RISK WARNING, DISCLAIMER AND INDEMNITY SIGNS

MOTORSPORT IS DANGEROUS Motorsport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death. If you do not wish to be exposed to such risks, then you should not participate in the Motorsport Activities. **Acknowledgement of Risks:** You acknowledge that the risks associated with attending or participating in Motorsport Activities include but are not limited to the risk that you may suffer harm as a result of: a) motor vehicles (or parts of them) colliding with other motor vehicles or persons or property; b) other participants acting dangerously or with lack of skills; c) high levels of noise exposure; d) acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the event; and e) the failure or unsuitability of facilities (including grand-stands, fences and guard rails) to ensure your safety. **Exclusion of Liability, Release and Indemnity:** In exchange for being able to attend or participate in the Motorsport Activities, you will agree to: f) release Motorsport Australia and the Entities to the extent that any or all of them are providing Recreational Services from all liability for: f.1) your death; f.2) any physical or mental injury (including the aggravation, acceleration or recurrence of such an injury); f.3) the contraction, aggravation or acceleration of a disease including but not only COVID-19; f.4) the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs; f.4.1) that is or may be harmful or disadvantageous to you or the community; or f.4.2) that may result in harm or disadvantage to you or the community; f.5) any claim for any costs and expenses you may incur as a consequence of any of the above; arising from your participation in or attendance at the Motorsport Activities; g) indemnify and hold harmless and keep indemnified Motorsport Australia and the Entities to the maximum extent permitted by law in respect of any Claim by any person; and h) attend at or participate in the Motorsport Activities at your own risk. You understand that: i) nothing in this document excludes, restricts or modifies any rights that you may have as a result of significant personal injury that is caused by the Reckless Conduct of Motorsport Australia and the Entities as the supplier of the Motorsport Activities and Recreational Services; j) nothing in this document prevents Motorsport Australia and the Entities from relying on any laws (including statute and common law) that limit or preclude their liability; k) nothing in this document excludes any term or guarantee which under statute cannot be excluded, however the liability of Motorsport Australia and the Entities is limited to the minimum liability allowable by law; l) nothing in this document precludes you from making a claim under a Motorsport Australia insurance policy where you are expressly entitled to make a claim under that insurance policy; and m) Motorsport Australia has arranged for limited personal injury insurance coverage which may provide you with some protection for loss, damage or injury that you may suffer during your participation in the Motorsport Activities. You acknowledge and accept that the insurance taken out by Motorsport Australia may not provide you with full indemnity for loss, damage or injury that you may suffer during your participation in the Motorsport Activities, and that you may have to pay the excess if a Claim is made under an insurance policy on your behalf. You agree that your own insurance arrangements are ultimately your responsibility and you will arrange any additional coverage at your expense after taking into account Motorsport Australia's insurance arrangements, this document and your own circumstances.
