Christmas and New Year.

As we get closer to the end of 2019, take the opportunity to look back and reflect on your achievements, successes, and even little wins over the past 12 months. Congratulate yourself, your family and friends, and get ready for the New Year.

During this Christmas and New Year season, I hope all Shire of Northam Residents, Ratepayers and Visitors take care and stay safe. Enjoy yourselves, and make sure that you plan in advance. If you are planning to attend just one or maybe many events, make sure you have an appointed "Designated Driver". I want to see everyone being safe over the Festive Season and into the New Year.

In the period leading up to Christmas, remember to Shop Local. Keep the local retail and service providers at front of mind when doing your Christmas and New Years' Shopping. There are many ways you can do this. For helpful hints, head to the Northam Chamber of Commerce to see how you can support local businesses. Christmas on Fitzgerald's on the 13<sup>th</sup> December is one of the ways you can not only enjoy yourself, but also support local businesses.

With us now well into the prohibited fire season, I urge all residents to remain Bushfire Aware and plan ahead. In the case of a Bushfire, know if you are going to 'defend or leave'. For more information on Bushfires, look at either the Shire's or the Department of Fire and Emergency's website.

With the International Volunteer Day 2019 being held on December 5<sup>th</sup>, take the time to thank a Volunteer, including the Bushfire and other emergency volunteers during the Summer Season.

As we head toward the end of the crop season, I trust that our farming community has harvested as much grain as possible, in recognition of all this year's hard work, especially with the amount of rainfall received. I hope, that you, along with of the Shire of Northam residents, take the time to enjoy a well-earned break. The Shire of Northam Councillors will be attending any number of events in the lead up to Christ-

mas and into the New Year. If you don't know one, or any of the Councillors, please feel free to introduce yourself. For some background on the each of the Councillors, head to the Shire of Northam Website, [www.northam.wa.gov.au](http://www.northam.wa.gov.au) Under the "Our Council – Councillors and Staff" Tab. Remember to follow me on Instagram, maybe even get a "selfie" with me. Look for shire\_of\_northam\_president and use #snaptheprez.

If you're wondering what to do in our Shire over the holiday season, head to either the Northam or Wundowie Pools, or look at the Visit Northam Facebook page for local activities and events

## Major Projects Update

The new Aquatic Centre remains on track for a second half of January 2020 official opening. The New Slides look fantastic, and I'm sure that not only children and teenagers, but adults too, are looking forward to enjoying this wonderful facility.

Merry Christmas to all, and Happy New Year  
Shire President Chris Antonio

## Community Safety Tips

### Keep Watch

The Royal Life Saving Society Australia's Keep Watch program aims to reduce the incidence of toddler drowning in the community.

To prevent toddler drowning, the Royal Life Saving Society of WA encourages parents and caregivers to:

- Always keep watch of your child in and around water.
- Supervise children within arm's reach.
- Prevent your child's access to water at all times.
- Teach your child to be water confident.
- Learn CPR and call 000 in an emergency.

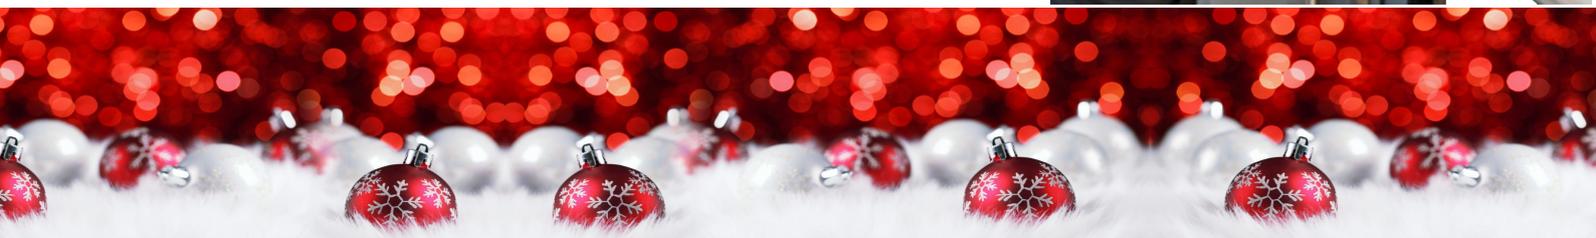

### Home Burglary Awareness

Are you aware one of Australia's most common crimes in home burglary?

Thieves target items like televisions and stereos, as well as credit cards, cash, outdoor furniture, tools and computer equipment because they can easily be resold or traded.

The Shire of Northam Community Safety Committee encourages residents to join a local Neighbourhood Watch Group. Neighbourhood Watch is simply neighbours getting to know neighbours, looking out for each other and reporting suspicious activity to Police. That is the smallest investment we ask of anyone that lives in our community.

Visit the WA Police website for a Home Security Checklist <https://www.police.wa.gov.au/Our%20Community/Publications/Protect%20My%20Home>
