

## FREE NATIVE PLANT GIVEAWAY 2019

As part of the Shires commitment to "GREEN" the urban environment, the Shire will be giving away a selection of native species to landowners within the Shire of Northam. This program is designed to cater to the smaller landowners within the Shire, providing residents with the opportunity to select up to five free native tube stock plants to plant in their garden.

The program will be run on a first come first served basis so get in quick to take advantage of the giveaway.

Landowners will need to provide proof of residency within the shire by providing either a drivers licence or rates notice to take advantage of this free giveaway.

The selection of smaller trees and shrubs include:

Scientific Name	Common Name	Maximum Plant Height
<i>Acacia acuminata</i>	Raspberry jam wattle	5m
