**Minutes of the Special Meeting of Council held in the Council Chambers on
TUESDAY, 11 August 2015 at 5.00pm**

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Northam for any act, omission or statement or intimation occurring during Council/Committee meetings or during formal/informal conversations with staff. The Shire of Northam disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council/Committee meetings or discussions. Any person or legal entity who acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Northam during the course of any meeting is not intended to be and is not taken as notice or approval from the Shire of Northam. The Shire of Northam warns that anyone who has an application lodged with the Shire of Northam must obtain and only should rely on **WRITTEN CONFIRMATION** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Northam in respect of the application.

MINUTES
SPECIAL COUNCIL MEETING HELD ON 11 AUGUST 2015

13. SPECIAL ITEMS

13.1 ANNUAL 2015/2016 BUDGET ADOPTION

Name of Applicant	Internal Report
File Ref:	8.2.8.1
Officer:	Denise Gobbart
Officer Interest:	N/A
Policy:	Local Government Act 1995 and Associated Regulations
Voting:	Absolute Majority vote required (Some Parts)
Date:	07 August 2015

PURPOSE

To consider and adopt the Municipal Fund Budget for the 2015/2016 financial year together with supporting schedules, including striking of the municipal fund rates, establishment of new reserve funds, setting of elected members fees for the year and other consequential matters arising from the budget papers.

BACKGROUND

The draft 2015/2016 budget has been compiled based on the parameters established in the Council integrated planning documents including long term financial plan, corporate business plan and strategic community plan.

Council gave consideration to the detail within the budget via a series of workshops and a budget meeting held on July 15, 2015. At this meeting Council endorsed a draft budget and requested the Chief Executive Officer to give local public notice of the differential rating requirements required to fund the budget, based on a 3.5% increase in total rates levied.

The proposed differential rates have subsequently been advertised for public comment and at the time of publishing this agenda no comments had been received. The submissions close at 3.00pm on Monday August 10, 2015 consequently any comments received between the publishing date of this agenda and the budget adoption meeting will be fully disclosed and responded to by staff.

STATUTORY REQUIREMENTS

Section 6.2 of the *Local Government Act 1995* requires that not later than 31 August in each financial year, or such extended time as the Minister allows, each local government is to prepare and adopt, (Absolute Majority required) in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the

SHIRE OF NORTHAM
MINUTES
SPECIAL COUNCIL MEETING HELD ON 11 AUGUST 2015

next following 30 June.

Divisions 5 and 6 of the *Local Government Act 1995* refer to the setting of budgets and raising of rates and charges. *The Local Government (Financial Management) Regulations 1996* details the form and content of the budget. The draft 2015/16 budget as presented is considered to meet statutory requirements.

CONFORMITY WITH THE PLAN FOR THE FUTURE

The draft 2015/2016 budget has been developed based on the integrated planning documents adopted by council.

BUDGET IMPLICATIONS

OFFICER'S COMMENT

The budget has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and Australian Accounting Standards. The main features of the draft budget include:

Rate increase

The budget provides an average 3.5% increase in rates collected, this includes any newly rated properties created through subdivisions. These subdivisions and new dwellings has been an overall increase in Gross Rental Valuations (GRV) of 1.01% since 1 July 2014. This will cause some variances greater or less than the 3.5% average.

The Unimproved Valuations (UV) were completed 1 August 2014 and effective from 30 June 2015. The overall change in valuations was negligible. Although this is the case, there will also be variances greater or less that the 3.5% average. Comments from the District Valuer were;

“There has been no significant change this year in the level of unimproved values affecting rural land within the shire. Some changes to individual assessments may have occurred either as a product of the mass valuation process or where records have been amended or corrected for more up to date information about soil types etc.”

It is noted that property owners have the right to appeal against the valuation of their property. This appeal is made to Landgate the agency responsible for conducting the valuation service. With only minor changes to valuation, it would be unlikely that many appeals would occur this year.

The minimum rate are proposed to be increased to \$865, an increase of 4.2%.

		\$7,284,027	-\$559,532	-\$804,820	\$5,919,675

The result of the final surplus calculations are that Council has an end of year surplus of \$4,024.

Fees & Charges

The fees and charges schedule is represented to Council, including the proposed rates in the dollar to be levied. As advised previously the fees and charges for our landfill sites are proposed to remain at the same as last year. Generally there has been a 2.5% increase in fees and charges.

Annual fees and reimbursement of costs

The recommendations include the setting of annual sitting fees and allowances for members. This includes the Presidents allowance of \$36,636 the Deputy President's allowance \$9,159 and members annual sitting fees of \$17,600 and \$23,600 for the President. A \$3,500 allowance is included for each member to provide for costs associated with information and communication technology expenses incurred by members in carrying out their functions on behalf of the Shire. Other claims such as travelling will need to be submitted quarterly or more frequently should a member so require. All payments may be made direct to Members designated bank accounts. These fees and allowances are in accordance with Sec 5.98, 5.98A, 5.99 and 5.99A of the Local Government Act and the Local Government (Administration) Regulations.

These fees are within the determinations for Band 2 as set by the Salaries and Allowances Tribunal 17 June 2015.

MINUTES
SPECIAL COUNCIL MEETING HELD ON 11 AUGUST 2015

COUNCIL DECISION

Minute No: C.2500

Moved: Cr Hughes
Seconded: Cr Little

That Council, suspend Standing Orders 9.1, 9.3 and 9.4 to allow open discussion on the draft budget.

CARRIED 9/0

Cr Tinetti departed the Council Chambers at 5.31pm.

There were a number of queries in relation to the presented fees and charges. In particular it was noted the proposed significant increases in the recreation centre hire fees for commercial enterprises.

Staff provide an explanation as to the proposed increases, with the overall intent of promoting commercial users to be based more on cost recovery than community users.

Mr Whiteaker departed the Council Chambers at 5.32 and returned at 5.32pm.

COUNCIL DECISION

Minute No: C.2501

Moved: Cr Little
Seconded: Cr Hughes

That Council, resume Standing Orders 9.1, 9.3 and 9.4.

CARRIED 8/0

Notes:

All fair value adjustments relating to remeasurement of financial assets at fair value through profit or loss and (if any) changes on revaluation of non-current assets in accordance with the mandating of fair value measurement through Other Comprehensive Income, are impacted upon by external forces and is not able to be reliably estimated at the time of budget adoption.

Fair value adjustments relating to the re-measurement of financial assets at fair value through profit or loss will be assessed at the time they occur, with compensating budget amendments made as necessary.

It is anticipated, in all instances, any changes upon revaluation of non-current assets will relate to non-cash transactions and as such, have no impact on this budget document.

This statement is to be read in conjunction with the accompanying notes.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

(a) Basis of Accounting

The budget has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this budget are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the budget has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 16 to this budget document.

(b) 2014/15 Actual Balances

Balances shown in this budget as 2014/15 Actual are as forecast at the time of budget preparation and are subject to final adjustments.

(c) Rounding Off Figures

All figures shown in this budget, other than a rate in the dollar, are rounded to the nearest dollar.

(d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a Gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

(f) Superannuation

The Council contributes to a number of Superannuation Funds on behalf of employees.

All funds to which the Council contributes are defined contribution plans.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 7 - Net Current Assets.

(h) Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(i) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(j) Fixed Assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Mandatory Requirement to Revalue Non-Current Assets

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at Fair Value became mandatory.

The amendments allow for a phasing in of fair value in relation to fixed assets over three years as follows:

(a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

- (b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government -
- (i) that are plant and equipment; and
 - (ii) that are -
 - (I) land and buildings; or
 - (II) infrastructure; and
- (c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

Thereafter, in accordance with the regulations, each asset class must be revalued at least every 3 years.

In 2013, Council commenced the process of adopting Fair Value in accordance with the Regulations.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the budget as necessary.

Land Under Control

In accordance with Local Government (Financial Management) Regulation 16(a), the Council was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of state or regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

Whilst they were initially recorded at cost (being fair value at the date of acquisition (deemed cost) as per AASB 116) they were revalued along with other items of Land and Buildings at 30 June 2014 and now form part of Land and Buildings to be subject to regular revaluation as detailed above.

Initial Recognition and Measurement between Mandatory Revaluation Dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework detailed above.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework detailed above, are carried at cost less accumulated depreciation as management believes this approximates fair value. They will be subject to subsequent revaluation of the next anniversary date in accordance with the mandatory measurement framework detailed above.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

Revaluation

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Transitional Arrangement

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy detailed in the ***Initial Recognition*** section as detailed above.

Those assets carried at fair value will be carried in accordance with the ***Revaluation*** Methodology section as detailed above.

Land Under Roads

In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

Depreciation of Non-Current Assets (Continued)

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation periods are:

Buildings	30 to 50 years
Furniture and Equipment	4 to 10 years
Plant and Equipment	5 to 15 years
<u>Sealed Roads and Streets</u>	
Formation	not depreciated
Pavement	50 years
Seal	
- bituminous seals	15 years
- asphalt surfaces	20 years
Car Parks (Sealed)	40 years
<u>Gravel Roads</u>	
Formation	not depreciated
Pavement	50 years
Gravel sheet	10 years
Reserves/Playground Equipment	10 years
<u>Bridges & Culverts</u>	
- timber	50 years
- concrete	100 years
<u>Footpaths</u>	
- insitu concrete and slabs	40 years
- asphalt, bitumen surfaces	20 years
<u>Kerbing</u>	40 years
Street lighting	25 years
Sewerage piping	60 years
Water supply piping	60 years
Parks & Reserves	50 years
Main Drains & Water Retarding Basins	85 years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

Capitalisation Threshold

Expenditure on items of equipment under \$5,000 is not capitalised. Rather, it is recorded on an asset inventory listing.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fair Value of Assets and Liabilities

When performing a revaluation, the Council uses a mix of both independent and management valuations using the following as a guide:

Fair Value is the price that Council would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset (i.e. the market with the greatest volume and level of activity for the asset or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (ie the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

Fair Value Hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Council selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Council are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fair Value of Assets and Liabilities (Continued)

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of an asset at its current service capacity.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Council gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability and considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

As detailed above, the mandatory measurement framework imposed by the Local Government (Financial Management) Regulations requires, as a minimum, all assets carried at a revalued amount to be revalued at least every 3 years.

(l) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method, or cost.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments and any reduction for impairment; and
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(I) Financial Instruments (Continued)

(i) Financial assets at fair value through profit and loss

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short term profit taking. Assets in this category are classified as current assets. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other available for sale financial assets are classified as non-current.

(v) Financial liabilities

Non-derivative financial liabilities (excl. financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in the profit or loss.

Impairment

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Financial Instruments (Continued)

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

Derecognition

Financial assets are derecognised where the contractual rights for receipt of cash flows expire or the asset is transferred to another party, whereby the Council no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(m) Impairment of Assets

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116) whereby any impairment loss of a revaluation decrease in accordance with that other standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

At the time of adopting this budget, it is not possible to estimate the amount of impairment losses (if any) as at 30 June 2016.

In any event, an impairment loss is a non-cash transaction and consequently, has no impact on this budget document.

(n) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(o) Employee Benefits

Short-Term Employee Benefits

Provision is made for the Council's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Council's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Council's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Other Long-Term Employee Benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations or service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Council's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Council does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

(p) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

(q) Provisions

Provisions are recognised when the Council has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight live basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

(s) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Council's intentions to release for sale.

(t) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current budget year.

(u) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this budget document relate to the original budget estimate for the relevant item of disclosure.

(b) Statement of Objectives

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Shire's Community Vision, and for each of its broad activities/programs.

COMMUNITY VISION

Shire of Northam is a vibrant growing community, that is safe, caring and inclusive. We are recognised as a community that values our heritage, preserves our environment and promotes our commerce.

GOVERNANCE

Objective:

To provide a decision making process for the efficient allocation of scarce resources.

Activities:

Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

GENERAL PURPOSE FUNDING

Objective:

To collect revenue to allow for the provision of services.

Activities:

Rates, general purpose government grants and interest revenue.

LAW, ORDER, PUBLIC SAFETY

Objective:

To provide services to help ensure a safer and environmentally conscious community.

Activities:

Supervision and enforcement of various local laws, fire prevention emergency services and animal control.

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE BUDGET

FOR THE YEAR ENDED 30TH JUNE 2016

2. REVENUES AND EXPENSES (Continued)

(b) Statement of Objectives (Continued)

HEALTH

Objective:

To provide an operational framework for environmental and community health.

Activities:

Inspection of food outlets and their control, pest control, immunisation services and health inspections.

EDUCATION AND WELFARE

Objective:

To provide services to disadvantaged persons, the elderly, children and youth.

Activities:

Assistance with playgroup centres, senior citizen hall and respite care centre. Provision of home and community care programs and youth services.

HOUSING

Objective:

To provide and maintain elderly residents housing.

Activities:

Provision and maintenance of rental housing, including elderly residents housing.

COMMUNITY AMENITIES

Objective:

To provide services required by the community.

Activities:

Rubbish collection services, operation of refuse disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

RECREATION AND CULTURE

Objective:

To establish and effectively manage infrastructure and resource which will help the social well being of the community.

SHIRE OF NORTHAM
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2016

8. RATING INFORMATION - 2014/15 FINANCIAL YEAR (Continued)

All land except exempt land in the Shire of Northam is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire.

The general rates detailed above for the 2015/16 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE BUDGET

FOR THE YEAR ENDED 30TH JUNE 2016

9. SPECIFIED AREA RATE - 2015/16 FINANCIAL YEAR

It is not anticipated any specified area rates will be raised in 2015/16.

10. SERVICE CHARGES - 2015/16 FINANCIAL YEAR

It is not anticipated any service charges will be raised in 2015/16.

11. FEES & CHARGES REVENUE	2015/16 Budget \$	2014/15 Actual \$

**12. DISCOUNTS, INCENTIVES, CONCESSIONS, & WRITE-OFFS
- 2015/16 FINANCIAL YEAR**

Discount on Rates

Council is not offering a discount on rates payments in 2015/16.

Concessions

The Shire of Northam has not included an allowance for rates concessions due to valuation appeals which may be upheld by the Valuer General during 2015/16.

Write Offs

The Shire of Northam has included a provision of \$1,000 for the write off of small sundry debtor balances in 2015/16.

SHIRE OF NORTHAM

NOTES TO AND FORMING PART OF THE BUDGET

FOR THE YEAR ENDED 30TH JUNE 2016

13. INTEREST CHARGES AND INSTALMENTS - 2015/16 FINANCIAL YEAR

	Interest Rate %	Admin. Charge \$	2015/16 Budget \$	2014/15 Actual \$
Interest on Unpaid Rates	11.00%		90,000	99,276
Interest on Instalments Plan	5.50%		28,500	28,075
Charges on Instalment Plan		10	37,000	36,540
			155,500	163,890

A penalty interest rate of 11% will be charged on all rate payments, where the ratepayer has not selected the instalment option and payment has not been received within 35 days of the rate notice being issued or where an instalment remains unpaid, if the instalment method has been chosen. It is estimated this will generate revenue of \$90,000. Three separate options will be available to ratepayers for payment of their rates.

Option 1 (Full Payment)

To pay the total amount of rates and charges including arrears on the rate notice in full by the due date Friday 25 September 2015, which is 35 days after the date of service. Failure to pay such costs will attract penalty charges.

Option 2 (2 Instalments)

To pay by two (2) instalments. Details of these dates and amounts are included on the rate notice. First instalment to be received within 35 days after the date of service appearing on the rate notice, including all arrears. The second instalment to be made at a two monthly interval thereafter. Failure to pay such costs by the due dates will attract penalty charges. This option can only be selected where the first instalment including all arrears (if any) are paid by the due date.

Dates are:

1. Friday 25 September 2015
2. Wednesday 25 November 2015

Option 3 (4 Instalments)

To pay by four (4) instalments in accordance with section 6.50 (3). Details of these dates and amounts are included on the rate notice. First instalment to be received within 35 days after the date of service appearing on the rate notice, including all arrears. The second, third and fourth instalments to be made at two monthly intervals thereafter. Failure to pay such costs by the due dates will attract penalty charges. This option can only be selected where the first instalment including all arrears (if any) are paid by the due date.

Dates are:

1. Friday 25 September 2015
2. Wednesday 25 November 2015
3. Monday 25 January 2016
4. Tuesday 28 March 2016

The cost of the instalment plans will comprise of simple interest of 5.5% pa calculated from the date the first instalment is due, together with an administration fee of \$10.00 for each instalment notice (ie \$30 for option 3).
